From The Ground Up New Testament Foundations For The 21st Century Church:

From the Ground Up John Scott Horrell, Veteran pastor professor and church planter Horrell suggests that the customs patterns and structures of churches may actually be barriers to what God's purposes for the church really are **Corporate Decision-Making in the Church of the New Testament** Jeff Brown, 2014-08-28 Debate about church order has gone on for centuries within Christianity and an end is nowhere in sight Perhaps that is good since the debate shows the weaknesses of many ideas that need correction Corporate Decision Making in the Church of the New Testament examines church order from a careful exegetical perspective with particular attention to the social world of the New Testament While most works about church government address structure and qualities of leadership Jeff Brown deals with the interaction of the people of the church both with their leaders and with one another in setting policy In brief though all believers in the young church of the New Testament revered Christ and his Word as authoritative not all church decisions were from the top down from earthly leaders On the contrary many were from the bottom up This should come as no surprise to those familiar with Jesus admonition in the Gospels You have one teacher and you are all brothers *Churches on Mission* Geoffrey Hartt, Christopher R. Little, John Wang, 2017-09-15 The twenty first century is marked by a renewed emphasis on the missional responsibility of individual Christians and local churches Churches on Mission God's Grace Abounding to the Nations is an attempt to explore the relationship between the local church and its missionary responsibilities Through history theology case studies and actual ministry practices each author in this collection presents an aspect of local church participation The book aims to be informational and inspirational on many levels and invites readers from local churches to become active participants in the mission of God *Restore Unity, Recover Identity, and Refine Orthopraxy* Peter L. H. Tie, 2012-01-16 Doctrine divides Not a few Christians dread doctrine especially the doctrine of the church ecclesiology that allegedly causes much confusion conflict and controversy within the church Many choose to avoid it but James Leo Garrett Jr Distinguished Professor of Theology Emeritus at Southwestern Baptist Theological Seminary is convinced that the much avoided and neglected ecclesiology is the place where the churches must begin to rediscover genuine unity identity and orthopraxy Restore Unity Recover Identity Refine Orthopraxy examines Garrett's biblical notion of the universal priesthood The priesthood concept properly understood in a communal sense integrates the mission membership ministry and management of the church This book is filled with intentional and direct conversations with more than twelve theologians or ecclesiologists from various Christian traditions Reformed Pentecostal Roman Catholic Mennonite Baptist and other Free Church in order to shed light on Garrett's believers priesthood doctrine which eventually points toward a balanced biblical and baptist ecclesiology An ecclesiology rooted in the biblical priesthood does not divide and extinguish but does unite and distinguish **Exploring Christian Theology : Volume 3** Nathan D. Holsteen, Michael J. Svelgel, 2014-01-21 Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated In this book trusted

Biblical principles In Pastoral Care and Counseling the leadership's mission is to provide a haven for its people leaders and parishioners *A History of Florida Baptist's Sunday School* L. David Cunningham, 2005-12 **Restoring the First-century Church in the Twenty-first Century** Warren Lewis, Hans Rollmann, 2005-10-15 Restoring the First century Church in the Twenty first Century Essays on the Stone Campbell Restoration Movement in Honor of Don Haymes is a snapshot of a major American religious movement just after the turn of the millennium When the Disciples of Alexander Campbell and the Christians of Barton Warren Stone joined forces early in the 19th century the first indigenous ecumenical movement in the United States came into being Two hundred years later this American experiment in biblical primitivism has resulted in three possibly four large segments Best known is the Christian Church Disciples of Christ active wherever ecumenical Christians gather The denomination is typically theologically open having been reshaped by theological Liberalism and the Social Gospel in the twentieth century and has been re organized on the model of other Protestant bodies The largest group the Churches of Christ easily distinguished by their insistence on a cappella music singing only is theologically conservative now tending towards the evangelical and congregationally autonomous though with a denominational sense of brotherhood The Christian Churches Churches of Christ Independent are a via media between the two other bodies theologically conservative and evangelical congregationally autonomous pastorally oriented and comfortable with instrumental music The fourth numerically significant group the churches of Christ Anti Institutional is a conservative reaction to the a cappella churches much in the way that the Southern a capella churches reacted against the emerging intellectual culture and social location instrumental music and institutional centrism of the Northern Disciples following the Civil War Besides these four numerous smaller fragments typically one article splinter groups decorate the history of the Restoration Movement One Cup brethren Premillennialists No Sunday School congregations No Located Preacher churches and others This movement to unite Christians on the basis of faith and immersion in Jesus Christ and to restore New Testament Christianity is too little recognized on the American religious landscape and it has been too little studied by the academic community This volume is focused primarily on the a cappella churches and their interests but implications for the entire Stone Campbell Restoration Movement abound The voices that speak freely within were unimpeded in authoring these essays by standards of orthodoxy imposed from without All of the contributors are acquainted with Don Haymes the honoree of the volume and have been inspired by this friend and colleague a man with a rigorous and earthy intellect and a heavenly spirit David Bundy series editor *Studies in the History and Culture of World Christianities* *Building for Eternity* Larry Kreider, 1997-06 In this fourth Biblical Foundation book we look at the final three of the six foundational doctrines of the Christian faith found in Hebrews 6 1 2 the laying on of hands the resurrection of the dead and eternal judgment Therefore leaving the discussion of the elementary principles of Christ let us go on to perfection not laying again the foundation of repentance from dead works and of faith toward God of the doctrine of baptisms of laying on of hands of resurrection of the dead and of eternal judgment

NKJ The foundational doctrine of the laying on of hands is an act in which one person imparts or conveys blessing healing and or authority to another for a specific spiritual purpose We will learn that the laying on of hands has a vital connection with many aspects of our Christian lives The hope of the resurrection is another biblical foundation that is so important to a Christian s faith because those who believe in Christ will share in His resurrection and have eternal life Another foundation stone that is linked to the resurrection of the dead is eternal judgment Every man and woman who has ever lived will be judged by God for all of eternity The reality of an eternal judgment should cause all believers to hate sin and diligently seek the lost to tell them of God s wonderful plan for mankind Use this book and the other 11 Biblical Foundation books to lay a solid foundation in your life or if you are already a mature Christian these books are great tools to assist you in mentoring others Each book can be used as a daily devotional and includes teaching outlines and discussion questions for each chapter Also available in Spanish and French
