Road Trip: Jesus, Jeremy and Me Rhonda J. Goff, 2017-06-22 This book is about the road of grief I traveled when my only son died The death of my son struck me down in a place where I had never been before and it left a deep gut wrenching wound that had to have time to heal My son left to go to his eternal home and I was left to bear my sorrow However God in his abundant mercy came to me He gave miracles to me that blew me away On days that I knew I could not go on he carried me spoke to me rocked me sent help to me and visited me Oh yes he did The road was not one I wanted to be on but it was the one I was on The road was rocky yet the road was strewn with compassion love and joy I did not travel it alone God the Father Jesus the Son and the Great Holy Spirit were right there on that road with me They never left me They gave me grace strength and courage to keep going Satan was my enemy on this road He hurled stones at me tripped me tormented me and tried many ways to instill fear in me He wanted me to travel a road of defeat God would not allow him to win over me God was my refuge my rock my Father and my victory This book is as much about living as it is about dying You do not have to be in grief to read this book Open the book and take a look

Out of the Blue Mary Terhune, 2015-11-17 In this fascinating book Mary Terhune shares her personal journey of spiritual awakening mystical encounters and visions as well as the universal truths revealed to her in the process During a life crisis she spontaneously received revelations from Jesus that transformed her conscious awareness changing her life forever A profound experience of self realization brought her the message that divinity is humankind's natural state one we need to reclaim She then had an encounter during meditation that showed her beyond any shadow of doubt that birth and dying are actually illusions Mary went on to have an amazing introduction to homeopathy which expanded her training as a registered nurse into a different understanding and approach to disease prevention curing and healing Mary urges us all to become mindful of our omniscient essence and embrace paradigm shifts in preventive and curative medicine as we awaken to consciousness as the primary force of life Out of the Blue inspires every reader to live as an awakened being and a knowledgeable master of one's own destiny and well being
