From Pharaoh To The Father A Journey Toward Freedom Through The Lord's Prayer:

Fifty-Seven Words that Change the World Darrell Johnson, 2005 Nowhere is Jesus' brilliance more manifest than in the prayer he taught his disciples to pray the prayer that has come to be known as the Lord's Prayer. A mere fifty-seven words in the original Greek the Lord's Prayer gathers up all of life and brings it before God. In eight stirring meditations Darrell Johnson shows how the Lord's Prayer sums up the essence of Christian faith and when prayed in faith draws us into the Triune God's work of transforming the world. Darrell W. Johnson is Associate Professor of Pastoral Theology at Regent College in Vancouver, British Columbia, Canada. A popular conference and retreat speaker, he has also served as the preaching pastor for a number of congregations in North America and the Philippines and Adjunct Professor of Preaching for the Doctor of Ministry program at Fuller Theological Seminary in Pasadena, California. His other books include *Experiencing the Trinity* and *Discipleship on the Edge: An Expository Journey through the Book of Revelation*. **From Pharaoh to the Father** Kay

Murdy, 2000 An Exodus experience based on the Lord's Prayer [Daily Prayer 2025](#) Various authors including Kathryn Ball-Boruff, Christine Ondrka, 2024-07-01 *Daily Prayer* provides a thoughtful order of prayer for each day, allowing you to spend time reflecting on Scripture and the liturgical year as you gather the wisdom and strength to live out your day as a disciple of Jesus. Equally useful for group or individual prayer, *Daily Prayer 2025*'s easy-to-use format centers each day's prayer on a Scripture reading from the daily Mass, along with the recitation of a psalm, reflection, intercessions, the Lord's Prayer, and closing prayer. Beginning with the First Sunday of Advent, December 1, 2024, and ending with the last day of the liturgical year, Saturday, November 29, 2025, the prayer on these pages will inspire and bring readers to a deeper appreciation for the Word of God. A Precious Fountain Mary E. McGann, 2015-11-20 *A Precious Fountain* is a work of liturgical ethnography that probes the rich liturgical life of one worshipping community whose roots and practices are at once Black and Catholic, using music as a primary lens through which to explore the community's liturgy and embodied theology. Our Lady of Lourdes community in San Francisco is part of a larger event in the American church: the emergence of a new paradigm of Catholic worship, one that is authentically Black and truly Catholic. Mary E. McGann, RSCJ, describes how the music worship of Our Lady of Lourdes in San Francisco not only enriches that community but also is an example of how a theology of music is practiced in that parish. She offers this new genre of liturgical literature that brings to light how God's Spirit is working in the churches through the idioms, perceptions, and insights of specific ethno-cultural communities in this time of massive cultural change.
