Frontier Nurse Mary Breckinridge:

Frontier Nurse: Mary Breckinridge Katharine Elliott Wilkie, Elizabeth Robards Moseley, 1969 A biography of the woman who gave up the riches and comfort of her aristocratic birth to serve as a nurse in the Kentucky mountains where she established the Frontier Nursing Service

Mary Breckinridge Melanie Beals Goan, 2012-09-01 In 1925 Mary Breckinridge 1881 1965 founded the Frontier Nursing Service FNS a public health organization in eastern Kentucky providing nurses on horseback to reach families who otherwise would not receive health care Through this public health organization she introduced nurse midwifery to the United States and created a highly successful cost effective model for rural health care delivery that has been replicated throughout the world In this first comprehensive biography of the FNS founder Melanie Beals Goan provides a revealing look at the challenges Breckinridge faced as she sought reform and the contradictions she embodied Goan explores Breckinridge s perspective on gender roles her charisma her sense of obligation to live a life of service her eccentricity her religiosity and her application of professionalized science based health care ideas Highly intelligent and creative Breckinridge also suffered from depression was by modern standards racist and fought progress as she aged sometimes to the detriment of those she served Breckinridge optimistically believed that she could change the world by providing health care to women and children She ultimately changed just one corner of the world but her experience continues to provide powerful lessons about the possibilities and the limitations of reform

Wide Neighborhoods Mary Breckinridge, 2021-05-14 *Wide Neighborhoods* is the autobiography of Mary Breckinridge the remarkable founder of the Frontier Nursing Service It is equally the story of the unique organization she founded in the mountains of Eastern Kentucky in 1925 the Frontier Nursing Service Riding out on horseback the FNS nurse midwives the first of their profession in this country proved that high mortality rates and malnutrition need not be the norm in remote rural areas The FNS through its example and through the graduates of tis school of midwifery and family nursing has exerted a lasting influence on family health care throughout the world

The Frontier Nursing Service Marie Bartlett, 2014-06-26 There was a time when the average American woman was more likely to die from childbirth than from any other condition except tuberculosis This was especially true in areas where hospitals and quality medical care were scarce or nonexistent But deep in the rolling hills of eastern Kentucky s Cumberland Range one woman almost single handedly changed those dismal figures Her name was Mary Breckinridge and her goal was to introduce quality professionally trained midwifery to the United States The Frontier Nursing Service opened in 1925 in Leslie County Kentucky set out to meet the health needs of women and infants in one of the poorest regions of America This book tells the story of Breckinridge s unparalleled dedication to midwifery and provides a historical overview of the first 40 years of the Frontier Nursing Service

[Frontier Nursing in Appalachia: History, Organization and the Changing Culture of Care](#) Edie West, 2019-11-01 This book provides a historical analysis of the Frontier Nursing Services in the Eastern Appalachians of the United States as well as a review of

the oral history tradition of former frontier and non frontier nurses The data was gathered from 2003 to 2007 and the historical part covers the years 1900 to 1970 The objective of the study presented here was to conduct interviews with former frontier and non frontier nurses in order to better understand their family and personal relationships and the experiences that motivated their career choices These interviews also give a voice to the working and middle class women of the FNS The emerging themes include moral inhabitability in work education environments the generational mix nurse physician and male female relationships at the workplace the role of technology humanitarian versus financial rewards and the public image of nurses In addition the book examines how the FNS shifted from a community grass roots structure to the corporate business model of healthcare delivery employed today In closing it stresses the importance of exploring past nursing in order to better grasp present nursing It also represents a testament to the professional work and vital contributions of frontier nurses

She who is Like a Mare Karen Kotrba, 2012 Founded in 1925 by Mary Breckinridge the Frontier Nursing Service FNS brought much needed professional health care to mountain families of Eastern Kentucky The FNS nurses trained as midwives provided public health services and trauma care as needed She who is like a mare poems of Mary Breckinridge and the Frontier Nursing Service uses historical research and speculative imaginings to create the voices and tell the stories of the nurses and their patients Skillfully rendered dramatic monologues document the remarkable history of the Frontier Nursing Service in eastern Kentucky in the early twentieth century Through the imagined voices of the founder Mary Breckinridge and the nurse midwives she trained to travel the back roads of Kentucky on horseback Kotrba brings a whole community to life With a sure command of the multiple tones and mixed dictions of the region she gives voice to a wide range of characters

Servant Leadership in Nursing Mary O'Brien, 2011 *Servant Leadership in Nursing Spirituality and Practice* in Contemporary Health Care embraces the philosophy that a true leader in any venue must be a servant of those he or she leads This text includes current information on the relevance of servant leadership for nurses practicing in a health care setting with extensive literature review on leadership in nursing and healthcare as well as on servant leadership This unique text also includes many powerful and poignant perceptions and experiences of servant leadership elicited in tape recorded interviews with 75 nursing leaders currently practicing in the contemporary healthcare system *The Breckinridges of Kentucky* James C. Klotter, 2014-10-17 Across more than six generations beginning before the Revolutionary War the Breckinridge family has produced a series of notable leaders These often controversial men and women included a presidential candidate a U S vice president cabinet members generals women s rights advocates congressmen editors reformers authors and church leaders Along with success the Breckinridges like other Americans faced hardship and war contended with race lived through difficult family situations including a sex scandal and encountered personal and political failure An articulate opinionated and frank family the Breckinridges have left a detailed record that allows us a vivid recreation of the range of American history and society **Mary On Horseback** Rosemary Wells, 2000-10-23 Master storyteller Rosemary Wells tells the incredible true story of a World War I nurse who brought medical care to the Appalachians Mary Breckinridge trained as a nurse during World War I rode on horseback into the isolated mountains of Appalachia and never looked back Instead she spent her life fording icy streams and climbing untracked mountains to bring medical help to those in need More nurses on horseback joined Mary and the Frontier Nursing Service was born Mary s story is amazing And it is true Wells s realistic yet poetic prose perfectly captures the dichotomy of the majestic beauty of Appalachia and the harsh realities of mountain life This one s a gem School Library Journal **Tales from Kentucky Nurses** William Lynwood Montell, 2015-02-20 This oral history shares stories of Kentucky nurses from frontier births to emergency rooms and from the early twentieth century to the present day From frontier times to the present day Kentucky nurses have served with intelligence and energy always ensuring that their patients received the best available care

Folklorist and oral historian William Lynwood Montell collects nearly two hundred stories from these hard working men and women in *Tales from Kentucky Nurses*. From humorous anecdotes to spine chilling coincidences tragic circumstances and heartwarming encounters the tales in this lively volume are recorded exactly as they were told to Montell. This collection features anecdotes from the famous Frontier Nursing Service which provided essential care to families in remote areas of the state and whose leader Mary Breckinridge is remembered for her wit and kindness. In addition Montell's interviewees share ghost stories and describe folk remedies like the practice of placing an axe under a woman's pillow during labor to cut the pain. These firsthand accounts not only pay homage to an underappreciated profession but also preserve important aspects of Kentucky's history not likely to be recorded elsewhere.
