From The Window:

From the Window of Gelato Jaideep Singh Chadha, 2014-03-14 Society is woven by strands of people who inhabit it its culture traditions and by its politics All these would collectively fail to hold it together had there been no stories to bind them Most of them were real These were stories which were narrated down generations over a bonfire sipping rum toddy or whatever else they liked to drink Gelato Ice Cream and Coffee parlor is like a roadside room with a view It is located in Sector 8 in the heart of Chandigarh an otherwise sleepy city of India The stories in this book are generated from the parlor itself and with passing time these will be talked about as stories from Chandigarh Thus S P S Oberoi Gullu Priya Rajvansh Sam Panwar Raja the langoor Angry Sad and Sad Sad come alive as the book progresses Words from the Window Seat Taylor Tippet, 2021-10-12 Flight attendant Taylor Tippet had just finished beverage service and was sitting in the back of a Boeing 737 when she had a revelation How can I show kindness to these passengers if I can't show it to myself She grabbed a tiny notepad and a Sharpie and wrote a simple message that would change her life Be kind to yourself Before she had time to think about it Taylor taped the note to a window posted a picture and then left the slip of paper in a seat back pocket for someone on the next flight to find What started as a personal project to encourage herself and others soon became a viral sensation In Words from the Window Seat Taylor shares stories of her travels daily life and interactions with people of all kinds anchoring each chapter around a note she's left for a stranger to find As she takes you from Chicago to Paris to Barcelona on planes trains and even a skateboard you'll learn how to embody love through little acts of kindness Discover the small moments of magic in the everyday Find ways to embrace your authentic self With charm inspiration and plenty of whimsy Taylor reminds us that even in a weary world it's possible to celebrate the beauty in each person's unique story and make an impact that goes deeper than you'll ever know Praise for Words from the Window Seat These pages will empower you to explore the many opportunities we have each day to encounter light and share love with others while traveling Whether traveling by air or traveling through life This book is an encouragement to be present in the everyday no matter what comes your way Morgan Harper Nichols bestselling author of *All Along You Were Blooming* Lessons from the Window Seat David Specht, 2000-06 *Specifications and Drawings of Patents Issued from the United States Patent Office* United States.
