From Orwell to Naipaul Boris Ford,1995      **The New Pelican guide to English literature. 8: From Orwell to Naipaul** Boris Ford,1992      **The New Pelican Guide to English Literature** Boris Ford,1983      Orwell and Marxism Philip Bounds,2009-03-16 Whether as a fighter in the Spanish Civil War an advocate of patriotic Socialism or a left wing opponent of the Soviet Union George Orwell was the ultimate outsider in politics insecure scornful of orthodoxies cussedly independent Best known today as the author of Animal Farm and Nineteen Eighty Four Orwell also wrote seven other full length books and and a vast number of essays articles and reviews A pioneering cultural critic he addressed a range of important issues including art literature Englishness mass communication and the spectre of totalitarianism Famously describing his own background as lower upper middle class Orwell had a complex relationship with Marxism and all his work reflects the influence of British communism In this thoughtful and original study Philip Bounds argues that Orwell s writings effectively took the form of a dialogue with the leading British Marxists of his day Bounds shows that Orwell often agreed with the Marxists and built on their insights in his writings while on other occasions he used his disagreements with them as the basis of his own critical position Through close analysis of Orwell s writings as well as his historical and literary context Bounds has produced an important study of one of the iconic writers of the 20th century Orwell and Marxism offers a thorough introduction to Orwell the intellectual reviving his reputation as a serious cultural thinker and documenting his most important influences as well as a convincing portrait of British Marxism and society in the 1930s and 40s      George Orwell's Animal Farm Harold Bloom,Sterling Professor of Humanities Harold Bloom,2009 Discusses the characters plot and writing of Animal farm by George Orwell Includes critical essays on the novel and a brief biography of the author      **Orwell** Jeffrey Meyers,2000 This the first biography to draw on a close study of the new Complete Works sheds a new light on this extraordinary literary figure through interviews with family and friends and research into material in the Orwell archive It also includes previously unpublished photographs      **The Sum of No Equation** Sabine Freyling,2008 Starting with the social and psychological side of the person Naipaul one can summarise some reasonably simple discoveries that can be extracted from both his autobiographical pieces and his seemingly fictional books published within a period of more than fifty years Naipaul suggested that the way to approach the author is not through finding out as much as possible about the man and one could easily argue that the idea shall simply be used in conversion One can learn more about the person when taking into account all that has been produced by the author who is part of the person By this means one can extract valuable information about both person and author and thus can easily uncover some mysteries that have been established by the author person to conceal the reality behind a fixed idea that has always played a significant role in Naipaul s life Having studied English Naipaul was aware of all the tools available and of the aims of literary critics and seems to have challenged these established routes for his own sake and to serve his purpose      *The British Imagination* Peter Watson,2025-05-22

