## **Front Line:**

*Front-Line Leadership* Patrick Nelson, 2024-07-02 Expand your leadership toolkit and help others achieve their full potential with these empowering stories and lessons from the battlefield In *Front Line Leadership How to Eliminate Complacency and Build All In Engagement* experienced leader and veteran Patrick Nelson delivers an inspiring and exciting discussion of real world leadership that changes lives and gets results Born out of his experience as a paratrooper in the US Army where he led soldiers during three combat deployments and earned a Bronze Star Medal and Purple Heart the book will explore first hand accounts of the author's time in combat that shed light on how you can lead men and women in academic business non profit military and governmental settings The book offers deep insights into developing a growth mindset service based leadership forward looking accountability and how to build self awareness The stories within make it clear that leadership is not just a position or title but rather the behaviors that we demonstrate Additionally each chapter culminates with a practical takeaway for the reader to challenge themselves daily You'll also find Strategies for getting unstuck in your personal and professional life Techniques for developing a clear understanding of who you are and what you can bring to an organization as a leader Ways to propel your leadership skills forward by focusing on what you can offer others instead of what others can give you Perfect for managers executives directors and other business leaders *Front Line Leadership* is also a must read for active military service members non profit professionals government workers and leaders athletes teachers and anyone else tasked with shaping and encouraging the efforts of others **Front-line Defense** United States. Congress. House. Committee on Homeland Security. Subcommittee on Economic Security, Infrastructure Protection, and Cybersecurity, 2008 *The Front-Line Leader* Chris Van Gorder, 2014-10-20 Real leadership that leads to high engagement higher performance and a culture of accountability As president and CEO of Scripps Health one of America's most prestigious health systems Chris Van Gorder presided over a dramatic turnaround catapulting Scripps from near bankruptcy to a dominant market position While hospitals and health systems nationwide have laid people off or are closing their doors Scripps is financially healthy has added thousands of employees even with a no layoff philosophy and has developed a reputation as a top employer What are the secrets to this remarkable story In *The Front Line Leader* Chris Van Gorder candidly shares his own incredible story from police officer to CEO and the leadership philosophy that drives all of his decisions and actions people come first Van Gorder began his unlikely career as a California police officer which deeply instilled in him a sense of social responsibility honesty and public service After being injured on the job and taking an early retirement Van Gorder had to reinvent himself taking a job as a hospital security director a job that would change his life Through hard work and determination he rose to executive ranks eventually becoming CEO of Scripps But he never forgot his own roots and powerful work ethic or the time when he was a security officer and a CEO would not make eye contact with him Van Gorder leads from the front lines making it a priority to know his employees and customers at every level His values

learned on the force protecting the community educating citizens developing caring relationships and ultimately doing the right thing shape his approach to business As much as companies talk about accountability managers seldom understand what practical steps to take to achieve an ethic of service that makes accountability meaningful The Front Line Leader outlines specific tactics and steps anyone can use starting today to take responsibility inspire others and achieve breakout results for their organizations Van Gorder reveals how a no layoff philosophy led to higher accountability how his own attention to seemingly minor details spurred larger change and how his own high standards for himself and his team improved morale and productivity From general strategy to the tiny everyday steps leaders can take to create the kind of culture and accountability that translates into major competitive advantage The Front Line Leader charts a path to better leadership and a more engaged higher performing organization

**The Old Front Line** Stephen Bull,2014-08-19 Now that the last veterans are gone the First World War is now a completely historical subject governed by archaeology and genealogy battlefield tourism and military history The anguish and privations are a bit further away but there is still huge interest in the awful conditions and carnage endured by a generation of youth who sacrificed their lives for their country The Old Front Line is a phrase first coined by the poet John Masefield when he looked back on the battle of the Somme from a distance of just one year in 1917 and speculated how the Western Front might look in the future Stephen Bull's copiously illustrated work part travel guide part popular history a century on answers his speculations The main source material is new and contemporary photographs as well as some from the intervening century Taken together these provide a series of exciting vistas and informative details that tell the story of the battles and landscapes Aerial photography old and new ground shots and in a few cases even images taken underground provide an authoritative summary of the war on the Western Front Following an introduction that sets the scene and looks at the early stages of the war eight chapters examine the Western Front geographically looking closely at the main areas of fighting and what is visible today not just the iron harvest the scars left by trench and battle but also the cemeteries war memorials and statues that remind the visitor starkly of the loss of a generation

