Lear as a Landscape Draughtsman Philip Hofer, 1967 Edward Lear has been known best as the author of The Owl and the Pussycat the famous Nonsense Books and other verses and songs But landscape drawing and painting were his lifelong profession the nonsense a side line In this volume Hofer presents a selection of Lear's landscape drawings chosen from his own collection Edward Lear James Williams, James Atherton Williams, 2018 James Williams's account the first book length critical study of the poet since the 1980s sets out to re introduce Lear and to accord him his proper place as a major Victorian figure of continuing appeal and relevance and especially as a poet of beauty comedy and profound ingenuity

Edward Lear and the Play of Poetry James Williams, Matthew Bevis, 2016-10-28 Of all the Victorian poets Edward Lear has a good claim to the widest audience admired and championed by critics and poets from John Ruskin to John Ashbery he has also been read heard and loved by generations of children As a central figure in the literature of nonsense Lear has also shaped the evolution of modern literature and his work continues to influence and inspire writers and readers today This collection of essays the first ever devoted solely to Lear builds on a recent resurgence of critical interest and asks how it is that the play of Lear's poetry continues to delight and to challenge our sense of what poetry can be These seventeen chapters

written by established and emerging critics of poetry seek to explore and appreciate the playfulness embodied in the poems and to provide contexts in which it can be better understood and enjoyed They consider how Lear's poems play off various inheritances the literary fool Romantic lyric his religious upbringing explore particular forms in which his playful genius took flight his letters his queer writings about love and trace lines of Learian influence and inheritance by showing how other poets and thinkers across the nineteenth and twentieth centuries played off Lear in their turn Joyce Stein Eliot Auden Smith Ashbery and others
