

From The Headlands

J.H.W. Lee, K.M. Lam

From The Headlands:

Beyond the Headlands MD Shar, 2025-04-28 Beyond the Headlands Tales of Cape is a journey across the world's most dramatic capes highlighting their geographical beauty, historical significance and human stories. These rugged landforms have long symbolized exploration, challenge and discovery, marking the edge of the known world and inspiring countless tales of bravery. The book captures the interplay between nature's starkness and human resilience, from the cliffs of Cape Horn to the sunny shores of Cape Cod. It delves into the lives of indigenous peoples, settlers and adventurers who shaped these lands, offering profound reflections on adaptation, survival and environmental respect. The narrative weaves together epic voyages, pioneering expeditions and a call for preserving these fragile landscapes amid modern threats. Through detailed research and heartfelt storytelling, the author invites readers to experience the wonder, challenges and spirit of adventure that capes represent, inspiring a deeper connection to the natural world and its timeless allure.

Coastal Headlands of Mainland Britain Griff Fellows, 2014-06-27 Many books claim to be unique. In this instance, the claim is justified. There are walking guides to coastal footpaths, books devoted to beaches, local guides and general books about the coast. No other book concentrates on the headlands of mainland Britain. The author has visited all the headlands in this book and has included descriptions of well over 200. Every part of the coastline of mainland Britain is covered. Sufficient information is given for walkers to find their way without difficulty. No fewer than 93 have full access for wheelchair users. A symbol in the heading to each headland indicates wheelchair accessibility. The book will appeal to nature lovers and walkers. Recreational walking has always been popular and never more so than today. Much of the coast is open to walkers. The author only found a handful of headlands that had no public access and these have not been included. What is more, most headlands are strikingly beautiful. Their variety is infinite. Many are equipped with car parks, making access easy. Even in the remoter parts of Scotland, the headlands can be explored easily within a day from a town or village with accommodation. An introduction outlines the attractions of headlands. This is followed by descriptions of individual headlands, beginning in north Kent at the mouth of the Thames estuary and proceeding clockwise right round Britain. A heading to each headland gives its name and the county where it can be found, followed by its grid reference and the relevant Ordnance Survey Landranger and Explorer maps. All headlands are illustrated with colour photographs. Many of these are aerial. This book is packed full of interesting information. This is presented in nontechnical language, easily understood by the general reader. There is a wealth of facts on subjects such as flora, local history, civil and military geology, shipwrecks and lighthouses, mining and quarrying and many other subjects. Of particular interest are features unique to the headland in question. These may be local literary associations, someone buried on the headland, a rare flower found hardly anywhere else and so forth. The list is endless. There is a comprehensive general index leading the reader direct to the relevant headlands. Wheelchair users can find an index of headlands that are wheelchair friendly. Published as an e-book means that the reader can take his/her smart phone or tablet

computer on a walk and read about the headland while on the spot Many are the guidebooks that have remained unread because events have moved on once the walk is over An e book adds immediacy to the experience The author wishes to share his enthusiasm for headlands with all his readers Headlands are a priceless heritage to be preserved for the enjoyment of this and future generations

Marin Headlands Dorothy E. Gibson,2009-11-01 The Marin Headlands those dramatic ridges north of the Golden Gate were formed millions of years ago when the Pacific Ocean broke through the coastal ranges These rugged escarpments technically the foothills of Mount Tamalpais are named along with the county itself for legendary Miwok leader Chief Marin In the 16th century Spanish English and Russian ships found refuge in the lee side of the headlands in present day Sausalito Governments from Spain Mexico and the United States used the headlands as a military companion to the Presidio in San Francisco from the Civil War through the cold war Forts Baker Barry and Cronkite held hidden batteries and housed soldiers in among verdant valleys of orchards and livestock In 1972 the U S Congress transferred the Marin Headlands to the National Park Service for inclusion in the Golden Gate National Recreation Area GGNRA

From The Headlands: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. From The Headlands : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. From The Headlands : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