**Judgment on the Front Line** Chris DeRose,Noel M. Tichy,2012-10-11 Front line employees who deal directly with customers are the face of any organization Not only do they have the most impact on how a brand is perceived but they are also the most valuable source of insight into what customers want and how to give it to them Unfortunately as management experts Chris DeRose and Noel M Tichy explain most organizations don't know how to evaluate the risk of giving employees more autonomy Many of those who are willing to try haven't even invested resources in ensuring that once the shackles are off front line employees make good judgments Tichy and DeRose offer powerful examples of front line leadership such as How Zappos trusts its people to do anything in service of a customer including providing free product or reimbursing for mistakes How Mayo Clinic of Arizona enabled its nurses to challenge the hierarchy in order to improve patient care

Frontline Delivery of Welfare-to-Work Policies in Europe Rik van Berkel,Dorte Caswell,Peter

Kupka, Flemming Larsen, 2017-06-27 Welfare to work or activation policies refer to programmes aimed at promoting the employability labour market and social participation of benefit recipients of working age Frontline workers delivering these policies are conceived of as policy implementers as policy makers and as actors mediating politics in an arena where conflicting interests are at stake Frontline work plays a crucial role in determining what welfare to work practically means and how it affects the lives of the people it targets Yet few books have deliberately focused on comparing what happens when frontline workers some of whom are professional social workers meet clients Pioneering the provision of scholarly reflections on both theoretical and policy relevance of studying frontline practices of delivering activation internationally renowned researchers present the first comparative analysis of how activation policies are actually delivered by frontline staff in selected EU countries and in the United States In trying to understand and interpret frontline practices in activation each contribution provides insights into what activation in practice looks like what services are provided and how they are enacted This involves examining processes of client selection monitoring sanctioning and motivating as well as the role of external service providers This book is an important acquisition for scholars and researchers of social policy public administration public management social work and policy implementation

**Trauma, Resilience, and Posttraumatic Growth in Frontline Personnel** Jane Shakespeare-Finch, Paul J. Scully, Dagmar Bruenig, 2024-02-27 Trauma Resilience and Posttraumatic Growth in Frontline Personnel examines the history context nature and complexity of working in front line services Chapters provide a detailed overview of specific mental health models that are applicable both on a day to day basis and to disaster and major event response The book also details elements of mental health responses that have been proven to facilitate coping minimize risk and promote both resilience and posttraumatic growth These strategies include but are not limited to peer support programs mental health education and psychological first aid Each chapter incorporates research on PTSD anxiety and depression as well as research relating to posttraumatic growth resilience connectedness and belongingness Trauma Resilience and Posttraumatic Growth in Frontline Personnel is a vital guide for those who provide care to trauma survivors as well as for researchers and scholars

**Succeeding as a Frontline Manager in Today's Organizations** Ronald R. Sims, 2021-01-01 Succeeding as a Frontline Manager in Today's Organizations highlights the fact that as the world of work continues to change in response to a variety of trends issues and opportunities managers on the frontline will still be expected to see that their organizations operate both effectively and efficiently to not only survive but to thrive To do this frontline managers FLMs must continue to learn and develop their skills to get the organization's work done through its people This book examines both the traditional and contemporary skills today's frontline managers must have at a minimum and those they must successfully learn to implement to fulfill their critical roles and responsibilities The book argues that FLMs will continue to play a critical role in helping their organizations pursue and achieve their strategic tactical and operational goals efficiently and effectively By focusing on the skills a good FLM needs this book offers specificity on

