From the

Depths Robert Hamlett Bremner,2017-10-12 Excerpt from From the Depths The Discovery of Poverty in the United States

Although I have not fixed precise dates for the beginning or the end of the study the period treated in most detail extends from the middle decades of the nineteenth century to the 1920 s It was in these years that the poverty problem as we now understand it arose in the United States It was in this period also that the attitude toward the problem that still prevails took shape A broader definition of poverty than had previously obtained in the United States came into general use and opinion regarding its cause and cure underwent significant alteration By the close of the period insufficiency and insecurity had come to be regarded as even more disturbing issues than dependency the industrial causes of misery were recognized as more important than the moral and social rather than individual reform was being urged as the appropriate remedy for want Partly because of these developments partly because of fundamental changes in the nation s economic and social structure the earlier philanthropic interest in the poor had evolved into concern with the condition of labor and the standard of living of the population as a whole The chief point made in the book is that the humanitarian reform movements that swept the United States in the first two decades of the twentieth century proceeded in large measure from the new view of poverty I have tried to demonstrate the importance of organized philanthropy in the formulation of the new view and have emphasized the leading roles played by charity agents and settlement residents in the fight for reform The major contribution of social work to social reform as I see it was to promote a factual undogmatic approach to economic issues In the course of the study I have been impressed by the parallel development of factualism in the social sciences and realism in the arts So far as the book has a thesis it is that we owe our progress in humanitarian reform and our best achievements in literature and art to those individuals regardless of field of endeavor who have been eager to discover reveal and be guided by the truths of actual life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Exploring the Johnson Years Robert A. Divine,2014-07-03 More than a decade after LBJ left office researchers began to open up the Johnson administration as an important area of scholarly study Exploring the Johnson Years is an invaluable introduction to that administration and to the LBJ Library s more than thirty million separate documents The contributors cover every major aspect of the Johnson presidency from Vietnam George C Herring to the War

on Poverty Mark I Gelfand including coverage of Latin American policy Walter LaFeber education Hugh Davis Graham civil rights Steven F Lawson the nature of the White House staff Larry Berman and Johnson's stormy relationship with the media David Culbert The essays illuminate some of the most important files and show how they can be used to further historical understanding of the Johnson years As a result scholars who plan to use the library will have a useful guide before they begin while general readers will be able to discover the ways in which the library's holdings relate to the existing body of literature on the Johnson administration

Galbraith, Harrington, Heilbroner Loren J. Okroi, 2014-07-14 In a remarkably lucid and flowing style Loren Okroi analyzes the ideas of three leading reformer critics in the United States and places their main arguments in the context of the economic social and political history of postwar America In so doing he provides not only a skillful introduction to American social thought since the 1950s but also a wide ranging examination of the contemporary failures of American liberal ideology As he explicates the works of these three men all of whom moved easily between the academic world and the arenas of politics government or journalism it becomes clear that present policy debates have not even begun to resolve the dilemmas their writings have exposed Millions of readers know J K Galbraith the renowned Harvard economist and social theorist who developed the concept of the New Industrial State Michael Harrington the de facto leader of the American socialist movement who revealed the existence of the other America and Robert Heilbroner the incisive economic thinker who questioned the naive optimism of Americans even before it significantly eroded in the mid 1970s In this book they emerge as individuals as thinkers and as part of a larger picture of American efforts to reconcile democratic values and humane social goals with modern corporate capitalism The study begins with a portrait of the U S economy and society at the end of the Civil War and discusses the momentous changes brought about by the rapid industrialization that followed The central portion revolves around Galbraith Harrington and Heilbroner and explores their contributions to the intellectual and political discourse on key issues confronting America in the decades after 1945 the evolutionary trajectory of managerial capitalism the persistence of poverty and class divisions the expansion of the welfare state and the public sector in general and the assault on welfare capitalism by the New Right in the 1980s The concluding chapter examines the causes and consequences of the fervent adherence of Americans to liberal ideology the origins and philosophical bases of that set of beliefs and its future prospects Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Issues of Justice Warren R. Copeland, 2000-09 *The "Underclass" Debate* Michael B. Katz, 2018-06-05 Do ominous reports of an emerging underclass reveal an unprecedented crisis in American society Or are social commentators simply

rediscovering the tragedy of recurring urban poverty as they seem to do every few decades Although social scientists and members of the public make frequent assumptions about these questions they have little information about the crucial differences between past and present By providing a badly needed historical context these essays reframe today's underclass debate Realizing that labels of social pathology echo fruitless distinctions between the deserving and undeserving poor the contributors focus not on individual and family behavior but on a complex set of processes that have been at work over a long period degrading the inner cities and inevitably the nation as a whole How do individuals among the urban poor manage to survive How have they created a dissident infrapolitics How have social relations within the urban ghettos changed What has been the effect of industrial restructuring on poverty Besides exploring these questions the contributors discuss the influence of African traditions on the family patterns of African Americans the origins of institutions that serve the urban poor the reasons for the crisis in urban education the achievements and limits of the War on Poverty and the role of income transfers earnings and the contributions of family members in overcoming poverty The message of the essays is clear Americans will flourish or fail together

From the Depths Robert Hamlett Bremner, 1956 **Beekmantown, New York** Philip L. White, 2014-09-10 This volume reports in detail how a particular portion of the American wilderness developed into a settled farming community To fully comprehend the history of the American people in the early national period an understanding of this transformation from forest to community and the pattern of life within such communities where the vast majority of the people live is essential Three major conclusions emerge from Philip L. White's study of Beekmantown New York First the economic advantages of the frontier attracted a first generation of settlers relatively high in social and economic status but the disappearance of frontier conditions brought a second generation of settlers appreciably lower in status Second White rejects the romantic notion that the frontier fostered equality and argues instead that the frontier's economic opportunities fostered inequality Finally in contrast to revisionist arguments he affirms that in Beekmantown the Jacksonian period does indeed warrant characterization as the era of the common man This book represents a model in community history the narrative is full of human interest the scholarship is prodigious the applications are universal

