**Huangqi Zhang**

## **From The Whippoorwill Hills When The Morning Comes:**

*The Cotton Fields* Ernestine Dodson Whitfield, 2014-05-06 *The Cotton Fields* is Ms Whitfield's fourth book. A well-written story of farm life in rural Mississippi Circa 1940 through 1950. Written with great insight into rural life at the time in our history. Filled throughout with wit and humor. You will follow the Blakney Family on their many everyday adventures. Never will there be a dull moment. It is Ms Whitfield's wish that you enjoy the stories and tales of THE COTTON FIELDS as much as she enjoyed the writing of them. Complimented throughout with poetry written solely by Ms Whitfield. Whippoorwill Hill

Jules Parker, 2025-02-03 After a rocky divorce Leslie Downing travels to the small town of Rosemont, Kansas, to lick her wounds and help renovate her uncle's newly acquired home. But when a handsome policeman comes knocking on her door, she soon finds out that Rosemont harbors some dark secrets and that her own problems pale in comparison to the trouble headed her way. Ex-sheriff turned ex-con Dane Chappell has lost everything at the hands of Rosemont's crooked mayor. In his quest for revenge, he doesn't care who gets hurt in the process, not even the beautiful stubborn newcomer who now occupies his home. When the temperature rises, can Leslie handle the heat? Or will Dane be the one going down in flames. **From the**

**Whippoorwill Hills** Ernestine Dodson Whitfield, 2004-06-01 Going home, my heart is racing, my mind flooded with memories of family and homeland. So many years have passed. Through the lens of God's camera, I see my precious father in all his glory as he made life on that forty-acre farm in the forties and fifties a daily adventure with his many tales and yarns. Dad was a good storyteller. I listened well, and God preserved the memories till my retirement, and I had the time to record the lifestyle of the true hillbillies that came from Ireland through the Cumberland Gap into Tennessee. You will laugh, sometimes cry, but mostly you will love knowing this wonderful family as you go back with me in a time lost in history. I hope in some small way to let the younger generation know about an American way of life that helped to make this country the greatest country on earth. **Little Folks' Land** Madge Alford Bigham, 1907 **The Kindergarten Magazine**, 1906 **Hills of Eden** Jory Sherman, 2012-07-10

Jory Sherman's first book for Gallivant Press. *The Hills of Eden* is a deeply personal look at the green highlands of Missouri and Arkansas. His work could easily be described as a travel book. He does lead the reader down beautiful and poignant mountain highways and long forgotten back roads to places that reflect the timeless legacy and unforgettable characters of the Ozarks. As he has written, "All the dirt roads lead somewhere, and I have followed many of them since that first morning, a wanderer and an explorer, never expecting anything but always finding something of great value, whether it be a diamond strewn creek in sunlight or a midnight river full of dancing stars or a verdant woodland glade. Or maybe it's a memoir of the time Sherman spent in the highlands, the time he says that was both mystical and magical, as if the green spring hills were being born at just that moment, as if they had lain dormant beneath a low sky full of heavy clouds, waiting for that first kiss of sunlight, waiting for me." He has written, "These green hills and memory percolates up through the thick layers of civilization in my mind. The hills that first morning arose out of a thick mist like some Brigadoon stage set that

appears only once in a span of years then disappears until another generation spawns Others may prefer to use The Hills of Eden as a devotional because the power and the passion of his writing the depth of his insights the raw energy of his thoughts are stimulating motivational and inspiring His words his stories those he met within the highlands remain firmly implanted in your mind long after the final pages have been read As Jory Sherman remembers I discovered long ago that it s not the things that last It s not the things we see and touch which endure in reality but the images of those things that are important to us that seem to mirror memories in the soul The images are those intangibles that we can summon from some deep place inside us and relive and enjoy again and again though we be far from home far from the hills and hollows that we have journeyed through to find our own truths our own personal mythology As reviewer Lee Kirk wrote This is the sort of book that may be pulled down again and again on those days when you re feeling blue or when you re somewhere else and need to smell and feel the Ozarks one more time
