Lexuan,2010-12-17 Kim Van Kieu for centuries has been regarded by the Vietnamese as the most beautiful jewel in painting  
the sentimental tenderness of the human soul Edited in the early 1813s this masterpiece of 3250 verses was structured in a  
particular form of prosody that has become since then a cherished anthem of Vietnamese poetry The story concerns a maiden  
endowed with mental and bodily graces an elite who placed between love and filial devotion deliberately chose the harder  
way she sold herself to save her father a victim of an unjust calamity And from that day on she passed from one misfortune to  
another until she sank into the most abject depravity But like the lotus after a long chain of stormy winds she succeeded in  
elevating herself and preserving the pure perfume of her original soul Homesickness seemed to carry away Her soul toward  
the forlorn clouds of Tsin My poor old parents Both now must be quite old Since my departure has their grievance Subsided  
any as time went by So fast more than ten years out of sight If they still live maybe their skin Has been wrinkled and their  
hair has turned gray Like frost covered as it had never been And the old love Regretful I may say Like the lotus torn off from  
its stem Though their former binding had been broken The feelings Kieu had conceived for Kim Seemed to still have a slight  
venation Kim Van Kieu 1963 Edition English translation by Professor Le Xuan Thuy had given the Western readers a chance  
to taste the delights of a new style of poem in prose version of Vietnamese poetry into English Forty six years later came into  
light a fresher gem with a more inspired form The Soul of Poetry inside Kim Van Kieu a vibrant versification of Kim Van Kieu  
by Professor Le Xuan Thuy himself well known online as international poet Hall of Fame Thuy Lexuan ASO

Environmental Engineering Dictionary of Technical Terms and Phrases Francis J. Hopcroft,Minh N. Nguyen,2017-09-20 This reference  
manual provides a list of approximately 300 technical terms and phrases common to environmental engineering which non  
English speakers often find difficult to understand in English The manual provides the terms and phrases in alphabetical  
order followed by a concise English definition then a translation of the term in Vietnamese and finally an interpretation or  
translation of the term or phrase in Vietnamese Following the Vietnamese translations section the columns are reversed and  
reordered alphabetically in Vietnamese with the English term and translation following the Vietnamese term or phrase The  
objective is to provide a technical term reference manual for non English speaking students and engineers who are familiar  
with Vietnamese but uncomfortable with English and to provide a similar reference for English speaking students and  
engineers working in an area of the world where the Vietnamese language predominates      *Sách song ngữ Làm thấy dễ
