Inscribed Objects and the Development of Literature in Early Japan Joshua Frydman, 2023-06-26 The introduction of writing enables new forms of literature but these can be invisible in works that survive as manuscripts Through looking at inscriptions of poetry on garbage and as graffiti we can glimpse how literature spread along with writing This study uses these lesser studied sources including inscriptions on pottery architecture and especially wooden tablets known as mokkan to uncover how poetry and literature more broadly was used shared and thrown away in early Japan Through looking at these disposable and informal sources we explore the development of early Japanese literature and even propose parallels to similar developments in other societies across space and time The Art of the Hekatompedon Inscription and the Birth of the Stoikhedon Style Patricia A.
