

EEOC: THE REAL DEAL

(EQUAL EMPLOYMENT OPPORTUNITY COMMISSION)

DO THEY REALLY SUPPORT TITLE VII OF
THE 1964 CIVIL RIGHTS ACT?

HOLD YOUR NOSE AND DISCOVER:

1. *The author has found them to be "players of low integrity" who permitted an agency to unilaterally alter complaints and misrepresent issues to appear as the "folly of fools."*

2. *He also believes they assisted others, Department of Justice, DOJ, for example, and the District Federal/Appellate Courts in avoiding agency liability for process violations of Title VII, 1964 Civil Rights Act-learn? The complete story in exquisite detail is shared for your edification.*

3. *Another conclusion of the author holds: They appear to have assisted the U.S. Supreme Court to not rule on the merits of issues, thus denying justice by trial under Title VII!*

4. *It would appear that they are among the entities who took no action, looked the other way, on a gripping report involving actions of "hit men" attempting to terminate the author's life- was the Government involved? See chapter 3—Why? Who else?*

Eeoc The Real Deal Equal Employment Opportunity Commission:

Eeoc: the Real Deal Phillip M. Duse, 2002-05-22 The public will learn the Real Deal about the EEOC particularly the legal tricks and maneuvers employed in its application of supposed remedial remedies under Title VII of the 1964 Civil Rights Act EEOC remedies that in reality ensure virtually all complainants lose The author describes the process by analysis of three merit based complaints from inception in a top secret Department of Defense environment to a local Defense Logistics Agency EEO office then through Federal district and appeal courts to culmination of the complaints in a writ to the Supreme Court The book explains why the vast majority of Title VII citizen complaints as proven by statistical results alone reflect a reality that complaints referred to the EEOC seldom receive the justice presumed available under the act This book also provides a solution to end this unique Indian Treaty type justice Plus note the exciting third chapter it captures the event of Hit Men attempting to end the author's life Is the Government involved Why These questions are yet to be answered The public has an undeniable right to the truth

Duse, 2005-06-06 Book Summary This book contains a collection of short stories on life events encountered by the author and members of his immediate family fictionalized for presentation to a broader audience It also includes a heads up on Three Hand Pinochle a card game for the masses defined as having two levels of players Level 1 social players and Level 2 players registered as competent to play the game in competitive financial events for example casinos cruise ships etc under rules explained by the author Phil Duse Rules which make the game truly challenging and unforgiving of players who for whatever

excuse fail to follow the rules Such infractions are defined and qualified as reneges or Opps which either result in a loss of Melt or both a loss of melt and reduction in score equal to the bid

(2004: Phil Duse Versus The Tyranny Of Dod/doj) And Its Intelligence And Investigative Agencies Phillip M. Duse, 2004-07 This book is directed towards all law abiding people of the western world particularly teachers and students It shares the horrific experiences of its author who has been forced to deal with U S government investigative and intelligence entities as they perpetrated an amalgamation of ruses in an attempt to harm him personally for initiation of EEO complaints and for the filing of a civil suit exposing the perpetrators as is his constitutional right The civil suit went all the way to the Supreme Court by Writ of Certiorari see EEOC The Real Deal Case No 00 1437 CA 99 1400 A And ruses initiated by government perpetrator are appropriately qualified in this book as being the end result of dolt logic and mental masturbators pursuing old south habits from the yesteryears The activity in this regard is defined in its salacious detail in this book so as to better expose the bottom line of how ruses are initiated and who is engaged to assist the perpetrators in their propagation The book also shares a chilling event involving Hit Men in addition to ruses that caused innocent unwitting third parties to view the author in the most negative light that a ruse concoction can muster in the government s attempt to get this black guy The story also covers actions that law abiding innocents can undertake to expose those propagating ruses and how to arrange their activities so as to best mitigate government attempts to entrap you in a ruse of no merit in Air Ports Class Rooms Restaurants Parking lots Elevators Officer Clubs etc The proper response to government ruse perpetrators operating under a false color of authority is KMA Kiss the part of my anatomy where no sun can shine the polite response In that the author is an unwitting victim of the perfidy of government in this regard he takes on the biblical persona of David to represent the people s interest in a people s battle against the Goliath of Government who ignore the protections promised by the fourth and fourteenth amendments in order to achieve their hidden agendas of no lawful merit thus no constitutional authority All law abiding citizens have an interest in this battle if they want to ensure the protections of their constitutional and civil rights are not abridged by unwarranted acts of government against unwitting innocent citizens
