From Tsarist General To Red Army Commander:

From Tsarist General to Red Army Commander M. Bonch-Bruyevich, 2004-03-01 The colorful career of Comrade General Mikhail Dmitriyevich translated from the Russian by Vladimir Vezey a fascinating account beginning with the outbreak of the First World War *From Tsarist General to Red Army Commander [by] M. Bonch-Bruyevich. Translated from The Russian by Vladimir Vezey* Mikhail Bonch-Bruyevich, **The Red Army, 1918-1941** Earl F Ziemke, 2004-05-20 Supported in large part by evidence released after the collapse of the Soviet Union this book follows the career of the Red Army from its birth in 1918 as the designated vanguard of world revolution to its affiliation in 1941 with the citadel of capitalism the United States **Red Commanders** Roger R. Reese, 2005 One of the largest and most feared military forces in the world the Red Army was a key player in advancing the cause of Soviet socialism Rising out of revolutionary era citizen militias it aspired to the greatness needed to confront its Cold War adversaries but was woefully unprepared to change with the times In this first comprehensive study of the Soviet officer corps Roger Reese traces the history of the Red Army from Civil War triumph through near decimation in World War II and demoralizing quagmire in Afghanistan to the close scrutiny it came under during Gorbachev's reform era Reese takes readers inside the Red Army to reconstruct the social and institutional dynamics that shaped its leadership and effectiveness over seventy three years He depicts the lives of these officers by revealing their class origins life experiences party loyalty and attitudes toward professionalism He tells how these men were shaped by Russian culture and Soviet politics and how the Communist Party dominated every aspect of their careers but never allowed them the autonomy they needed to cultivate a high level of military effectiveness Despite its struggle to develop and maintain professionalism the officer corps was often hampered by factors inextricably intertwined with the Soviet state Marxist theory revolutionary ideology friction between party and non party members and the influence of the army's political administration organs Reese shows that by rejecting the Western bourgeois model of military professionalism the state greatly limited its officer corps ability to develop a more effective military While a sense of group identity emerged among officers after World War II it quickly lost relevance in the face of postwar challenges especially the war in Afghanistan which underscored fatal flaws in command leadership Red Commanders offers new insight into the workings of a military giant and also restores Leon Trotsky to his rightful place in Soviet military history by featuring his ideas on building a new army from the ground up It is an important look behind the scenes at a military establishment that continues to face leadership challenges in Russia today **A Companion to the Russian Revolution** Daniel Orlovsky, 2020-10-19 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes

and meanings of revolution are many as is reflected in contemporary scholarship on the subject. *A Companion to the Russian Revolution* offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history. Presenting a wide range of contemporary perspectives, the Companion discusses topics including the dynamics of violence in war and revolution, Russian political parties, the transformation of the Orthodox church, Bolshevism, Liberalism, and more. Although primarily focused on 1917 itself and the singular Revolutionary experience in that year, this book also explores time periods such as the First Russian Revolution, early Soviet government, the Civil War period, and even into the 1920s. Presents a wide range of original essays that discuss. Brings together in depth coverage of political history, party history, cultural history, and new social approaches. Explores the long range causes, influence on early Soviet culture, and global afterlife of the Russian Revolution. Offers broadly conceived contemporary views of the revolution, largely based on the author's original research. Links Russian revolutions to Russian Civil Wars as concepts. *A Companion to the Russian Revolution* is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history, as well as anyone interested in Revolution as a global phenomenon. *The Imperial Russian Army in Peace, War, and Revolution, 1856-1917* Roger R. Reese, 2019-11-21. In December 1917, nine months after the disintegration of the Russian monarchy, the army officer corps, one of the dynasty's prime pillars, finally fell. A collapse that in light of World War I and the Bolshevik Revolution, historians often treat as inevitable. *The Imperial Russian Army in Peace, War, and Revolution, 1856-1917* contests this assumption. By expanding our view of the Imperial Russian Army to include the experience of the enlisted ranks, Roger R. Reese reveals that the soldier's revolt in 1917 was more social revolution than anti-war movement and a revolution based on social distinctions within the officer corps, as well as between the ranks. Reese's account begins in the aftermath of the Crimean War, when the emancipation of the serfs and consequent introduction of universal military service altered the composition of the officer corps, as well as the relationship between officers and soldiers. More catalyst than cause, World War I exacerbated a pervasive discontent among soldiers at their ill treatment by officers, a condition that reached all the way back to the founding of the Russian army by Peter I. It was the officers' refusal to change their behavior toward the soldiers and each other over a fifty-year period, Reese argues, capped by their attack on the Provisional Government in 1917, that fatally weakened the officer corps in advance of the Bolshevik seizure of power. As he details the evolution of the Russian Imperial Army over that period, Reese explains its concrete workings: from the conscription and discipline of soldiers to the recruitment and education of officers, to the operation of unit economies, honor courts, and wartime reserves. Marshaling newly available materials, his book corrects distortions in both Soviet and Western views of the events of 1917 and adds welcome nuance and depth to our understanding of a critical turning point in Russian history.

