## **From Night To Spiritual Light:**

Spiritual Light Randy Delp, 2010-12-21 Randy Delp presents his spiritual light theory from the teachings of Jesus and from first century church literature that has been lost until recent archeological findings in the Middle East The theory suggests that all physical substances that presently exist came from God and was created through His spiritual light This spiritual light can be fully examined in the spiritual realm but without spiritual senses we do not have the capability to see hear taste touch or smell the essence of that light God is called the Father of Lights His kingdom is a kingdom of light His sons are children of light This book explores the creation and how it came into being It also pronounces how Gods kingdom of light can be manifested and demonstrated in the physical realm through our obedience to divine authority and our proper responses to lifes situations Finally Randy Delp explains how the culmination of time and the Messianic return will reinstitute a manifested spiritual light where once again we will experience the spiritual realm as Adam and Eve did at creation The Apocalypse Explained According to the Spiritual Sense. Swedenborg, 2013-11-19 This writing was left unpublished at Swedenborg s death although it had apparently been carefully prepared for publication Except towards the end it is almost exclusively an exposition of the spiritual sense of Scripture Not only is every phrase in the Apocalypse as far as covered separately explained but thousands of passages gathered from all parts of the Word are quoted and expounded These expositions close with the tenth verse of the nineteenth chapter Towards the end extended doctrinal discussions are introduced Both for its exposition of passages of Scripture and for its doctrinal statements this is an exceedingly important and valuable work It is especially instructive in its expositions of the Psalms the Prophets and the Gospels **The Wisdom of Angels Concerning the Divine Providence.
