**From Pictures to Passages** Jane L. Evanson, Cynthia S. Talbert, Ray Traynor, 1981     The Middle Passage Tom Feelings, 2018-01-02 Alex Haley's *Roots* awakened many Americans to the cruelty of slavery. *The Middle Passage* focuses attention on the torturous journey which brought slaves from Africa to the Americas, allowing readers to bear witness to the sufferings of an entire people.     *Bibliography* Refugee Materials Center (U.S.), 1986     The story of Cupid and Psyche. The writing on the image William Morris, 1905     Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines: Education, English, and Library and Information Science. Distinguished by its multidisciplinary approach, it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature. Part one considers perspectives on readers and reading literature in home, school, library, and community settings. Part two introduces analytic frames for studying young adult novels, picturebooks, indigenous literature, graphic novels, and other genres. Chapters include commentary on literary experiences and creative production from renowned authors and illustrators. Part three focuses on the social contexts of literary study with chapters on censorship, awards, marketing, and literary museums. The singular contribution of this *Handbook* is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds, thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory.     The Bible Story Newton Marshall Hall, Irving Francis Wood, 2023-10-04 In *The Bible Story*, edited by Newton Marshall Hall and Irving Francis Wood, the collection reveals an extraordinary tapestry of literary styles and thematic explorations rooted in biblical narratives. The anthology transcends mere retelling, venturing into interpretive essays that unveil the profound psychological, historical, and ethical dimensions embedded within the ancient texts. The range of writings showcases a diversity in approach and interpretation, making this collection a stand-out compilation that enriches our understanding of biblical stories beyond traditional exegesis. The editors, both esteemed in their academic fields, bring together a mosaic of perspectives from a multitude of backgrounds, each contributing a unique lens through which readers can re-examine familiar biblical tales. This anthology aligns with broader literary and cultural movements that seek to contextualize ancient teachings within contemporary discourse, thus providing a bridge between past wisdom and modern-day ethical and spiritual inquiries. The collective expertise of the contributors ensures a richly layered reading experience that honors the complexity of the source material. *The Bible Story* is an indispensable resource for anyone eager to delve deeper into the narratives that have shaped millennia of human thought and culture.
