Competently Lee A. Underwood, Frances L.L. Dailey, 2016-03-31 *Counseling Adolescents Competently* is a comprehensive text for students and professionals compiling foundational and emerging skills in the counseling field. Authors Lee A. Underwood Ph.D. and Frances L.L. Dailey Ph.D. review extensive interventions ranging from assessment to diagnosis as well as fresh perspectives on working with this often challenging group. Employing clinical case scenarios and profiles that demonstrate key issues, this book helps the counselor in training to understand the relevant theories and research around adolescents to better engage in culturally relevant interventions and treatment planning. **Key Features:** Unlike most literature related to behavioral health services for adolescents, this text is crafted specifically for the profession of counseling yet is applicable for all behavioral health providers. Case scenarios address critical issues impacting today's adolescents, including their characteristics, technology issues, diagnoses, and typologies, special needs, and interventions involving treatment planning. Themes that are commonly faced by teens, including trauma, grief, loss, emotional issues, sexual development, and peers, are covered. A diverse range of adolescents from both urban and non-urban settings are examined. This book addresses a broad audience that includes students in behavioral health training, counseling, and school programs, the practicing provider, and administrative, clinical supervisors, and educators. *Counseling and Psychotherapy with Children and Adolescents* H.

Thompson Prout, Douglas T. Brown, 2007-04-27 Covering all the major approaches to counseling children and adolescents, including psychodynamic, Adlerian, person-centered, cognitive-behavioral, rational-emotive, reality therapy, solution-focused, and family systems. *Counseling and Psychotherapy with Children and Adolescents*, Fourth Edition, equips you to become familiar with the latest thinking and practice in counseling and psychotherapeutic interventions with children and adolescents.

Handbook of Counseling Boys and Adolescent Males Arthur M. Horne, Mark S. Kiselica, 1999-08-09 This comprehensive practical resource provides specific strategies for counsellors working with boys and male adolescents from different cultural backgrounds. The first part examines how psychological, career, and athletic development of boys is shaped by a complex interaction of biological, social, cultural, and economic forces. The second part covers cultural considerations when counselling particular North American client groups, such as Hispanic Americans. The final part focuses on special populations, such as gay, sexually abused, and developmentally disabled boys. *Handbook on Counseling Youth* John

McDowell, Bob Hostetler, 1996-06-09 Thoroughly researched, this easy-to-use handbook is designed to help parents, teachers, pastors, and youth workers guide today's young people through the minefields of adolescence.
