From Ritual To Theatre

John Emigh

From Ritual To Theatre:

From Ritual to Theatre Victor Witter Turner, 1982 How is social action related to aesthetics and anthropology to theatre What is the meaning of such concepts as work play liminal and flow In this highly influential book Turner elaborates on ritual and theatre persona and individual role playing and performing taking examples from American European and African societies for a greater understanding of culture and its symbols **From Ritual to Theatre** Victor Witter Turner, 1982

Masked Performance John Emigh, 1996 Growing out of a series of articles written over a 15 year period and illustrated with over 100 photos this volume offers a narrowed focus examination of various performing traditions that rely on the expressive power and imagination of masks It explores the redefinition of self into other when the mask is worn and examines actors and their performances in Papua New Guinea Orissa India and Bali **Ritual Theatre** Claire Schrader, 2012 This

book considers the relevance of ritual theatre in contemporary life and describes how it is being used as a highly cathartic therapeutic process With contributions from leading experts in the field of dramatherapy the book brings together a broad spectrum of approaches to ritual theatre as a healing system **Theatre, Ritual and Transformation** Sue

Jennings, 2018-12-20 Sue Jennings and her three children spent two years on a fieldwork expedition to the Senoi Temiar people of Malaysia Theatre Ritual and Transformation is a fascinating account of that experience She describes how the Temiar regularly perform seances which are enacted through dreams dance music and drama and explains that they see the seance as playing a valuable preventative role in people's lives as well as being a medium of healing and cure Her account brings together the insights of drama therapy and theatre with those of social anthropology to provide an invaluable theoretical framework for understanding theatre and ritual and their links with healing **The Roots of Theatre** Eli Rozik, 2005-04 The topic of the origins of theatre is one of the most controversial in theatre studies with a long history of heated discussions and strongly held positions In The Roots of Theatre Eli Rozik enters the debate in a feisty way offering not just another challenge to those who place theatre's origins in ritual and religion but also an alternative theory of roots based on the cultural and psychological conditions that made the advent of theatre possible Rozik grounds his study in a comprehensive review and criticism of each of the leading historical and anthropological theories He believes that the quest for origins is essentially misleading because it does not provide any significant insight for our understanding of theatre Instead he argues that theatre like music or dance is a sui generis kind of human creativity a form of thinking and communication whose roots lie in the spontaneous image making faculty of the human psyche Rozik's broad approach to research lies within the boundaries of structuralism and semiotics but he also utilizes additional disciplines such as psychoanalysis neurology sociology play and game theory science of religion mythology poetics philosophy of language and linguistics In seeking the roots of theatre what he ultimately defines is something substantial about the nature of creative thought a rudimentary system of imagistic thinking and communication that lies in the set of biological primitive and infantile

phenomena such as daydreaming imaginative play children s drawing imitation mockery caricature parody storytelling and mythmaking **The Origins of Theater in Ancient Greece and Beyond** Eric Csapo,Margaret C. Miller,2007-01-15

Publisher description *The Ideology of Ritual* Frank H. Gorman,1990-01-01 For the Priestly writers ritual was a fundamental form of theological reflection This study analyses the conceptual categories of space time and status in an effort to clarify the larger cultural and conceptual categories operative in the Priestly ritual system Drawing on interpretative models derived from cultural anthropology the author argues that Priestly creation theology forms a necessary context for understanding the Priestly rituals Chinese Theatre: An Illustrated History Through Nuoxi and Mulianxi Xiaohuan

