Unsolved Murders In and Around Derbyshire Scott Lomax, 2009-10-15 There is no such thing as the perfect crime Yet within these pages are thirteen twentieth century murders whose perpetrators have so far escaped justice Some may still be alive cold cases awaiting new forensic leads but others have taken their chilling secrets to the grave Read about the strange theatrical vagrant found brutally murdered in a brick works Also about the unfortunate girl strangled to death in a derelict building at Christmas a taxi driver killed by his passenger on a lonely road a police officer's girl friend who was sexually assaulted and murdered on moorland the dreadful killing of a servant girl two men shot dead on a quiet highway the discovery of mysterious and suspicious skeletal remains and not least the callous murderers who allowed innocent men to be stand trial Famous modern cases are also explored based on new research The Barbara Mayo murder is still in the memory of many Derbyshire people as is the Stephen Downing miscarriage of justice A compelling read for anyone interested in true crime *Unsolved London Murders* Jonathan Oates, 2009-03-19 The real life murder mysteries that rocked London between two world wars from the author of *Unsolved Murders of Victorian and Edwardian London* Unsolved crimes have a special fascination none more so than unsolved murders The shock of the crime itself and the mystery surrounding it the fear generated by the awareness a killer on the loose the insight the cases give into outdated police methods and the chance to speculate about the identity of the killer after so many years have passed all these aspects of unsolved murder cases make them compelling reading In this companion volume to his bestselling *Unsolved Murders of Victorian and Edwardian London* Jonathan Oates has selected over twenty haunting sometimes shocking cases from the period between the two world wars

Included are the shooting of PC James Kelly in Gunnersbury violent deaths associated with Irish Republican Army conspiracies the stabbing of the French acrobat Martial Lechevalier in Piccadilly the strychnine poisoning of egg seller Kusel Behr the killing by arsenic of three members of a Croydon family and perhaps most gruesome of all the case of the unidentified body parts found at Waterloo Station Jonathan Oates describes each of these crimes in precise forensic detail His case studies shed light on the lives of the victims and summon up the ruthless sometimes lethal character of London itself

Unsolved Murders in South Yorkshire Scott Lomax, 2013-05-02 Whilst the passage of time can and has uncovered many secrets killers could get away with their crimes in 1596 when Shakespeare penned these words and this is certainly the case in more recent times as Unsolved Murders in South Yorkshire clearly demonstrate The early chapters include cases of historic interest where killers certainly went to the grave in the knowledge they had got away with murder Cases include suspicious deaths which left detectives in South Yorkshire baffled but which were it would seem acts of callous murder which were not recognised as such due to dubious police opinions and practices There are also cases of clear murder such as a man shot in the head during the Victorian period whose killer was never identified The later chapters however feature more recent cold cases where there is still the possibility that the wicked men or women who were responsible for such acts of inhumanity may remain within our society Cases include a man murdered for less than 70 in a city centre multi storey car park a teenage girl abducted sexually assaulted and left dead on a dung hill a young mother who entered prostitution and died at the hands of a man with more than sex on his mind a pregnant woman who left home one day to go shopping but was found days later dead in a ditch with her throat cut and a disabled woman who was strangled in her home which was then set ablaze For some of these cases there is the chance that someone has information which despite the passage of decades could lead to one or more individuals standing trial for murder Justice can still prevail Sick of Shadows M. C.
