From Your Lips To Gods Ear:

From Your Lips to God's Ear Randy Connolly, Heidi Ratner-Connolly, 2005 Singles on a guest for the right mate will discover the insight they need to live the life they want and find their ideal partner in this practical guide Using their amazing story of how they found one another this husband and wife team encourages singles to skip the dating scene and put a personal advert in god s newspaper to align their conscious and unconscious minds with the energies of the universe to bring them together with their ideal love Point by point their 10 step plan shows readers how to break through the beliefs that hinder the attainment of what they most want send the message they intend to send and discover the direct route to the partner they desire From My Lips To God's Ear ,Ajani,2022-08-01 With aspirations of becoming a model and fashion designer a small town girl named Tomorrow Hawkins eagerly sets out to achieve her dreams by enrolling in a fashion academy in Atlanta Georgia But unfortunately her dreams were short lived after an evil jealous and enraged woman plunges Tomorrow into a life of insanity Suddenly Tomorrow finds herself diagnosed with a serious mental illness which drives her on the edge of a traumatic life change But somehow the same illness that has her oppressed for many years is what she uses to relive her dreams and help others who are also afflicted with mental disorders to relive their life dreams as well This book is a solution for many issues we face today including an impactful economic turnaround This book is a must read for all readers and those daring to dream a dream that goes against the odds in the world you live in From My Lips to God's Ears M A. Walker, 2012-03-09 This autobiographical novel is a fusion of the author's heritage and a recollection of the life altering event that potentially could have destroyed her life From the outset of the story which takes us back to the depression years and her father's exploits during World War II the reader gets the impression that this is not the real message there is something much deeper going on This curiosity about what really happened keeps the reader turning the pages only to discover the heart breaking story of cruelty and total disregard for a young girl s life Many times people feel isolated and alone while being surrounded by the family and friends who think they know them best The main character of this novel is such a person Her sense of worthlessness and self loathing lead to many acts of self destruction as she desperately tries to terminate her tortured life Such stories have become all too common and have the potential to destroy the hopes and dreams of their victims Fortunately for the readers of this book the story does not stop at that point It offers an understanding of how victims can find a way out of the hell in which they have been placed and become restored to wholeness once again It is the story of a second chance to have a normal life filled with all the happiness and endless blessings God intended all people to enjoy From My Lips to God's Ears has stirred up many emotions within me To open up and tell aspects of your life takes great courage It has made me realize that we are quick to judge when we really don't know what has gone on in a person's life I also believe that we have at least one good book in us but are probably not prepared to bare our souls as M A Walker has The bottom line is that God knows each book that is in us and He alone will judge the story we have to tell Great book please read

Fred Myers When It Was Our War Stella Suberman, 2003-10-05 When Stella Suberman wrote her first memoir The Jew Store at the age of seventy six she was widely praised for shedding light on a forgotten piece of American history Jewish life in the rural South In her new memoir Suberman reveals yet another overlooked aspect of America's past the domestic side of war Her story begins in the Miami Beach she grew up in when hotel signs boasted Always a View Never a Jew and where a passenger ship lingered just off shore carrying hundreds of European Jews hoping for but never finding sanctuary It was a time of innocence before that war in Europe became our war Stella was nineteen when America entered the fighting By the time she was twenty three the war was over She married Jack Suberman the week he enlisted and set out alone to join him in California She was kicked off trains to make room for soldiers her luggage was stolen she was arrested for soliciting but she was determined to follow her husband And she did so for the next four years as he was sent from air base to air base first training to be a bombardier and then training others It wasn t until he was sent overseas to fly combat missions that she finally went back home to wait as did so many other soldier's wives This remarkable memoir renders a double understanding of war of how it matured a young woman and how it matured a country By personalizing the patriotism of the 1940s Stella Suberman's story becomes the story of all military wives and serves as a powerful reminder of how differently many Americans feel about war sixty years later Vulture Capital Mark Coggins, 2007-08 Mystery novel which involves high tech companies From Your Lips to God's Ear Dr Ralph Stowe, 2004 Hello my name is Dr Ralph Stowe I have written a book that I believe will be of great interest to you Why should you even consider a book written by me Well let me share with you some of my credentials I was raised in a Swedish Baptist church in Joliet Illinois Bethel Baptist Church My mother ensured that I got to Sunday School every Sunday I even received a 9 year pin for consistent attendance At age 13 I was saved My father was a carpenter and taught me good work ethics and the skills necessary to earn my education My first degree was a BS in Mathematics from Illinois Institute of Technology While there I was privileged to eat dinner in the new cafe The motif was knotty pine with carved graffiti covering the walls At the table at which I was eating the wall read Zeus Saves I was shocked But upon muse realized that that is exactly what separates Christianity from all other religions our God is a God of His Word He gives us salvation we do not earn it He tells us exactly how to communicate with Him in His Word Since that time I have earned four doctorates and have presented written and authored over 50 papers and articles I have written 3 books and hold a U S Patent My early career focused upon scientific activities learning how to investigate evaluate and present information without skewing the view by my beliefs This book is written with that benefit to the reader It is God s Word about how to communicate with Him Every book has an intended audience This book is no exception It is for the Believer in Jesus Christ as the Son of God and as their Redeemer The book is not filled with heart moving stories It is not filled with personal examples of supernatural events It simply presents the Word of God supporting each chapter heading The first chapter clearly states the steps necessary to be in the intended audience for any who start to read the book and are not

