service Christianity This has resulted in Christians who have a multitude of seemingly unsolvable problems We wrote this book to provide biblical answers for the common personal problems in today s confused and valueless culture The Bible has eternal values sure direction and answers at least in principle to every nonmedical problem that people experience Our book identifies the thirty five most common problems categorized under seven biblical root causes bitterness fornication materialism rejection lying imagination and doubt The chapters on addiction cruel men suffering and grief and depression are separate because of their length but each falls under one of the root causes Family problems are listed in three separate chapters because they each may be a result of several root causes There are enough suggested solutions to each problem that by using the appropriate solution the counselor can help the counselee find God s solution to the problem no matter what the situation Back cover
