Front Row At The White House:

Front Row At The White House Helen Thomas, 1999-08-14 I m still here still arriving at the White House in the wee hours of the morning reading the papers and checking the wire still waiting for the morning briefing still sitting down to write the first story of the day and still waiting to ask the tough questions From the woman who has reported on every president from Kennedy to Clinton for United Press International a unique glimpse into the White House and a telling record of the ever changing relationship between the presidency and the press From her earliest years Helen Thomas wanted to be a reporter Raised in Depression era Detroit she worked her way to Washington after college and unlike other women reporters who gave up their jobs to returning veterans parlayed her copy aide job at the Washington Daily News into a twelve year stint as a radio news writer for UPI covering such beats as the Department of Justice and other federal agencies Assigned to the White House press corps in 1961 Thomas was the first woman to close a press conference with Thank you Mr President and has covered every administration since Kennedy s Along the way she was among the pioneers who broke down barriers against women in the national media becoming the first female president of the White House Correspondents Association the first female officer of the National Press Club and the first woman member later president of the Gridiron Club In this revealing memoir which includes hundreds of anecdotes insights observations and personal details Thomas looks back at a career spent with presidents at home and abroad on the ground and in the air She evaluates the enormous changes that Watergate brought including diminished press access to the Oval Office and how they have affected every president since Nixon Providing a unique view of the past four decades of presidential history Front Row at the White House offers a seasoned study of the relationship between the chief executive officer and the press a relationship that is sometimes uneasy sometimes playful yet always integral to democracy Soon enough there will be another president another first lady another press secretary and a whole new administration to discover I m looking forward to it although I m sure whoever ends up in the Oval Office in a new century may not be so thrilled about the prospect **Front Row at the Trump Show** Jonathan