Before the 16th century Britain was a small out of the way backwater lagging far behind other global powers in terms of power and innovation This all changed when Queen Elizabeth I was crowned During her reign creative and intellectual life flourished as never before and Britain became one of the leading nations of the West It has remained a major power ever since What happened in the last five hundred years to bring about this change and to maintain it And what can it tell us about the unique nature of British identity and exceptionalism today The British Imagination is a masterful journey through 500 years of history from Shakespeare to Woolf the Royal Society to the industrial revolution and from the first New World colonies to the empire that by the 1920s had colonised a quarter of the world The key tenets of British history Peter Watson argues are religion empirical science commerce and empire Breathtaking in scope covering everything from astronomy to geology philosophy to literature The British Imagination is a spellbinding tour of the most influential ideas and the extraordinary people who made Britain what it is today *A Talent for the Particular* Raymond-Jean Frontain, Basudeb Chakraborti, 2012 *Postcolonial Studies* Bill Ashcroft, Gareth Griffiths, Helen Tiffin, 2025-01-22 Now in its fourth edition this popular A Z guide provides a comprehensive overview of the issues which characterize postcolonialism explaining what it is where it is encountered and the crucial part it plays in debates about race gender politics language and identity Fully revised and updated the fourth edition contains more than 30 new entries including Anthropocene Biopolitics Decoloniality Ecocriticism Global South Postcolonial sciences Transnationalism With substantial updates to the further reading **Passionate Intellect** Michael Kirkham, 1999-04-01 This critical study looks at the first four decades of Charles Tomlinson's poetic career and is the only published full scale exclusive treatment of his poetry Tomlinson is a major British poet whose work has received more recognition in North America and continental Europe than it has in his own country where still in some quarters its character is misunderstood and therefore misjudged The purpose of Kirkham's study is to increase understanding and appreciation of the exceptional achievement of Tomlinson's poetry emphasising both the startling originality of his vision a unified vision of a natural human world and the subtlety of his poetic art The study is a reading of the poems which aims to show what they yield to close scrutiny and to remove misconceptions Known for its analytical rendering of sense impressions and its avoidance of the personal pronoun the objectivism of Tomlinson's poetry is not an exercise in asceticism but a means of enlarging the circumference of the perceiving self an expansion of self which is not at the same time an inflation of the self regarding ego Its theme is not objects as such but relations the relation of the perceiving self to the other of the human to the non human world Its reputation for cool detachment is based on a misreading it is a poetry of energy and excitement which combines self restraint with passionate conviction Post-Colonial Studies: The Key Concepts Bill Ashcroft, Gareth Griffiths, Helen Tiffin, 2003-12-16 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company *The Plays of Margaret Drabble* José Francisco Fernández, 2019-01-11 Award winning

British novelist Margaret Drabble is renowned for her fiction stories that gave voice to the new woman of the 1960s and continue to illuminate the conflicting roles of women in the twenty first century Drabble's long affiliation with the theatrical world also inspired her to experiment with the dramatic form She wrote two plays one for television *Laura* 1964 and one for the stage *Bird of Paradise* 1969 Fern ndez's penetrating new critical edition makes both plays available for the first time giving Drabble fans a new vantage point from which to understand her work In *Laura* and *Bird of Paradise* Drabble mines the familiar territory of social class domestic life and questions of destiny which have been the hallmark of her writing As in her novels both plays reveal a deep curiosity about the world and a piercing commentary on the social issues of her time The volume's introduction and accompanying critical essays give valuable insight into the plays historical and social context and explore the artistic solutions that an accomplished author of fiction found when writing for the stage Offering a fascinating complement to Drabble's prodigious oeuvre this volume also provides a glimpse into a specific period in English letters one that shaped an influential generation of writers

[White Heat](#) Dominic Sandbrook, 2015-02-05 An active pleasure to read Mail on Sunday Harold Wilson's famous reference to white heat captured the optimistic spirit of a society in the midst of breathtaking change From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland from the intrigues of Westminster to the drama of the World Cup British life seemed to have taken on a dramatic new momentum The memories images and colourful personalities of those heady times still resonate today mop tops and mini skirts strikes and demonstrations Carnaby Street and Kings Road Harold Wilson and Edward Heath Mary Quant and Jean Shrimpton Enoch Powell and Mary Whitehouse Marianne Faithfull and Mick Jagger In this wonderfully rich and readable historical narrative Dominic Sandbrook looks behind the myths of the Swinging Sixties to unearth the contradictions of a society caught between optimism and decline

**Emyr Humphreys** Diane Green, 2009-07-01 This book is an examination of the novels of Emyr Humphreys in the light of his ideas on Wales Welsh history Welsh culture and the importance of a separate Welsh identity It explores Humphreys practice in the light both of his own theories of culture and fiction and of a variety of models derived from postcolonial theory Its main conclusions are that there are two particular techniques the use of Welsh history and of Celtic myth that have proved particularly central to Humphreys purposes throughout his career These have consistently been the principal ways in which he foregrounds for the reader both what it means to be Welsh and the importance for the nation of maintaining an understanding of its heritage And both these key strategies of his fiction should it is argued be read as typical postcolonial devices