Down and Out in Early America Billy G. Smith, 2010-11-01 It has often been said that early America was the best poor man's country in the world After all wasn't there an abundance of land and a scarcity of laborers The law of supply and demand would seem to dictate that most early American working people enjoyed high wages and a decent material standard of living Down and Out in Early America presents the evidence for poverty versus plenty and concludes that financial insecurity was a widespread problem that plagued many early Americans The fact is that in early America only an extremely thin margin separated those who required assistance from those who were able to secure independently the necessities of life The reasons for this were many seasonal and cyclical unemployment inadequate wages health problems including mental illness alcoholism a large pool of migrants low pay for women abandoned families The situation was made worse by the inability of many communities to

provide help for the poor except to incarcerate them in workhouses and almshouses The essays in this volume explore the lives and strategies of people who struggled with destitution evaluate the changing forms of poor relief and examine the political religious gender and racial aspects of poverty in early North America *Down and Out in Early America* features a distinguished lineup of historians In the first chapter Gary B Nash surveys the scholarship on poverty in early America and concludes that historians have failed to appreciate the numerous factors that generated widespread indigence Philip D Morgan examines poverty among slaves while Jean R Soderlund looks at the experience of Native Americans in New Jersey In the other essays Monique Bourque Ruth Wallis Herndon Tom Humphrey Susan E Klepp John E Murray Simon Newman J Richard Olivas and Karin Wulf look at the conditions of poverty across regions making this the most complete and comprehensive work of its kind

Harvard Guide to American History Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others *American Studies* Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 *Miscellaneous Publication*, 1969 *The Poor: a Selected Bibliography* Peter R. Maida, John L. McCoy, 1969

Nineteenth-Century American Women Write Religion Mary McCartin Wearn, 2016-05-06 Nineteenth century American women s culture was immersed in religious experience and female authors of the era employed representations of faith to various cultural ends Focusing primarily on non canonical texts this collection explores the diversity of religious discourse in nineteenth century women s literature The contributors examine fiction political writings poetry and memoirs by professional authors social activists and women of faith including Elizabeth Stuart Phelps Angelina and Sarah Grimk Louisa May Alcott Rebecca Harding Davis Harriet E Wilson Sarah Piatt Julia Ward Howe Julia A J Foote Lucy Mack Smith Rebecca Cox Jackson and Fanny Newell Embracing the complexities of lived religion in women s culture both its repressive and its revolutionary potential *Nineteenth Century American Women Write Religion* articulates how American women writers adopted the language of religious sentiment for their own cultural political or spiritual ends

The Development Dictionary Wolfgang Sachs, 1992 In this pioneering collection some of the world s most eminent critics of development review the key concepts of the development discourse in the post war era Each essay examines one concept from a historical and anthropological point of view and highlights its particular bias Exposing their

historical obsolescence and intellectual sterility the authors call for a bidding farewell to the whole Eurocentric development idea This is urgently needed they argue in order to liberate people s minds in both North and South for bold responses to the environmental and ethical challenges now confronting humanity These essays are an invitation to experts grassroots movements and students of development to recognize the tainted glasses they put on whenever they participate in the development discourse

Man and Mission Paul M. Gaston,2012-10-10 In *Man and Mission* E B Gaston and the Origins of the Fairhope Single Tax Colony historian Paul Gaston relates his grandfather s 1864 founding of the utopian community of Fairhope Alabama The twenty eight Fairhoppers hoped to realize an equality of opportunity the full reward of individual efforts and the benefits of co operation in matters of general concern at a time when the economic system of the United State was ravaged by monopoly capitalism Using family and public records *Man and Mission* gives an intimate view of a vibrant moment in the history of Gilded Age America

Before the UN Sustainable Development Goals Martin Gutmann,Daniel Gorman,2022 This volume examines the legacies and historical context of the UN Sustainable Development Goals The complex background of relationships actors and institutions of the several goals are explored in detail by international experts from a range of disciplines

Securing the Fruits of Labor James L. Huston,2015-05-11 James Huston has undertaken a unique and Herculean labor in examining American beliefs about wealth distribution over one and a half centuries His findings have led him to a startling conclusion Americans earliest economic attitudes were formed during the Revolutionary period and remained virtually unchanged until the close of the nineteenth century Why those attitudes existed and persisted how they informed public debate and what caused their ultimate demise are among the channels explored in *Securing the Fruits of Labor* a grand excursion into waters of economic history only glimpsed by previous works

Decoding **From The Depths The Discovery Of Poverty**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. From The Depths The Discovery Of Poverty Introduction

In today's digital age, the availability of From The Depths The Discovery Of Poverty books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of From The Depths The Discovery Of Poverty books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of From The Depths The Discovery Of Poverty books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing From The Depths The Discovery Of Poverty versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, From The Depths The Discovery Of Poverty books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing From The Depths The Discovery Of Poverty books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for From The Depths The Discovery Of Poverty books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, From The Depths The Discovery Of Poverty books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of From The Depths The Discovery Of Poverty books and manuals for download and embark on your journey of knowledge?

FAQs About From The Depths The Discovery Of Poverty Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From The Depths The Discovery Of Poverty is one of the best book in our library for free trial. We provide copy of From The Depths The Discovery Of Poverty in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From The Depths The Discovery Of Poverty. Where to download From The Depths The Discovery Of Poverty online for free? Are you looking for From The Depths The Discovery Of Poverty PDF? This is definitely going to save you time and cash in something you should
