**An Actor Prepares-- to Live in New York City** Craig Wroe, 2003. *Limelight*. A guide for actors and everyone else to getting the best for less and surviving, thriving and living the good life in the Big Apple. Here is the ultimate guidebook for the hordes of aspiring young performers who arrive in the Big City determined to climb the ladder to stardom. But the purpose of Craig Wroe, an actor himself, is not to provide instruction on how to refine acting, singing or dancing talents or how to land a job in the chorus of *The Producers*. Plenty of other books do that. His aim is far broader: to help you survive in the crowded, frantic, expensive maelstrom that is New York. From finding a decent, reasonably inexpensive place to live to finding competent, reasonably inexpensive dental care, from getting computer training to organizing your day to day existence to joining a gym to hardening your body from eating well to dressing better, all on a tight budget, there is virtually no aspect of life in New York that is not covered in this book. And it not only names names, it gives addresses and phone numbers as well. And keep in mind that newly arrived lawyers, accountants, models, writers, you name them, need these things too. *Suzy*

For more than ten years Suzy Gershman has been leading savvy shoppers to the world's best finds. Now *Born to Shop Paris* is easier to use and packed with more up to date listings than ever before. Inside you'll find the best of the shopping scene from tony designer boutiques to funky flea markets. What's new and hot from the revitalization of the Left Bank to the trendiest young designers. Excellent values from bath and body to home style. Great gift ideas even for the friend who has everything, plus the best gifts for less than 10.
