Reshaping True Crime Stories from the Global Margins Francesca Borrione, Heather J. Macpherson, 2024-12-03
Reshaping True Crime Stories from the Global Margins Voicing the Less Dead uses criminal cases news stories and media analysis from around the globe to reflect upon the thousands and thousands of missing and murdered individuals from marginalized communities Contributors ask readers to consider How do we see these human beings compared to others and how are they viewed by law enforcement and government officials These vulnerable populations are often rendered invisible so how do the media decide what story is told to the public and which one is neglected Drawing on Steven Egger s concept of the less dead this collection provides an interdisciplinary global perspective on how vulnerable groups are erased and demonstrates ways their stories can be made visible **Herodotus, the Seventh, Eighth, & Ninth Books: pt. I.**

Introduction. Book VII. (text and commentaries) Herodotus, Reginald Walter Macan, 1908 *Sex, Sexuality, Law, and (In)justice* Henry Fradella, Jennifer Sumner, 2016-02-26 Sex Sexuality Law and In Justice covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law

Tracking the Weretiger Patrick Newman,2012-09-26 Drawing on dramatic accounts by European colonials and on detailed studies by folklorists and anthropologists this work explores intriguing age old Asian beliefs and claims that man eating tigers and little tigers or leopards alike were in various ways supernatural It is a serious work based on extensive research written in a lively style Fundamental to the book is the evocation of a long vanished world When a man eater struck in colonial times people typically said it was a demon sent by a deity or even the deity itself in animal form punishing transgressors and being guided by its victims angry spirits Colonials typically dismissed this as superstitious nonsense but given traditional ideas about the close links between people tigers and the spirit world it is quite understandable Other man eaters were said to be shapeshifting black magicians The result is a rich fund of tales from India and the Malay world in particular and while some people undoubtedly believed them others took advantage of man eaters to persecute minorities as the supposed true culprits The book explores the prejudices behind these witch hunts and also considers Asian weretiger and wereleopard lore in a wider context finding common features with the more familiar werewolves of medieval Europe in particular

Guideline Sentencing ,1992 *Backpacker Murderer: Ivan Milat* Pamela Lillian Valemont,2015-08-25 When the bodies of seven young people aged 19 to 22 were discovered partly buried in the Belanglo State Forest 15 kilometres 9 3 miles south west of the New South Wales town of Berrima it engendered fear among citizens and foreigners alike Five of the victims were international backpackers visiting Australia three German two British and two were Australian travellers from Melbourne A man local to the area Ivan Milat was convicted of the murders and is serving seven consecutive life sentences plus 18 years which effectively guarantees he will never be released back into the community His great nephew Matthew Milat who idolized his great uncle at the age of 17 murdered his school mate of the same age in the same forest by monstrously beheading him and is serving 43 years behind bars the longest sentence ever handed down to a juvenile in Australia This is the forensic numerological criminal profile of the Milats two of the worst killers Australia has ever seen

Knowing Victims Rebecca Stringer,2014-06-20 Knowing Victims explores the theme of victimhood in contemporary feminism and politics It focuses on popular and scholarly constructions of feminism as victim feminism an ideology of passive victimhood that denies women s agency and provides the first comprehensive analysis of the

debate about this ideology which has unfolded among feminists since the 1980s The book critically examines a movement away from the language of victimhood across a wide array of discourses and the neoliberal replacement of the concept of structural oppression with the concept of personal responsibility In derogating the notion of victim neoliberalism promotes a conception of victimization as subjective rather than social a state of mind rather than a worldly situation Drawing upon Nietzsche Lyotard rape crisis feminism and feminist philosophy Stringer situates feminist politicizations of rape interpersonal violence economic inequality and welfare reform as key sites of resistance to the victim blaming logic of neoliberalism She suggests that although recent feminist critiques of victim feminism have critically diagnosed the anti victim movement they have not positively defended victim politics Stringer argues that a conception of the victim as an agentic bearer of knowledge and an understanding of resentment as a generative force for social change provides a potent counter to the negative construction of victimhood characteristic of the neoliberal era This accessible and insightful analysis of feminism neoliberalism and the social construction of victimhood will be of great interest to researchers and students in the disciplines of gender and women s studies psychology sociology politics and philosophy *Plays* Marguerite Yourcenar,1984 *Reinterpretations of classical myths and a fairy tale* *Silas the Conjurer* James Greenwood,1866 Bullying, Peer Harassment, and Victimization in the Schools Joseph Zins,Maurice Elias,2013-04-15 Bullying and harassment threaten academic achievement and mental health in our schools Look beyond your work with individual students to address these problems in their larger context This book presents enlightening empirical studies and reviews of the literature on peer harassment bullying and victimization Designed to expand our knowledge and understanding of these topics Bullying Peer Harassment and Victimization in the Schools The Next Generation of Prevention documents the widespread nature of the phenomena both inside and outside the United States identifies risk and protective factors and provides practitioners with specific evidence based guidelines for effective preventive action From the editors The problem of bullying peer harassment and victimization is a serious one in our schools It greatly affects the climate for learning and productivity and the emotional health of students and staff This book presents empirical data and theoretical and legal case reviews to show how pervasive and serious these problems are and how they threaten both academic achievement and mental health within many of our schools Taking a longitudinal and developmental perspective the authors begin to outline the next generation of research in this field that will shape knowledge and practice for the next few decades For practitioners the book is a call to action particularly at the school wide level focusing on reducing the substantial social emotional harm done to perpetrators bystanders and especially victims Bullying Peer Harassment and Victimization in the Schools provides vital information on what mental health professionals can do to prevent and respond to sexual harassment in schools the relationship between middle school adjustment and bullying aggressive behavior and friendship patterns in immigrant children school based intervention strategies the relationship between the cultures of childhood and sexual harassmentfrom developmental

