Pyramid Quest Robert M. Schoch, Robert Aquinas McNally, 2005-06-02 The Egyptologist acclaimed for re dating the Great Sphinx at Giza sets his sights on one of the true mysteries of antiquity the Great Pyramid of Giza What is the Great Pyramid of Giza Ask that basic question of a traditional Egyptologist and you get the basic traditional answer a fancy tombstone for a self important pharaoh of the Old Kingdom This Egyptologists argue is the sole finding based on the data and the only deduction supported by science By implication anyone who dissents from this point of view is unscientific and woolly minded a believer in magic and ghosts Indeed some of the unconventional ideas about the Great Pyramid do have a spectacularly fabulous ring to them Yet from beneath the obvious terms of this controversy a deeper more significant question arises how is it that the Great Pyramid exercises such a gripping hold on the human psyche adding cryptic grace to the back of the one dollar bill and framing myriad claims of New Age pyramid power In *Pyramid Quest* Robert M Schoch and Robert Aquinas McNally use the rigorous intellectual analysis of scientific inquiry to investigate what we know about the Great Pyramid and develop a stunning hypothesis This ancient monument is the strongest proof yet that civilization began thousands of years earlier than is generally thought extending far back into a little known time In tracing that story we come to understand not only the Great Pyramid but also our own origins as civilized beings

Fideler,1993-10-01 The early Christian Gnosis did not spring up in isolation but drew upon earlier sources In this book many of these sources are revealed for the first time Special emphasis is placed on the Hellenistic doctrine of the Solar Logos and the early Christian symbolism which depicted Christ as the Spiritual Sun the illumination source of order harmony and spiritual insight Based on 15 years of research this is a unique book which throws a penetrating light on the secret traditions of early Christianity It clearly demonstrates that number is at the heart of being Jesus Christ Sun of God illustrates how the Christian symbolism of the Spiritual Sun is derived from numerical symbolism of the ancient divinities **The Living**

Church ,1981-07 **The Psyche as Interaction: Electromagnetic Patterns of Conscious Energy** Manya J.

Long,2014-06-13 The Psyche as Interaction begins as a journey to explain one person s paranormal experiences Manya Long looks closely at the fields of mathematics physics psychology music religion neurophysiology and parapsychology Along the way she finds many things connecting each of these fields together Her intention when she began was merely to answer questions about her own unique experiences However she quickly realized what she was looking at had the potential to change the way we all view the world This book explains her journey findings and the conclusions she came to **When The Drummers Were Women: A Spiritual History of Rhythm** Layne Redmond,2021-08-05 For millennia the sacred drummers of pre Christian Mediterranean and western Asia were women In this inspiring book Layne Redmond herself a renowned drummer tells their history Artistic representations reveal that female frame drummers carried the spiritual traditions of many of the earliest recorded civilizations During those ancient times the drummer priestesses held the keys to experience of the divine through rhythm They were at the center of the goddess worship of matriarchal societies until the ascendance of patriarchal cultures and the loss of drumming as a spiritual technology With wisdom and passion Redmond chronicles our species deep connection to the drum our rich heritage of inseparable spirituality and music and the modern day women reclaiming it This book encourages readers both women and men to reestablish rhythmic links with themselves nature and other people through the power of drumming Redmond illustrates her message with an extensive collection of images gathered during ten years of research and travel Woven throughout the book are strands of ancient ritual and mythology personal stories and scientific evidence of the benefits of drumming It is at once a history a memoir and a resounding call for spiritual and social renewal **Myth and Mystery** Jack Finegan,1997-09 Clever insights are a distinguishing mark of this excellent concise overview of ancient religions that existed during the formative years of Judaism and Christianity **Myth & Mystery** Jack Finegan,1989 Prolific author Jack Finegan has written a fascinating and useful survey of the ancient religions practiced alongside Judaism and Christianity in their formative stages Copyright Libri GmbH All rights reserved **Looking In, Seeing Out** Minas C. Kafatos,1991-10-01 Most books on science and mysticism attempt to link modern physics to philosophic views of consciousness This book explores the two as parallel processes one outer one inner Our outward search is for objective reality out there in the world But what we experience as outer is linked to what we can know in ourselves subjectively The inward search is for that level of consciousness that underlies all subjective experience spoken of by the mystics Like other recent others Drs Kafatos and Karatou find parallels between Eastern thought and recent scientific developments in quantum theory and cosmology But they go farther and hold that the realms of consciousness and the objective world are complementary aspect of the same reality Their approach is fresh and unique and shows how we are involved in the cosmic process
