

A silhouette of a person sitting on a grassy hill under a large tree at sunset, with a text overlay asking "Are you ready to stand before God?". The scene is bathed in the warm, golden light of the setting sun, with the sky transitioning from a deep orange near the horizon to a lighter yellow at the top. The person is seated on the grass, leaning against the trunk of a large, spreading tree. The overall mood is contemplative and serene.

From Where I Stand Before God

John SMITH (Minister of Clavering.)

From Where I Stand Before God:

Before God George W. Stroup, 2004 Many Christians today have experienced a loss of enormous significance they no longer understand their daily lives to be lived before God This timely work traces the development and implications of this loss and argues for its recovery In comparing contemporary Christians with believers of previous eras author George Stroup sees an eclipse of life lived before God This eclipse is tragic because the Bible presupposes human life as a daily personal relationship with God Stroup here offers help by exploring anew the biblical view that Jesus Christ models most clearly what life lived before God and neighbor looks like He then suggests that describing Christian life as gratitude naturally evokes a sense of life lived before God The book concludes by examining whether life before God requires a sense of God's presence and whether it is possible to live before God even in those times when he seems to be absent Offering thought provoking analysis of modern faith and sound direction for spiritual renewal *Before God* is perfect for churches study groups pastors and individuals pursuing genuine discipleship

The Stand Scott Burgess, Scott Burgess has crafted a most intriguing commentary on Revelation s Old Testament counterpart Readers will treasure The Stand Jesus in the Book of Daniel for its educational and devotional value It not only aids in deciphering mysteries and symbols but also encourages and promotes complete dedication to our Lord and Savior as it highlights the central theme of standing unsullied in the end time judgment The author upholds the traditional Adventist methodology of allowing Scripture to interpret itself and looking to history to confirm fulfilled prophecy With that said he also introduces a number of fresh insights He highlights

fascinating linguistic and conceptual connections with other portions of Scripture that many of us have not identified before Those who pore over this tome will find a number of areas they readily agree with and other areas that will require prayerful reflection before forming a decision but nearly all will acknowledge Burgess skillful manner of provoking prayerful thought and contemplation What makes any book like this truly worthwhile is the presence of Christ Burgess stresses the ubiquity of His manifestation throughout the book as the One who rules the universe past present and future and as the One who empowers His people to withstand the fiercest opposition for the sake of faithfulness to Him and His commandments Jesus offers the same empowerment to us especially as imminent events parallel what the four Hebrews experienced This 2 500 plus year old document speaks to us today Under Attack But Equipped to Stand Clifton Jones,2006-03 Two of the most important questions on the mind of every person pursuing true salvation are RWhat must I do to be saved S and RHow can I defend myself against enemy attack and remain saved S Bishop Jones has carefully crafted the answers to questions like these in this revised edition Practical Life *The Englishman's Greek Concordance of the New Testament; being an attempt at a verbal connexion between the Greek and the English texts, etc. [By George V.