domestic violence and legal perspectives risk factors and protective factors affecting victimization and more It has been estimated that bullying affects more than half of the students in American schools This book can add significantly to your ability to combat and prevent this pervasive problem Use it to improve the quality of education received by students in your community *North Carolina Reports* North Carolina. Supreme Court,1983 Cases argued and determined in the Supreme Court of North Carolina

Resources in Education ,1984 *The Twelve Murders of Christmas* Jane Bennett Munro,2020-09-22 Pathologist Toni Day and her husband Hal are mystified when she starts receiving grisly Christmas cards depicting murders each accompanied by a twisted verse from The Twelve Days of Christmas and she and her partners are suddenly inundated with autopsies on the corresponding bodies The victims are members of a jury that convicted Toni s old boyfriend Robbie of kidnapping and sent him to prison Robbie is now out on parole and is presumably systematically killing off the jury that put him there but the true identity of the Jury Killer becomes unclear when another parolee a pretty female police detective and a newspaper reporter with an icepick get involved To complicate matters further Toni s parents are visiting for Christmas Toni teams up with her stepfather Nigel a retired Scotland Yard chief inspector to interpret clues and assist the police in a race against time to catch the killer or killers before they wipe out the entire jury and then come after Toni and Hal

Bullying Behavior Corinna Young,Marti T Loring,2013-10-18 These timely intervention strategies make your school safer for everyone Bullying Behavior Current Issues Research and Interventions provides the most up to date reports on the dynamics of bullying including who bullies and why who the victims are and how depression and anxiety are correlated with bullying It also presents detailed case studies of successful anti bullying strategies for both local schools and national campaigns Drawing on national and international clinical research this book is indispensable for teachers and school administrators therapists and child psychologists social workers child advocates and counselors court personnel probation officers and education policymakers Bullying Behavior addresses all the issues of bullying including preventing sexual harassment models of bully and victim behavior the roles of dominance and bullying in the development of early heterosexual relationships psychosocial correlates in bullying and victimization peer influences during early adolescence students who are passive observers to the victimization of others *The Court of the Tuileries* Lady Catherine Hannah Charlotte Elliott Jackson,1883

[The Death Penalty](#) Scott Vollum,Rolando V. del Carmen,Durant Frantzen,Claudia San Miguel,Kelly Cheeseman,2014-05-16 The Death Penalty Third Edition brings together all the legal issues related to the death penalty and provides case briefs for the most important United States Supreme Court death penalty cases No other book available brings together a discussion of the major constitutional issues surrounding the death penalty with a broad array of associated case briefs The authors classify cases according to legal issues and provide a commentary on the various sub topics presenting legal materials in an easily understood form Though the primary audiences of the book are undergraduates in criminal justice programs and practitioners in the corrections and justice systems the book will also prove useful to anyone who has an

interest in the death penalty the criminal justice system or the United States Constitution Every chapter starts with commentaries regarding general case law in a sub topic such as aggravating and mitigating factors followed by a chart of the cases briefed in the chapter and then the case briefs These case briefs acquaint the reader with Supreme Court cases by summarizing facts issues reasons and holdings The Death Penalty Third Edition is a succinct trusted guide to the law of capital punishment in the United States **Sentencing Guidelines Handbook** United States. Internal Revenue Service. Criminal Tax Division, United States Sentencing Commission, 1996 Incorporating guideline amendments effective November 1 1995 **Routledge Handbook on Victims' Issues in Criminal Justice** Cliff Roberson, 2017-04-21 The Routledge Handbook on Victims Issues in Criminal Justice is a comprehensive and authoritative handbook on current issues with a distinctive emphasis on the delivery of suitable and effective services The editor provides an introduction and conclusion to the handbook synthesizing original contributions from current leaders in the field surveying victims rights in the United States victim participation in the criminal justice system victims welfare and needs and most notably the services that have been developed in response A section on special populations in the United States brings focus to current and emerging issues faced within the country while a section covering international and transnational victimization explores globalization and the implications of other legal traditions and systems This handbook addresses the crucial and complex topic of victims issues examining both societal and governmental reactions to victims concerns and acquainting readers with the issues that discord may cause and how they affect the provision of services This book will serve as an essential reference for academics and practitioners working with crime victims as well as for students taking courses in victimology criminology sociology and related subjects
