Beginning with the origins of local favorites such as Mt. Olympus bagels and Puerto Rican lasagna, the book looks back to early farming practices and the pre-European fare of the Leni Lenape. Essays trace the function of place and memory in Asian cuisine, the rise of Jewish food icons, the evolution of food enterprises in Harlem, the relationship between restaurant dining and identity, and the role of peddlers and markets in guiding the ingredients of our meals. Touching on everything from religion to nutrition, agriculture to economics and politics to psychology, *Gastropolis* tells a multifaceted story of immigration, amalgamation, and the making of New York's distinctively delicious flavor.

Dining in New York Rian James, 1931 [Appetite for Power](#) Bahar Leventoglu, 2021-09-07

An Official *Billions* Guide to More than One Hundred Iconic New York City Dining Institutions. From hole-in-the-wall to cozy neighborhood gems to Michelin-starred restaurants, the characters in the SHOWTIME series *Billions* know how to eat well as any fan of the beloved show can confirm. Creators Brian Koppelman and David Levien spectacularly display the city's vibrant food scene, but it's more than showing us how the one percent eats. It's about integrating food, which brings people together and is an integral part of our daily lives, into the storyline while honoring the quality, the diversity, and the legacy of culinary culture in New York City. It's about the city staples that have been around for generations. It's about the immigrants who brought their own food to New York and made it a part of city culture. It's about the power joints where the movers and shakers of the city discuss the affairs of the day. It's about the pizza slice or the candy bar that takes you back to your childhood. It's about those who start at the bottom of the kitchen chain and ultimately open their own restaurant, as well as about the old who pass the torch to future generations. It's about the energy and the creativity in New York's food industry that is setting the standards for the rest of the world. It's about everyone who has contributed to making New York the dining capital of the world as it is today. This book presents the complete list of restaurants, bars, bakeries, bodegas, and more featured in *Billions*. The listings include description and history of the chef and building, signature dishes, fun facts, and, of course, tie-in to the show's storyline. Which characters are eating there? What is the occasion? What are they discussing? Features include Empire Diner, Yonah Schimmel's Knish Bakery, Sushi Nakazawa, Peking Duck House, Veselka, The Spotted Pig, Ivan Ramen, Library Bar at the NoMad Hotel, Emmy Squared, Morgenstern's Ice Cream. So many more.
