Strategic Alliances in a Globalizing World T. K. Das,2011-04-01 Strategic Alliances in a Globalizing World contains contributions by leading scholars in the field of strategic alliance research The 11 chapters in this volume cover a number of significant topics that speak to the growing role of strategic alliances in a globalizing business world The chapter topics cover both the broader issues such as the creation of competitive advantage and expanding into institutionally different countries and the more focused problems of alliance formation contractual governance governance structure choice the development of alliance capability the containment of opportunism relationship management sensemaking and the intersection of culture and legitimacy The chapters include empirical as well as

conceptual treatments of the selected topics and collectively present a wide ranging review of the noteworthy areas of alliance research in the globalization context Corporate Governance of Non-Listed Companies Joseph A. McCahery, Erik P.M. Vermeulen, 2010-09-30 Closely held companies those with the potential to go public family firms partnerships and private equity have particular governance problems This book examines what constitutes good governance in these companies how control is gained and how the closely held firm can stimulate growth and extend innovation International Joint Venture Performance in South East Asia Craig C. Julian, 2005-01-01 This is a welcome addition to the body of work on IJV performance The emphasis on marketing and on S E Asia is particularly timely Paul Beamish University of Western Ontario Canada Craig Julian argues that the International Joint Venture IJV phenomena represents two opposing trends On the one hand an analysis of the number of new IJVs reveals that they are becoming increasingly popular as a mode of overseas market entry and expansion On the other hand however the significance of a robust growth trend is overshadowed by the incidence of high failure The book examines the factors influencing the marketing performance of IJVs in South East Asia including market characteristics conflict commitment product characteristics marketing orientation control trust partner s contributions and partner s needs *Handbook of Strategic Alliances* Oded Shenkar, Jeffrey J. Reuer, 2006 Covers research on strategic alliances and serves to lay out a research agenda on collaborative strategy and alliance management This book covers the theoretical foundations that guide work on inter firm collaboration ranging from sociological perspectives to real options theory to diverse traditions within organizational economics **International Commercial Agreements and Electronic Commerce** William F. Fox, 2018-03-26 Although negotiation still lies at the heart of international commercial agreements much of the detail has migrated to the Internet and has become part of electronic commerce This incomparable one volume work now in its sixth edition with its deeply informed emphasis on both the face to face and electronic components of setting up and performing an international commercial agreement stands alone among contract drafting guides and has proven its enduring worth Following its established highly practical format the book s much appreciated precise information on a wide variety of issues including those pertaining to intellectual property alternative dispute resolution and regional differences is of course still here in this new edition There is new and updated material on such matters as the following the need for contract drafters to understand and to use the concepts of standardization i e the work of the International Organization for Standardization ISO as a contract drafting tool new developments and technical progress in e commerce new developments in artificial intelligence in contract drafting the possible use of electronic currencies such as Bitcoin as a payment device foreign direct investment special considerations inherent in drafting licensing agreements online dispute resolution including the innovations referred to as the robot arbitrator changes in the arbitration rules of major international organizations and assessment of possible future trends in international commercial arrangements Each chapter provides numerous references to additional sources including a large number of websites Materials from and

citations to appropriate literature in languages other than English are also included In its recognition that a business executive entering into an international commercial transaction is mainly interested in drafting an agreement that satisfies all of the parties and that will be performed as promised this superb guide will immeasurably assist any lawyer or business executive to plan and carry out individual transactions even when that person is not interested in a full blown understanding of the entire landscape of international contracts Business executives who are not lawyers will find that this book gives them the understanding and perspective necessary to work effectively with the legal experts **Strategic Alliance**
