Iconography and Symbolism in Theban Coffin Decoration (21st Dynasty) Rogério Sousa, 2018-03-15 Egyptian coffin decoration is a complex and multidimensional phenomenon with its own history and evolution Yellow coffins were crafted in Thebes during a particular critical period in the Egyptian History witnessing to a situation of political unrest and severe economic scarcity affecting Egypt the Near East and the Mediterranean And yet there is no evidence for a decline in the production of these outstanding funerary artefacts On the contrary the corpus of yellow coffins outnumbers the previous types of Egyptian anthropoid containers and stands out among the most complex and sophisticated objects ever crafted in the Ancient World Besides this historical paradox the yellow corpus presents important epistemological challenges for our understanding of Egyptian material culture what kind of space is created within the walls and forms of an anthropoid coffin What role plays variability and change in this process Last but not the least can we understand the meaning behind the multiple shapes and endless variations adopted in coffin decoration during this period This book addresses these questions presenting the results of a comparative study on coffin decoration involving an extensive sample of objects from the yellow corpus dispersed in museums around the world The results of this study reveal the principles of composition that ruled the work of the ancient Theban craftsmen and show how important coffin decoration was for the Theban priesthood of Amun to convey their own corporative values Sex and Gender in Ancient Egypt Carolyn Graves-Brown, 2008-12-31 This volume offers new research on an essential but often controversial aspect of life in Dynastic Egypt Its originality lies in combining research which uses Egyptology s traditional strengths philological and iconographic with reflections on material culture and on the discipline of Egyptology itself The authors are internationally recognized authorities in their fields **Egyptian Mummies, A Very Peculiar History** Jim Pipe, 2012-01-12 You can t take it with you or can you Discover the grisly process

of mummification from embalming and stuffing the corpse to preparing a home for eternity This title explores the quirky side of a journey to the afterlife looking at the myth and the science surrounding Ancient Egyptian burial practices and the lives of the Gods that inspired them Full of fascinating lists creepy stories and bizarre trivia this title is sure to educate as well as entertain and it includes fact boxes a full glossary and a map of Ancient Egypt Gold guts and gods what a way to go