Zhao,2021-12-30 Chinese Theatre An Illustrated History Through Nuoxi and Mulianxi is the first book in any language entirely devoted to a historical inquiry into Chinese theatre through Nuoxi and Mulianxi the two most representative and predominant forms of Chinese temple theatre With a view to evaluating the role of temple theatre in the development of xiqu or traditional Chinese theatre and drama from myth to ritual to ritual drama to drama Volume One provides a panoramic perspective that allows every aspect of Nuoxi to be considered not in the margins of xiqu but in and of itself Thus this volume traces xiqu history from its shamanic roots in exorcism rituals of Nuo to various forms of ritual and theatrical performance presented at temple fairs during community and calendrical festivals or for ceremonial functions over the course of imperial history and into the twenty first century followed by an exploration of the scriptural origins and oral traditions of Mulianxi with pivotal forms and functions of Nuoxi and Mulian storytelling examined explicated and illustrated in association with the development of corresponding genres of Chines performance literature and performing arts This is an interdisciplinary book project that is aimed to help researchers and students of theatre history understand the ritual origins of Chinese theatre and the dynamic relationships among myth ritual religion and theatre **The Power of Um** Werewere Liking,1996 This

possibility of her ritual plays to shift from one level to the other from rituals to topical issues without seeming didactic gives it a sophistication and an overwhelming impact that one hardly finds in realistic drama so prevalent in Francophone Africa

An Annotated Dictionary of Technical, Historical, and Stylistic Terms Relating to Theatre and Drama R. Kerry White,1995

Ritual, Family and Therapy in Anglophone Literatures Lars Heiler,2025-03-10 This book investigates the triadic constellations between ritual family and therapy in literature in English Many rituals so called rites of passage in particular are strongly associated with the changing status of individuals as members of a family unit Traditional healing rituals were often designed to have a therapeutic effect sometimes mentally but also physically whereas modern psychotherapies often include ritual elements in order to enhance the efficacy of their treatment Families on the other hand can be the site of therapeutic activity by providing protection stability and emotional comfort yet difficult family constellations may also be the origin of emotional distress and the reason why a person needs counselling and therapeutic support in the first place Modern therapies such as family systems therapy have expanded their range of interest and influence in order to look at the whole

family unit not just the symptomatic individual as client This study discusses nine literary texts six novels one literary memoir and two plays in which the three dimensions intersect and mutually influence each other Drama Education and Dramatherapy Clive Holmwood, 2014-06-05 Dramatherapy is increasingly being used in schools and educational establishments as a way of supporting young people's emotional needs This book examines the space between drama education and Dramatherapy exploring the questions Does a therapist teach When does the role of the drama teacher border on that of therapist How do these two professions see and understand each other and the roles they play In Drama Education and Dramatherapy Clive Holmwood draws on his experience as a Dramatherapist and examines the history of drama education and Dramatherapy exploring the social political therapeutic and artistic influences that have impacted these two professions over the last century He also discusses how these fields are intrinsically linked and examines the liminal qualities betwixt and between them The book considers two specific case studies from the therapist's and teacher's perspectives discussing what happens in the drama class and therapy space including how the dramatic form is understood explored and expressed both educationally and therapeutically The them and us mentality which often exists in two different professions that share a common origin is also explored The book contemplates how teachers and Dramatherapists can work collaboratively in the future bringing down barriers that exist between them and beginning a working dialogue that will ultimately and holistically support the children and young people they all work with This book will be of interest to those involved in using drama in an educational or therapeutic context including drama teachers arts therapists teachers of arts therapy and researchers within wider arts applied arts and educational faculties within colleges and universities **The Methuen Drama Handbook of Theatre History and Historiography** Claire Cochrane, Jo Robinson, 2019-10-31 Shortlisted for the 2021 TaPRA Edited Collection Prize The Methuen Drama Handbook of Theatre History and Historiography is an authoritative guide to contemporary debates and practices in this field The book covers the key themes and methods that are current in theatre history research with a particular focus on expanding the object of study to include engagement with theatre and performance practices and the development of theatre histories around the world Central to the book are eighteen specially commissioned essays by established and emerging scholars from a wide range of international contexts whose discussion of individual case studies is predicated on their understanding and experience of their local landscape of theatre history These essays reveal where important work continues to be done in the field and most valuably draws on academic contexts beyond the Western academy to expand our knowledge of the exciting directions that such an approach opens up Prefaced by an introduction tracing the development of the discipline of theatre history and changing historiographical approaches the Handbook explores current issues pertaining to theatre and performance history research as well as providing up to date and robust introductions to the methods and historiographic questions being explored by researchers in the field Featuring a series of essential research tools including a detailed list of resources and an annotated

