Rudolph, Hannes Zacher, Susanne Scheibe, 2018-01-16 Shifts in the age composition of the workforce coupled with dynamic definitions of retirement represent important issues that influence work processes and more generally the experience of working across one's career For example redefinitions of careers and the changing nature of working have contributed to the emergence of distinct forms and patterns of work experiences across the prototypical work lifespan Likewise older individuals are increasingly delaying retirement in favor of longer term labor force participation The study of age and work and work and retirement by industrial work and organizational IWO psychologists and scholars of human resources management and organizational behavior HR OB has recently proliferated in part as a result of such trends along with the recognition that age related processes are important indicators of various proximal e.g. job attitudes work behaviors work motives and wellbeing and distal outcomes e.g. sustainable employability climates for aging and firm performance at various levels of abstraction in modern work environments Recent theoretical advances have suggested that age along with individual psychological factors and various contextual influences can jointly influence work outcomes that contribute to long term employment success including work performance job attitudes work orientations and motivations Similar theoretical developments concerning retirement have postulated individual and contextual elements that drive success in the transition from career and work roles to non work and leisure as well as post retirement bridge employment roles In this Research Topic we aim to curate a collection of papers that are representative of current trends and advances in thinking about and investigating the role of age in workplace processes and the changing nature of retirement Our hope is to showcase various contemporary ideas and rigorous empirical studies as a means to inform broader thinking

and to support enhanced theorizing and organizational practice regarding these processes      **Complete Guide to Human Resources and the Law, 2023 Edition (IL)** Shilling,2022      *Complete Guide to Human Resources and the Law, 2017 Edition* Shilling,2016-10-21 The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues You ll know what to do and what not to do to avoid costly mistakes or oversights confront HR problems legally and effectively and understand the rules The Complete Guide to Human Resources and the Law offers fast dependable plain English legal guidance for HR related situations from ADA accommodation diversity training and privacy issues to hiring and termination employee benefit plans compensation and recordkeeping It brings you the most up to date information as well as practical tips and checklists in a well organized easy to use resource The 2017 Edition provides new and expanded coverage of issues such as The Supreme Court held in March 2016 that to prove damages in an Fair LaborStandards Act FLSA donning doffing class action an expert witness testimony could be admitted Tyson Foods Inc v Bouaphakeo 136 S Ct 1036 2016 Executive Order 13706 signed on Labor Day 2015 takes effect in 2017 It requires federal contractors to allow employees to accrue at least one hour of paid sick leave for every 30 hours they work and unused sick leave can be carried over from year to year Mid 2016 DOL regulations make millions more white collar employees eligible for overtime pay by greatly increasing the salary threshold for the white collar exemption Updates on the PATH Act Protecting Americans From Tax Hikes Pub L No 114 113 The DOL published the fiduciary rule in final form in April 2016 with full compliance scheduled for January 1 2018 The rule makes it clear that brokers who are paid to offer guidance on retirement accounts and Individual Retirement Arrangements IRAs are fiduciaries In early 2016 the Equal Employment Opportunity Commission EEOC announced it would allow charging parties to request copies of the employer s position statement in response to the charge The Supreme Court ruled that in constructive discharge timing requirements run from the date the employee gives notice of his or her resignation not the effective date of the resignation Certiorari was granted to determine if the Federal Arbitration Act FAA preempts consideration of severing provisions for unconscionability      [Complete Guide to Human Resources and the Law, 2021 Edition](#) Dana Shilling,2020-08-05 The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues You ll know what to do and what not to do to avoid costly mistakes or oversights confront HR problems legally and effectively and understand the rules The Complete Guide to Human Resources and the Law offers fast dependable plain English legal guidance for HR related situations from ADA accommodation diversity training and privacy issues to hiring and termination employee benefit plans compensation and recordkeeping It brings you the most up to date information as well as practical tips and checklists in a well organized easy to use resource      **Complete Guide to Human Resources and the Law, 2020 Edition** Shilling,2019-08-23 The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues You ll know what to do and what not to do to avoid costly mistakes or oversights confront HR problems legally and effectively and
