The Fabulist Play Cycle: A radio play collection Hugh A. D. Spencer, 2023-11-24 For the first time in print Spencer s radio plays **Amazing Struggles** **Astonishing Failures** and **Disappointing Success** together with the follow up four part audio drama **Cult Stories** tell the tales of disillusioned science fiction writers over the course of the mid 20th century

AMAZING STRUGGLES In the Golden Age of science fiction a group of aspiring young authors the Fabulists is ready to wow the world with tales of interplanetary heroism and technological supremacy

ASTONISHING FAILURES Unfortunately their dreams of fame and fortune are consistently dashed by the dastardly rejections of the compulsively conservative and out of touch editor of **Tremendous Stories of Super Science**

DISAPPOINTING SUCCESS PARTS I II While some of the Fabulists see middling success as teachers and television writers another becomes a science fiction mega star whose writing and the author s own pathology spawns a cult religion with wild ideas that may be a bit less bogus than his short stories

CULT STORIES And like an artistic pandemic some forms of science fiction can get very ugly Only extreme measures will save us

Virtually every line is written to amuse and amaze yet it s bang on accurate in its overall account of the actuality of the decade A lot of thought went into noting the humour inherent in the activities and pretensions of First Fandom

Amazing Stories A delightfully cracked and deeply savvy romp through the history of science fiction and perforce our world all told through two quartets of scripts for radio plays You ll meet real people thinly veiled characters and even fully dressed folk you never heard of in this mind s ear theater that could have appeared in *Mad Magazine* What me worry No but I d love to hear these scripts enacted in a podcast
