*Edward VII* Giles St. Aubyn, 1979 *Life of a King*      *King Edward VII* Sir Sidney Lee, 1925      *Edward VII's Children* John Kiste, 1980-01-01 King Edward VII and Queen Alexandra had six children Of the five who reached maturity only one the future King George V has received much attention from biographers The eldest son Albert Victor Duke of Clarence a backward youth and a subject of scandal died before he was thirty The three princesses Louise Princess Royal and Duchess of Fife the lifelong spinster Victoria and Maud Queen of Norway were never well known to the British public during their lifetime In this detailed and fascinating account John Van der Kiste has drawn upon previously unpublished correspondence from the Royal Archives Windsor to reveal for the first time the part this hitherto neglected group of characters played in supporting the royal family and crown during a period of transition from the Victorian age to the uncertain twentieth century

AUTHOR, 2015-06-24 Excerpt from *The Private Life of King Edward VII Prince of Wales 1841 1901* The Prince s life as a student his relations with the Church and the arts his travels his patronage of the turf and his personal habits are placed before us in a light and always entertaining fashion The author proves the value of suggestion since these touches and hints these notes of dress or diet or stories of social adventure which the graver historian might condemn are apt to stick in the memory of less serious mortals because they illustrate habits and an attitude which are the outward expression of character Better than state papers or set addresses are the vivid details of a book like this if we would acquaint ourselves with the personality of England s King As to one point assuredly there has never been any doubt and that is the reverence shown through life by the son to the mother whose wonderful reign has closed amid a sorrow that has known little distinction of race or creed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Edward VII** Christopher Hibbert, 2024-09-04 A riveting biography that vividly captures the life and times of the last Victorian king To his mother Queen Victoria he was poor Bertie to his wife he was my dear little man while the President of France called him a great English king and the German Kaiser condemned him as an old peacock King Edward VII was all these things and more as Hibbert reveals in this