bibliography of key texts this is an indispensable scholarly handbook for anyone working in theatre and performance history and historiography **Pre-colonial and Post-colonial Drama and Theatre in Africa** Lokangaka Losambe,Devi Sarinjeive,2001 In this collection of essays written from different critical perspectives African playwrights demonstrate through their art that they are not only witnesses but also consciences of their societies *Papers* Alessandra Raed,2020-09-28 *Papers* is a compilation of essays and articles in Drama and English literature It reflects the author s experiences views and studies in the areas of drama theatre production and performance and writing journalism and creative writing The works from other authors cited and or mentioned in this book are referenced *Current Approaches in Drama Therapy* David R. Johnson,David Read Johnson,Renee Emunah,2009 This second edition of *Current Approaches in Drama Therapy* offers a revised and updated comprehensive compilation of the primary drama therapy methods and models that are being utilized and taught in the United States and Canada including four new approaches It is intended as a basic textbook for the field of drama therapy Section I provides a context for the state of the field of drama therapy in North America describing the history of the field stages in professional development theory building emerging areas of interest and challenges for the future Section II includes the Integrative Five Phase Model Role Method Developmental Transformations Ritual Theatre Therapy Healing the Wounds of History Narradrama Omega Transpersonal Approach Psychoanalytic Approach Developmental Themes Approach ENACT Method STOP GAP Method Bergman Drama Therapy Approach Rehearsals for Growth and Performance in drama therapy Section III describes four related approachesOCoPsychodrama Socio drama Playback Theatre and Theatre of the Oppressed each of which has had significant influence on drama therapy practice A distinct index of key concepts in drama therapy is included demonstrating the consolidation and breadth of theory in the field This highly informative and indispensable volume is geared toward drama therapy training programs mental health professionals counselors clinical social workers psychologists creative art therapists occupational therapists theater and drama teachers school counselors and organizational development consultants **The Oxford Handbook of Community Music** Brydie-Leigh Bartleet,Lee Higgins,2018 Community music as a field of practice pedagogy and research has come of age The past decade has witnessed an exponential growth in practices courses programs and research in communities and classrooms and within the organizations dedicated to the subject The Oxford Handbook of Community Music gives an authoritative and comprehensive review of what has been achieved in the field to date and what might be expected in the future This Handbook addresses community music through five focused lenses contexts transformations politics intersections and education It not only captures the vibrant dynamic and divergent approaches that now characterize the field but also charts the new and emerging contexts practices pedagogies and research approaches that will define it in the coming decades The contributors to this Handbook outline community music s common values that center on social justice human rights cultural democracy participation and hospitality from a range of different cultural contexts and

perspectives As such The Oxford Handbook of Community Music provides a snapshot of what has become a truly global phenomenon

Writing Performance, Identity, and Everyday Life Ronald J. Pelias, 2018-03-13 Writing Performance Identity and Everyday Life invites the reader into Ronald J Pelias world of artistic and everyday performance Calling upon a broad range of qualitative methods these selected writings from Pelias submerge themselves in the evocative and embodied in the material and consequential often creating moving accounts of their topics The book is divided into four sections Foundational Logics Performance Identity and Everyday Life Part I addresses the methodological underpinnings of the book focusing on the touchstones that inform Pelias work performative autoethnographic poetic and narrative methods These directions push the researcher toward empathic engagement a leaning toward others using the literary to evoke the cognitive and affective aspects of experience and an ethical sensibility located in social justice Parts II IV focus on artistic and everyday life performances including discussions of the disciplinary shift from the oral interpretation of literature to the field of performance studies empathy and the actor s process conceptions of performance the performance of race gender and sexuality and performances in interpersonal relations and academic circles By the end readers will see Pelias demonstrate the power of qualitative methods to engage and to present alternative ways of being Pelias work shows us how to understand and feel the evocative strength of thinking performatively

Performance: pt. 1. Foundations and definitions Philip Auslander, 2003 This collection reflects not only the multidisciplinary nature of current thinking about performance but also the complex and contested nature of the concept itself