in the group intended The book then goes on to investigate Who are we in relationship to God The book sites scripture to explain we are set apart by the Father when we believe and accept Jesus the Christ as our Savior Redeemer Lord and Brother He has made us free from all the power of Satan Sixteen scriptures from 12 different books of the Bible state we are the sons of the Living God when we make Jesus the Lord of our life There are only two families in the earth Those who have made Jesus Lord of their lives and those who have not We are delivered from darkness and our identification is with the all powerful God and His Son our brother Every thought word and action gives allegiance to one or the other of the two families We need to be careful to identify with the Righteousness of the Lord of Life So are you identifying with the fallen Adam in sin or with the resurrected righteousness through Jesus Who is the High Priest over your house From Your Lips to God's Ear answers with specific scriptures An example of how you might pray a prayer of salvation is outlined What does Prayer mean in God's Word is addressed If we are going to pray to God it would be wise for us to know what that really means Tradition may or may not have it right A look at some scholarly understanding of what the original words meant and the flavor of what the words were intended to convey is presented The Authorized King James version of the verses in which the words are used is offered for the reader's convenience For the rest of us suffice it to say that prayer is a verbal communication or petition We can praise God or say His words back to Him in a petition Another chapter addresses Effective Prayer There are ideas about prayer that are not scriptural The book presents safeguards that God built into the prayer system not to keep us out but to keep Satan from taking advantage of us From Your Lips to God's Ear presents scriptures that show that by not To Catch a Leaf Kate Collins, 2011-11-01 Flower shop owner Abby Knight is aglow with happiness Atlantic Monthly, 1911 now that she s officially engaged to her longtime beau Marco Salvare Nothing can possibly dampen her joy until wealthy dowager Virginia Newport is killed and Abby s assistant Grace Bingham is the prime suspect The plot thickens when they stumble upon mysterious stolen art and a missing cat all part of an elaborate heist Before Abby can throw her bouquet she ll have to save her friend and throw a killer and a thief in jail **Abandon** Stephanie Dorman, 2012-10-12 Annalise never thought she d live to see the apocalypse but after the 2012 election she finds herself in a world that is falling apart Riots are occurring everywhere and when her ex boyfriend Cort texts her with an escape plan she accepts the invite and follows him to the mountains of Western Maryland Once they make it to their destination though everything is not as it seems The power has gone out cell phone service is non existent and the six friends find themselves trapped in a vacation home with no way to discover what is going on elsewhere in the United States Turns out they might not really want to know after all The Blooding James McGee, 2015-07-15 1812 Matthew Hawkwood soldier turned spy is stranded behind enemy lines in America a country at war with Britain Heading for the safety of the Canadian border Hawkwood s route takes him to Albany where the chance sighting of a former comrade in arms Major Douglas Lawrence within a consignment of British prisoners stymies to his plans For as the two men make their escape they uncover an American plot to invade Canada If it is successful the entire
