**Autumn's Back Porch** Mike Hall, 2021-03-02 This book is a collection of poems dealing with the author's own personal reflections about life They are works of encouragement faith and social consciousness meant to uplift the reader in their daily walk through their own individual journey They were written as a message of hope for the trying times in which we currently find ourselves     Handbook on Linear Perspective, Shadows, and Reflections Otto Fuchs, 1902     *Reflection* Jamie Frazier, 2020-04-27 Reflection By Jamie Frazier In a small town live two people who never met but are perfect for each other If they would meet they would be happy together Margaret Crowley is a teenage girl who feels alone in life Her dream is to find a man who will love her so she'll never be alone again Joe Chandler is a man in love with a girl in his past His love and desire for her drives him to be great in life so one day he can have a great life and have her too However unknown to everyone in the town an ominous terror is lurking in the streets at night Now suddenly unsolved murders start to happen There will be reflections of love and reflections of horror     **Self Reflection** Phillip A Crosby, 2024-04-04 A writer I grow My mind is open to new So words do now flow A poet I grow I am old so free to be Anything I know An artist I be My mind clearly formulates Apps paint the mind does see I am the new old Blessed be mind's longevity It still burns white hot There came a point after turning 82 that I reflected on the question do people really know me Do I really understand thus know myself I decided to reflect understand and express who I am through whatever expressive vehicle that moves me At first in was only prose but I soon turned to poetry to flush out what I wanted to say One day while writing I noticed the fingerprints on my iPad screen Morning sunlight was streaming in the window and illuminating the fingerprints I was curious to see how apps designed to colorize old B W photos would handle these apparent B W fingerprints This kicked in my curiosity regarding what I could create using any and all digital image tools at my disposal My creativity was stimulated and after a year of creating have hundreds of digitally created images that please me I include a few early images in this book What impact do I hope this book creates At a minimum I hope when my family think of me they utilize this Self Reflection to stimulate or eventually introduce my essence to future generations I hope others that read my Self Reflection consider creating a similar glimpse into their essence to edify future generations     **Dancing in the Reflections** Patricia Mussolum, 2015-03-06 Dancing in the Reflections is an invitation to keep an expectant lookout for the unfathomable experiences with God in our
