Demastes, 2000-01-01 Applause is proud to continue the series that for over 70 years has been the standard of excellence for one act plays in America As previous series editor Ramon Delgado wrote in his introduction to The Best American Short Plays of 1989 the choice of entries for each edition has been based on the same goal to include a balance among three categories of playwrights 1 established playwrights who continue to practice the art and craft of the short play 2 emerging playwrights whose record of productions indicate both initial achievement and continuing artistic productivity and 3 talented new playwrights whose work may not have had much exposure but evidences promise for the future From its inception The Best American Short Plays has identified new cutting

edge playwrights who have gone on to establish award winning careers including Tennessee Williams Edward Albee Wendy Wasserstein David Mamet and Horton Foote This volume Bill Demastes first edition as series editor illustrates how well the short story play can grapple with the many dimensions of love The selected plays present unique perspectives on the wide range of love s impact on our lives each giving a thoroughly modern twist to the idea that life would be so much easier but also much less interesting if we could only avoid love s mercurial influence *The British National Bibliography* Arthur James Wells,2004 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 Global Chicago Charles Madigan,2004 Once known for gangsters and meatpacking Chicago was virtually synonymous with the rough and tumble side of the industrial era Today however Chicago has outgrown even national prominence to become a truly global city one of the most famous and most important in the world Global Chicago is the first book to describe Chicago s transformation from industrial powerhouse to global metropolis It will change the way both Chicagoans and the rest of the world view the city Chicago has a long history of adaptation Having gone from a swampy trading post to a major industrial center Chicago also rebuilt itself in the wake of a devastating fire to become one of the world s great architectural showcases While many former industrial centers became mere shadows of themselves Chicago succeeded by transformed itself again The Chicago of today is a hub for corporate headquarters like those of Motorola Boeing and United Airlines It is a transportation and information crossroads with the busiest airport in North America as well as the most internet traffic With over 120 foreign language newspapers it is also home to vast and vibrant immigrant communities a focus of global services and a center for global law and medicine Essay authors include professors from top institutions veteran journalists experts on labor and government and the presidents of the Council on Foreign Relations and the Federal Reserve Bank of Chicago By drawing on the expertise of the city s leading players Global Chicago offers unique insights into the city s global assets and its economic social intellectual and cultural links to the world as seen from an insider s perspective Their essays probe deeply into the financial and governmental infrastructure crucial for success by reflecting on specific lessons to be learned from the example of worldwide Chicago businesses Amidst the ruthless international competition that characterizes globalization Chicago makes decisions today that will affect both its success and character for the coming century Global Chicago serves simultaneously as a catalog of achievements that would make anyone proud to call the city home and a timely counsel for ensuring its future as a world leader **Insiders' Guide® to Nashville, 8th** Jackie Sheckler Finch,2011-04-12 Your Travel Destination Your Home Your Home To Be Nashville Savor down home Southern food and hospitality See antebellum mansions and lush flowering gardens Feel the beat of the Music City The Athens of the South A personal practical perspective for travelers and residents alike Comprehensive listings of attractions restaurants hotels and music venues How to live thrive in the area from recreation to relocation Countless details on shopping arts entertainment and children s activities **Visions of Heaven** Roberts Liardon,2012-11-20 Got Heaven Ever wonder what Heaven is really like Leave the paperwork the dinner dishes and
