and Reducing Prison Violence Benjamin Steiner,John Wooldredge,2019-12-06 Understanding and Reducing Prison
Violence considers both the individual and prison characteristics associated with violence perpetration and violent
victimization among both prison inmates and staff Prison violence is not a random process rates of violence vary across
prisons and the odds of perpetrating violence or experiencing violent victimization vary across inmates and staff A
comprehensive understanding of the causes of prison violence therefore requires consideration of both individual and prison
characteristics Building on large dataset comprising 5 500 inmates and 1 800 officers across 45 prisons located across two of
the United States Ohio and Kentucky this book showcases one of the largest and most comprehensive studies of prisons
carried out to date It considers both the implications of the study for theories of prison violence and the implications of the
study for preventing violence in prisons It will be of interest to academics practitioners and policy makers alike **The**