[African Culture and Global Politics](#) Toyin Falola, Danielle Sanchez, 2014-01-10 This volume attempts to insert itself within the larger discussion of Africa in the twenty first century especially within the realm of world politics Despite the underwhelming amount of attention given to Africa's role in international politics in popular news sources it is evident that Africa has a consistent record of participating in world politics one that pre dates colonization and continues today In continuance of this legacy of active participation in global political exchanges Africans today can be heard

in dialogues that span the world and their roles are impossible to replace by other entities It is evident that a vastly different Africa exists than ones that bolster images of starvation corruption and compliance The essays in this volume center on Africa and Africans participating in international political discourses but with an emphasis on various forms of expression and philosophies as these factors heavily influence Africa's role as a participant in global politics The reader will find a variety of essays that permeate surface discussions of politics and political activism by inserting African culture rhetoric philosophies into the larger discussion of international politics and Africa's role in worldwide political social and economic debates

*Seeking a Role* Brian Harrison, 2009-03-26 An impressively detailed but also unusually wide ranging analysis of post war Britain in the 1950s and 60s covering everything from international relations to family life the countryside to manufacturing religion to race cultural life to political structures

**Oil Fictions** Stacey Balkan, Swaralipi Nandi, 2021-10-15 Oil like other fossil fuels permeates every aspect of human existence Yet it has been largely ignored by cultural critics especially in the context of the Global South Seeking to make visible not only the pervasiveness of oil in society and culture but also its power *Oil Fictions* stages a critical intervention that aligns with the broader goals of the energy humanities Exploring literature and film about petroleum as a genre of world literature *Oil Fictions* focuses on the ubiquity of oil as well as the cultural response to petroleum in postcolonial states The chapters engage with African South American South Asian Iranian and transnational petrofictions and cover topics such as the relationship of colonialism to the fossil fuel economy issues of gender in the Thermocene epoch and discussions of migration precarious labor and the petro diaspora This unique exploration includes testimonies of the oil encounter through memoirs journals and interviews from a diverse geopolitical grid ranging from the Permian Basin to the Persian Gulf By engaging with non Western literary responses to petroleum in a concentrated sustained way this pathbreaking book illuminates the transnational dimensions of the discourse on oil It will appeal to scholars and students working in literature and science studies energy humanities ecocriticism petrocriticism environmental humanities and Anthropocene studies In addition to the editors the contributors to this volume include Henry

Obi Ajumeze Rebecca Babcock Ashley Dawson Sharae Deckard Scott DeVries Kristen Figgins Amitav Ghosh Corbin Hiday Helen Kapstein Micheal Angelo Rumore Simon Ryle Sheena Stief Imre Szeman Maya Vinai and Wendy W Walters

**A Rich Field Full of Pleasant Surprises** Alejandra Moreno-Álvarez, José Francisco Fernández, 2014-06-19 The essays collected in *A Rich Field Full of Pleasant Surprises* have been written by a number of lecturers from different Spanish universities in order to offer a picture of the current state of affairs in English Studies covering the areas of Contemporary Literature Postcolonial Studies Feminist and Gender Studies Globalization and Media Film Music and Crime Fiction among others The essays comprised in this volume tackle theoretical issues as well as practical cases showing the vitality and scholarly rigour of all kinds of literary and cultural manifestations worldwide particularly within a European framework The title of the book gives expression to the innovative and inspiring teaching of Professor Socorro Suarez Lafuente to whom the collection is dedicated

**Lunch With a Bigot** Amitava Kumar, 2015-05-29 To be a writer Amitava Kumar says is to be an observer The twenty six essays in Lunch with a Bigot are Kumar's observations of the world put into words A mix of memoir reportage and criticism the essays include encounters with writers Salman Rushdie and Arundhati Roy discussions on the craft of writing and a portrait of the struggles of a Bollywood actor The title essay is Kumar's account of his visit to a member of an ultra right Hindu organization who put him on a hit list In these and other essays Kumar tells a broader story of immigration change and a shift to a more globalized existence all the while demonstrating how he practices being a writer in the world
