**Paradise Seems so Far Away** Ashlyn Lark, 2015-10-30 Ashlyn Lark was a young woman driven by her quest for romance and true love Her expectations led her

down a lonely path of pain and disappointment When tragedy struck amid the existing turmoil her fragile heart was shattered Through Gods power and grace she found the strength to pick up the pieces and move on She continued on a journey of faith as Gods love and light illuminated the way Each step was a lesson learned and a challenge to put her trust in the Masters plan Understand that challenges are stepping stones that can draw us closer to the heart of God Persevere and have faith in trials and suffering Learn to wait for Gods timing Beware of the consequences of your own choices There is life after the death of a child Know that Gods presence and peace can sustain you through any circumstance In a time when there is so much pain and woundedness in our culture Ashlyn Lark in her book Paradise Seems So Far Away has presented her life story with creativity and a perspective that points to the only answer a loving God Into a description of her circumstances she weaves her own poetry and songs that express so well her heart s journey I feel that other women who are experiencing difficult situations in their own lives will be encouraged by Ashlyn s honest words her creativity but most especially her presentation of her loving Father Who promises to never leave you or for sake you Hebrews 13 5 and Who is our refuge and strength a very present help in times of trouble Psalm 46 1 What could be more uplifting and comforting to know that our God is in control of our lives even in the darkest times Rosemary Barnes author and speaker **Murm'ings of the Heart** Olivia Villa-Real,2015-11-18 In this fast paced world of science and technology we have set ourselves to a never ending race with time Weve lost our capacity to enjoy the simple pleasures in life We have dulled our senses from appreciating the wild flowers along our way that flaunt their beauty and waft their fragrance on the breeze We cast our vision hurriedly past the inviting pathways into the deep woods that eagerly entice us to take a moments rest Lest we become robots devoid of feeling machineries unable to experience bliss we must elevate ourselves from the mundane to such loftiness of spirit as will enable us to experience and enjoy the true essence of life This book offers us a sanctuary to rest our weary body and spirit and its poetry allows us to feel the realities within ourselvestoo often missed yet are far richer than the physical realities around us that are too commonplace and barren to appreciate The poems tug at the root of our being awakening the treasures lurking within us little gems too inspiring to miss and too beautiful to forget This book is a window into my soul the anima within me that gives me life It is the true reality of my existencemore than the reality of my physical being It is beyond what my intellect can reach and what my emotions can inspire My poetry which includes my songs is the fresh breath of my soul it is the raw expression of what is at my core borne in the spur of the moment and perfected by inspiration It is therefore in a spirit of love and absolute trust that I welcome you into this sanctuary of my soul since I render myself bare naked and vulnerable as I put you in touch with my true reality which is devoid of fear pretenses inhibitions as well as self serving needs or purpose

Water Your Garden and Watch Your Mind Bloom Lissa Larsen,2025-05-02 In the quiet soil of your soul something wild and wonderful is waking up This is not just a book of poems It s a gentle dirt under your fingernails kind of journey a cozy walk through the tangled blooming garden of self discovery Rooted in the rhythms of the natural world these verses trace the

tender arc of healing from the first brave sprout of hope to the unruly radiant riot of full blown self love With each page you ll wander through wild meadows and mossy woods dig deep into soft earth and eavesdrop on the wisdom of trees seeds and shy flowers Nature knows how to break and bloom over and over again and so do you These poems are for anyone who s ever felt a little lost a little cracked a little like a forgotten houseplant They re for the ones who are learning slowly bravely how to tend to their own hearts I wrote them for myself my inner sapling but somewhere along the way I started thinking maybe this could help someone else too So come on in Kick off your shoes Let your roots stretch Welcome to the garden Your healing has been waiting for you **A Poetry-book of Songs and Sonnets, Odes and Idylls** Amelia Ann Blanford Edwards,1878