what the FLM and their organizations must do to increase the potential for the success of FLMs in having a positive influence on the organization overall by focusing both on results and the well being of employees The book examines not only looks at the essentials of effective management but discusses the importance of how one becomes and makes a smooth transition to the role of a FLM In addition the book examines the essential elements of management planning organizing controlling and leading while also offering an in depth look at the important role FLMs can and should play as it relates to ethics building and leading effective teams and safety and health Each chapter offers insights into what FLMs can do to be effective in their work particularly for those FLMs who want to continue to develop themselves as they play the different roles and exercise different skills in doing their jobs In the end this book is written for those who are interested in increasing their understanding of the FLMs role responsibilities and skills needed to be effective while also getting those who work for them to accomplish their work effectively efficiently and productively on their own or as a member of a group or team The EC Archives: Frontline Combat Volume 3 Harvey Kurtzman,2021-11-16 In these classic EC tales of war legendary Writer Artist Editor Harvey Kurtzman collaborates with some of the greatest artists of all time in Wally Wood John Severin Alex Toth and many others to create stirring tales of daring soldiers and the horrors of war in stark uncompromising detail Collecting Frontline Combat 12 15 this volume features in fully remastered digital color the work of comic book greats Harvey Kurtzman Wally Wood John Severin Bill Elder George Evans and Alex Toth **European Powers in the First World War** Spencer Tucker,2018-12-07 First published in 1996 The First World War was the single most important event of the twentieth century This volume concentrates on non U S aspects of the conflict Organized alphabetically its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict major battles and campaigns weapons systems including military aviation chemical warfare the submarine and the tank and the terms of the peace Some 350 biographies provide information on the roles played in the conflict by generals admirals and civilian leaders There are also biographies of individuals who were shaped by the war such as Charles De Gaulle Adolf Hitler Benito Mussolini and Joseph Stalin essays on each of the countries involved in the conflict new appraisals of such subjects as military medicine and artillery tactics and essays on such diverse subjects as art literature and music in the war Each entry has references for additional reading and a subject index provides easy access The volume is an excellent reference source for scholar and neophyte alike Customer Care Excellence Sarah Cook,2008 Emphasizing both strategic and practical aspects of customer care this work explains how gaining customer commitment and motivating employees to deliver an excellent service at all of a company s touch points can ensure successful results and satisfied customers **Soviet Women on the Frontline in the Second World War** R. Markwick,E. Charon Cardona,Euridice Charon Cardona,2012-06-26 This is the first comprehensive study in English of Soviet women who fought against the genocidal misogynist Nazi enemy on the Eastern Front during the Second World War Drawing on a vast array of original archival memoir and published sources this book captures the

everyday experiences of Soviet women fighting living and dying on the front

**Described in Section 170 (c) of the Internal Revenue Code of 1986**, 1993

Although a young doctor when he volunteered for the Spanish Civil War in late 1936 New Zealander Douglas Jolly swiftly acquired a reputation as one of the most gifted and energetic surgeons of the Republican Army's medical services. Over the next two years he performed countless life saving operations on wounded combatants from both sides of the conflict as well as on civilians. Tireless, dedicated and courageous he developed significant and innovative treatment systems based on the principle of working as near as possible to the front line. Jolly used this unprecedented battlefield experience to write a manual that was widely used in World War II and the Korean and Vietnam Wars. Frontline Surgeon traces Jolly's remarkable career from medical training in 1920s New Zealand postgraduate study during the rise of fascism in Europe, almost a decade of frontline surgery and into civilian life as medical director of Britain's largest hospital for amputees. One of the greatest war surgeons of the twentieth century Jolly has been mysteriously omitted from the ranks of pioneers of modern medicine. This engaging biography intensively researched in many countries both explains and redresses that omission.

**Cumulative List of Organizations**

*Frontline Surgeon* Mark Derby, 2024-06

**Responsive and accountable?** Great Britain: Parliamentary and Health Service Ombudsman, 2011-10-25. This report reveals complaint handling across government to be inconsistent, haphazard and unaccountable, operating without any overarching design, overall standards or common performance framework. This is unhelpful for people who want to change their experience of interacting with a public service by making a complaint. It also means opportunities to improve public services through complaint handling are being missed. There is no shared view across government of the standard of complaint handling that a member of the public can reasonably expect. Complainants may be required to navigate anything between one and four stages of a complaint procedure before local resolution is completed and the complainant can bring their complaint to the Ombudsman. The absence of any clear methodology or machinery to share best practice or ensure lessons from complaints are learnt across government departments increases the likelihood of the same mistakes being repeated again and again. The Ombudsman's Principles of Good Complaint Handling are a good starting point for government in the task of ensuring that all departments share an understanding of the importance of fairness, transparency and accountability. But there is a need for strong leadership from the top committed to developing a culture across the civil service that values complaints. The report covers the survey of departments, case studies and gives statistics on complaint handling and the financial costs of poor complaint handling.

Report from the Frontline United States. Congress. House. Committee on Government Reform and Oversight. Subcommittee on National Security, International Affairs, and Criminal Justice, 1998

Working in Policing Ian Pepper, 2011-08-01. Aimed at new recruits or HE students

thinking about a career in policing this book provides a clear overview of and insight into the many and varied roles available. From a neighbourhood police officer or a detective to a crime scene investigator gathering evidence or an analyst collating intelligence, the book examines what each role entails, the skills required, and the best pathway to securing the job. An extended case study runs through the book, demonstrating how the different roles are involved in and contribute to a single investigation, and self-assessment questions relating to each role check the reader's understanding. **Atlantic Reporter**