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele, 2015-11-19. This book is a detailed reference of the twentieth-century struggles that were waged across and beyond the decaying Russian Empire at the end of

the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born. At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would-be successor states across a prolonged period. The Historical Dictionary of the Russian Civil Wars 1916-1926 covers the history of this period through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has almost 2,000 cross-referenced entries on individuals, political and governmental institutions, and political parties and military formations and concepts, as well as religion, art, film, propaganda, uniforms, and weaponry. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War. *Soviet Strategic Thought, 1917-91* Andrei A. Kokoshin, 1998-01-15 During the Cold War, Westerners were obsessed with the military policies of the Soviet Union. Until the demise of the Soviet Union, however, few details of Moscow's thinking on military matters were available. In this book, Andrei Kokoshin reveals how Soviet military theorists developed and debated the concepts that provided the basis for the Kremlin's defense policies. Drawing on Soviet-era archives and unpublished materials, he sheds light on this important chapter in the history of Russia and the world. The book covers three main themes: the relationship between politics and military strategy in the Soviet Union; how the Soviet political and military leadership assessed threats to Soviet security; the nature of future wars and methods of warfare; and the relationship between offense and defense in Soviet military strategy. Kokoshin places the strategic concepts behind Moscow's military policies in the context of internal and international struggles for power and assesses the future role of military power in Russia's national security strategy.

Soviet Russia, 1922 **Fallen Soviet Generals** Aleksander A. Maslov, 2016-01-20 No war has caused greater human suffering than the Second World War on Germany's Eastern Front. Victory in the war cost the Red Army over 29 million casualties, whose collective fate is only now being properly documented. Among the many millions of soldiers who made up that gruesome toll were an unprecedented number of Red Army general officers. Many of these perished on the battlefield or in prison camps at the hands of their German tormentors. Others fell victim to equally terrifying Stalinist repression. Together, these generals personify the faceless nature of the war of the Eastern Front: the legions of forgotten souls who perished in the war. Covered up for decades, the saga of these victims of war can now be told, and in this volume, A. A. Maslov begins the difficult process of memorializing these warrior casualties. Using formerly secret Soviet archival materials and personal interviews with the families of the officers, he painstakingly documents the fate of Red Army generals who fell victim to wartime enemy action. Warfare in Europe 1919-1938 Geoffrey Jensen, 2017-05-15 Although ostensibly a time of peace, one of the richest and most fascinating periods in military history falls between the two world wars. With good reason, even today military theorists look to these years for relevant lessons. The articles and papers collected together in this volume highlight

the major themes and developments of interwar military affairs in Europe including the new doctrines of tank warfare air power German Blitzkrieg and Soviet operational art They also demonstrate the important place of the major armed conflicts of the period such as the Russian and Spanish Civil Wars in European history

