From Plantation to Peachtree Southern Homes, Southern Homes Staff, 1987-12-01 From Plantation to Peachtree From Plantation to Peachtree Elizabeth P. Stanfield, Bard Wrisley, Jane F. Schneider, 1987 ,1987 AIA Guide to the Architecture of Atlanta Gerald W. Sams, 1993 This lively guidebook surveys four hundred buildings within the Atlanta metropolitan area from the sleek marble and glass of the Coca Cola Tower to the lancet arches and onion domes of the Fox Theater from the guiet stateliness of Roswell's antebellum mansions to the art deco charms of the Varsity grill Published in conjunction with the Atlanta chapter of the American Institute of Architects it combines historical descriptive and critical commentary with more than 250 photographs and area maps As the book makes clear Atlanta has two faces the Traditional City striving to strike a balance between the preservation of a valuable past and the challenge of modernization and also the Invisible Metropolis a decentralized city shaped more by the isolated ventures of private business than by public intervention Accordingly the city's architecture reflects a dichotomy between the northern emulating boosterism that made Atlanta a boom town and the genteel aesthetic more characteristic of its southern locale The city's recent development continues the trend as Atlanta's workplaces become increasingly high tech its residential areas remain resolutely traditional In the book's opening section Dana White places the different stages of Atlanta's growth from its beginnings as a railroad town to its recent selection as the site of the 1996 Summer Olympics in their social cultural and economic context Isabelle Gournay then analyzes the major urban and architectural trends from a critical perspective The main body of the book consists of more than twenty architectural tours organized according to neighborhoods or districts such as Midtown Druid Hills West End Ansley Park and Buckhead The buildings described and pictured capture the full range of architectural styles found in the city Here are the prominent new buildings that have transformed Atlanta's skyline and neighborhoods Philip John and John Burgee's revivalist IBM Tower John Portman's taut Westin Peachtree Plaza and Richard Meier's gleaming white paneled High Museum of Art among others Here too are landmarks from another era such as the elegant residences designed in the early twentieth century by Neel Reid and Philip Shutze two of the first Atlanta based architects to achieve national prominence Included as well are the eclectic skyscrapers near Five Points the postmodern office clusters along Interstate 285 and the Victorian homes of Inman Park Easy to follow area maps complement the descriptive entries and photographs a bibliography glossary and indexes to buildings and architects round out the book Whether first time visitors or lifelong residents readers will find in these pages a wealth of fascinating information about Atlanta's built environment Saving Midnight Emma Holly, 2009-08-04 Graham Fitz Clare became a vampire to save his adoptive father from a deadly enemy Sadly the price of that rescue may have been too high Edmund's captors are at large again and are amassing the sort of power that could make them unstoppable In the end the love the Fitz Clares share with each other could be all that stands between them and a desperate storm of destruction Atlanta and Savannah Insight Guides, Martha Ellen Zenfell, 2000 A

mill dynasty In the 1780s Jonathan Lucas on a journey from his native England shipwrecked near the Santee Delta of South Carolina about forty miles north of Charleston Lucas the son of English mill owners and builders found himself fortuitously near vast acres of swamp and marshland devoted to rice cultivation When the labor intensive milling process could not keep pace with high crop yields Lucas was asked by planters to build a machine to speed the process In 1787 he introduced the first highly successful water pounding rice mill creating the foundation of an international rice mill dynasty In Rice to Ruin Roy Williams III and Alexander Lucas Lofton recount the saga of the precipitous rise and ultimate fall of that empire Lucas s invention did for rice South Carolina's first great agricultural staple what Eli Whitney did for cotton with his cotton gin With his sons Jonathan Lucas II and William Lucas Lucas built rice mills throughout the lowcountry Eventually the rice kingdom extended to India Egypt and Europe after the younger Jonathan Lucas moved to London to be at the center of the international rice trade Their lives were grand until the American Civil War and its aftermath The end of slave labor changed the family s fortunes The capital tied up in slaves evaporated the plantations and town houses had to be sold off one by one and the rice fields once described as the gold mines of South Carolina often failed or were no longer planted Disease and debt took its toll on the Lucas clan and in the decades that followed efforts to regain the lost fortune proved futile In the end the once glorious Carolina gold rice fields that had brought riches left the family in ruin Atlanta's Ponce de Leon **Avenue** Sharon Foster Jones, 2012-02-27 Named for the famous Spanish explorer who was said to have discovered the Fountain of Youth Atlanta's Ponce de Leon Avenue began as a simple country road that conveyed visitors to the famous healing springs Now few motorists realize that the avenue one of Atlanta's major commuter thoroughfares was a prestigious residential street in Victorian Atlanta home to mayors and millionaires An economic turn in the twentieth century transformed the avenue into a crime ridden commercial corridor but in recent years Atlantans have rediscovered the street s venerable architecture and storied history Join local historian Sharon Foster Jones on a vivid tour of the avenue from picnics by the springs in hoopskirts and Atlanta Crackers baseball to the Fox Theatre and the days when Vivien Leigh Clark Gable and Al Capone lodged in the esteemed hotels lining this magnificent avenue Explorer's Guide Georgia Carol Thalimer, Dan Thalimer, 2012-12-03 Contains up to date information on travel in the state of Georgia with recommendations on lodging restaurants regional events family activities entertainment and natural landmarks Explorer's Guide Atlanta Carol Thalimer, Dan Thalimer, 2008-02-26 A resource for travelers features tips on dining lodging transportation shopping recreational activities landmarks and cultural opportunities **American Berkshire Record** American Berkshire Association, 1910 **Buckhead** Jan Hickel, Candace T.
