the trajectories of empires and civilizations Smil takes readers from bacterial invasions through animal metabolisms to megacities and the global economy He begins with organisms whose mature sizes range from microscopic to enormous looking at disease causing microbes the cultivation of staple crops and human growth from infancy to adulthood He examines the growth of energy conversions and man made objects that enable economic activities developments that have been essential to civilization Finally he looks at growth in complex systems beginning with the growth of human populations and proceeding to the growth of cities He considers the challenges of tracing the growth of empires and civilizations explaining that we can chart the growth of organisms across individual and evolutionary time but that the progress of societies and economies not so linear encompasses both decline and renewal The trajectory of modern civilization driven by competing imperatives of material growth and biospheric limits Smil tells us remains uncertain **Medieval Philosophy** Bruce

Foltz,2019-02-21 Medieval Philosophy A Multicultural Reader comprises a comparative multicultural reading of the four main traditions of the medieval period with extensive sections on Greek Byzantine Latin Jewish and Islamic traditions The book also includes an initial Predecessors section presenting readings with introductions from figures of antiquity upon whom all four traditions have drawn Representative readings from each of the four great traditions are presented chronologically in four different tracks along with engaging and accessible introductions to the traditions themselves as well as each individual thinker all selected and presented by noted scholars within each respective tradition This groundbreaking collection Offers readings from early thinkers that contextualize the medieval traditions Presents for the first time extensive readings from the Byzantine Christian tradition that has wielded an important cultural influence from Russia and the Balkans to the Middle East and Northern Africa Chooses and interprets texts that are integrally important within each of these four traditions living traditions that continue to shape values and beliefs today rather than seen from an external point of view such as that of a later school of philosophy Juxtaposes extensive readings from poetic and mystical elements within these traditions alongside the usual often more analytical readings Features a timeline of the entire period a map indicating the locations associated with philosophers included in this volume an annotated guide to further reading on each of these traditions and an index of names and of subjects that appear in the volume Given its relevance for approaching the medieval world on its own terms as well as for understanding the foundations of our own world the volume is intended not only as an academic textbook and reference work but as a readable and informative guide for the general reader who wishes to understand these great philosophical and religious traditions that continue to influence our world today or perhaps to simply glean the wisdom from these enduring texts This is a culturally inclusive title which seeks to provide the reader with a rich varied and comprehensive insight into the entirety of the medieval philosophical world *The Ephemeral Civilization* Graeme Snooks,2002-09-11 The Ephemeral Civilization is an astonishing intellectual feat in which Graeme Snooks develops an original and ground breaking analysis of changing sociopolitical forms over the past 3 000 years Snooks challenges the

prevailing theories of social evolutionism with an innovative approach which also looks ahead to the twenty first century The Ephemeral Civilization builds on the model of dynamic strategy outlined in the author s highly acclaimed companion volume The Dynamic Society The Ephemeral Society is divided into three parts theory history and future **Greek Realities** Finley Hooper,1978 The questions they raised and the answers they offered are still the concern of us all Finley Hooper