The Bolsheviks and the Red Army 1918-1921 Francesco Benvenuti, 1988-10-28 The emergence of the military agency of the Soviet state is a crucial but neglected aspect of inter war Soviet history and in this pioneering study Francesco Benvenuti provides a detailed analysis of the politics as opposed to the operational activities of the Red Army during the Civil War Several historians have suggested that the roots of Stalinism may be found in the Bolshevik experience during the Civil War and Benvenuti shows that the military opposition inside the party was much stronger than conventionally supposed Trotsky's subsequent political weakness owed much to his ruthless pursuit of military goals not always in direct harmony with party interests as did his technocratic attempts to extend the role of specialist advisers at the expense of party officials

Captured Soviet Generals Aleksander A. Maslov, 2001 In this work Maslov relates the fate of those generals who fell into German captivity After relating the grisly circumstances of their ordeal in German prisoner of war camps Maslov then tells the sordid tale of how an ungrateful Soviet state condemned for treason against their homeland many of those who had served it loyally both in combat and in German prisoner of war camps By exploiting unprecedented archival materials Maslov demonstrates how Stalin and the Soviet security organs condemned and shot many of the returnee generals most on trumped up charges in part as scapegoats for the real crimes committed by Stalin and the Soviet military leadership during the tragic initial period of the war Publisher's description

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

The Allied Intervention in Russia, 1918-1920 I. Moffat, 2015-02-26 This work explores the reasons for the Allied intervention into Russia at the end of the Great War and examines the military diplomatic and political chaos that resulted in the failure of the Allies and White Russians to defeat the Bolshevik Revolution

Soviet Air Force Theory, 1918-1945 James

Sterrett,2007-01-24 This new book examines the development of Soviet thinking on the operational employment of their Air Force from 1918 to 1945 using Soviet theoretical writings and contemporary analyses of combat actions *The Russian Civil War* A. Murphy,2000-08-17 Translated documents from Russian archives give fresh insight into the Russian civil war a struggle whose outcome defined much of the history of our time Areas covered include Soviet relations with the Don Cossacks the problems of securing supplies for the Red Army the issues of disloyalty of the two successful cavalry commanders Colonel Mironov and Sergeant Budyonny as well as a selection of documents from White sources Alongside those giving an overview of Soviet strategic planning a good proportion of these documents come from much more humble sources allowing the reader to feel directly the emotions the faith the zeal and sometimes the deceit of people living through those crucial years *The Russian Imperial Army, 1796-1917* Roger R. Reese,2006 The majority of articles in this volume employ social historical methodology and see the Russian military as a window on the symbiotic triangular relationship between army state and society They demonstrate that the issues affecting the tsarist army were at all times a reflection of the many social problems aspirations or political thought of the broader imperial Russian civil society **Nationalizing the Russian Empire** Eric Lohr,2003-05-15 Table of contents **Military History's Most Wanted** M. Evan Brooks,2014-05-27 In 1944 U S Army Lt Gen Leslie J McNair was accidentally killed by USAAF bombers that dropped their bombs short of the target thus becoming the highest ranking American casualty of World War II Union Gen Daniel Sickles was the first person to be successfully acquitted of murder by pleading temporary insanity after he shot and killed the son of Star Spangled Banner composer Francis Scott Key in cold blood Ten years before Custer s infamous last stand U S cavalry Capt William J Fetterman disobeyed orders and led his eighty man detachment in pursuit of a band of Sioux Indians Neith

From Tsarist General To Red Army Commander Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has be more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **From Tsarist General To Red Army Commander**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. From Tsarist General To Red Army Commander Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading From Tsarist General To Red Army Commander free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading From Tsarist General To Red Army Commander free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading From Tsarist General To Red Army Commander free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading From Tsarist General To Red Army Commander. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading From Tsarist General To Red Army Commander any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About From Tsarist General To Red Army Commander Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From Tsarist General To Red Army Commander is one of the best book in our library for free trial. We provide copy of From Tsarist General To Red Army Commander in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From Tsarist General To Red Army Commander. Where to download From Tsarist General To Red Army Commander online for free? Are you looking for From Tsarist General To Red Army Commander PDF? This is definitely going to save you time and cash in something you should think about.
