ministry as a messenger of the gospel amid suffering and hardship Apostle Paul admonished Timothy unto faithfulness in ministry personal cultivation commitment to the goal submission to spiritual authority and self watch as an antidote to apostasy and moral bankruptcy The author shows that Timothy s unrelenting faithfulness in the worst kinds of trials leader of a church infiltrated by false teachers church members looking down on him because of his youth frequent stomach ailments and so on is a remarkable example to every contemporary worker in the vineyard of God In the end the fruit of his labours the growth overflow and partnership of the churches in Macedonia defines the faithful minister worker he became As you read on may the Lord stir in you the urge to be a good tree that will bear good and lasting fruit for His glory *Foreign*

the strategic role the Cabinet Office plays in delivering government policy The report goes on to consider the approach taken to changes to the machinery of government and the change in the role and function of the Lord Chancellor which took place during Tony Blair s time as Prime Minister The Committee states that the process of change involved wholly inadequate consultation both within government and with the senior judiciary and further states that there was no justification for failure to consult on these important reforms The Committee recommends that in future the Cabinet Office should play a formal role in investigating any machinery of government changes particularly those with constitutional implications **Hearings**
