## **From The Parish For The Life Of The World:**

From the Parish for the Life of the Word Stephen P Bouman, 2000-01-01 This is a book about the parish written from the heart of parish life Its heart is an edited collection of Lutheran Forum articles with other published work and new material adding dimension to some of the themes explored in these pages This collection provides diverse soundings of parish life in the Gospel and suggests a Lutheran theology of the parish but one that is accessible and relevant across the ecumenical diversity of the One Body of Christ For pastors and lay readers this book seeks to support the ministry of congregations as well as inspiring and provoking dialogue in local parishes

**Leisure and Fellowship in the Life of the Black Church** Steven N. Waller, 2015-09-17 Leisure and Fellowship in the Life of the Black Church explores why leisure and fellowship in congregational life of African American churches matters The book provides a biblical and theological foundation for the concepts of work rest Sabbath play leisure and fellowship Moreover the book explores how religious tradition and doctrine shape and constrains our attitudes and behaviors about leisure fellowship and living abundantly Several churches are lifted as exemplars based on the way that they embrace leisure and fellowship within their respective congregations In the closing chapters the book examines what leisure and fellowship might be like in Heaven and how we engage Christ and each other in congregations

*Antistite nostro: The Episcopal Ministry in the Life of the Local Church* Ryan T. Ruiz, David J. Endres, 2024-07-23 The richness of the Catholic Church is found in the bonds of communion between the universal church and the local church The bishop the antistite or high priest as he is entitled in the Canon of the Mass is the apostolic successor who though always in communion with the pope is likewise a vicar of Christ in his own right Thus the role of the bishop and his understanding of his own ministry can shape the personality of a diocese as well as its understanding of its place in the worldwide church This Festschrift written in honor of a bishop who has sought to enliven his diocese and remind it of its bonds of communion with the whole aims to provide a multi disciplined approach to the ministry of the diocesan bishop at a time when authority is held in suspicion communion is seen as constricting and obedience to those in authority is treated as an artifact of a bygone age The assembled essays approach the question of the episcopal ministry from the perspective of the Catholic Church s theological tradition and aim to enlighten clergy and laity about the ministry of their bishops and encourage bishops themselves in exercising their sacred office

**The Life of Christian Doctrine** Mike Higon, 2020-07-09 The lives of Christian churches are shaped by doctrinal theology That is they are shaped by practices in which ideas about God and God s ways with the world are developed discussed and deployed This book explores those practices and asks why they matter for communities seeking to follow Jesus Taking the example of the Church of England this book highlights the embodied affective and located reality of all doctrinal practices and the biases and exclusions that mar them It argues that doctrinal theology can in principle help the church know God better even though doctrinal theologians do not know God better than their fellow

believers It claims that it can help the church to hear in Scripture challenges to its life including to its doctrinal theology It suggests that doctrinal disagreement is inevitable but that a better quality of doctrinal disagreement is possible And finally it argues that by encouraging attention to voices that have previously been ignored doctrinal theology can foster the ongoing discovery of God's surprising work
