English Literature and Its Cultural Background James Edward Tobin, 1967 **The Second Mrs Tanqueray** Arthur Wing Pinero, 2007-09-18 The Second Mrs Tanqueray was the theatrical sensation of the London stage in 1893. It established Pinero as the leading English dramatist of serious social issues and created a star out of Mrs Patrick Campbell in the title role. The play recounts the marriage of a woman with a past and how it fails because of the double standard of morality applied unequally and hypocritically by Victorian society to men and women. This Broadview edition includes a thoroughly revised text based on the author's manuscript, the prompt copy for the first production, and the published first edition; it also incorporates pertinent stage directions from the first production. The critical introduction examines all facets of the play and its production, and the appendices make accessible a wide variety of hard-to-find contemporary contextual materials related to the play.

English Literature, Volume 1 Louis A. Landa, 2015-12-08 This is the first of two volumes which will make available in convenient form the annual bibliographies of 18th century scholarship published for the past 25 years in the *Philological Quarterly*. Volume 1 includes the years 1926-1938. By means of lithography, the original issues are exactly reproduced with retention of all critical annotations. Originally published in 1950, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. *A Bookman's Catalogue Vol. 2 M-End* T. Bose, R. N. Colbeck, 2011-11-01 The Colbeck collection was formed over half a century ago by the Bournemouth bookseller Norman Colbeck. Focusing primarily on British essayists and poets of the nineteenth century, from the Romantic Movement through the Edwardian era, the collection features nearly 500 authors and lists over 13,000 works. Entries are alphabetically arranged by author with copious notes on the condition and binding of each copy. Nine
