Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 *Advertising Culture and Translation* Rosanna Masiola,2017-03-07 This book is the first comprehensive study combining and integrating advertising culture and translation within the framework of colonial Commonwealth and postcolonial studies and globalization It addresses a number of controversial issues evident in two relatively young disciplines as a result of decades of research and teaching in university courses A cross cultural approach to translational issues and the translatability of advertising cohesively is adopted here exploring the dynamics of the conflict between the centre and the periphery It introduces the concept of advertising English as lingua franca AELF marking new trends in the domain of varieties of English around the world VEAUW The data examined here show the ambivalent polarity conditioning advertising and translation both have been mutually exclusive and both have been subject to bans censorship and ideological control racism propaganda and stereotyping In their fundamental principles and concepts of theories and applications however neither discipline cannot exist outside a free market and total freedom of expression and trust

Siegel,2005-03-29 Psychopharmacologist Ronald K Siegel draws on 20 years of groundbreaking research to provide countless examples of the intoxication urge in humans and animals Presenting his conclusions on the biological and cultural reasons for the pursuit of intoxication Siegel offers recommendations for curbing the negative effects of drug use in Western culture by designing safe intoxicants **The British National Bibliography** ,1950 **Writing a Small Nation's Past** Neil Evans,2016-02-17 This is the first volume to examine how the history of Wales was written in a period that saw the emergence of professional historiography largely focused on the nation across Europe and in the United States It thus sets Wales in the context of recent work on national history writing in the nineteenth and twentieth centuries and more particularly offers a Welsh perspective on the ways in which history was written in small mainly stateless nations The comparative dimension is fundamental to the volume s aim highlighting what was distinctive about Welsh historical writing

and showing how the Welsh experience mirrors and illuminates broader historiographical developments The book begins with an introduction that uses the concept of historical culture as a way of exploring the different strands of historiography covered in the collection providing orientation to the chapters that follow These are divided into four sections Contexts and Backgrounds Amateurs and Popularizers Creating Academic Disciplines and Comparative Perspectives All these themes are then drawn together in the conclusion to examine how far Welsh historians exemplify widespread trends in the writing of national history and thereby point up common themes that emerge from the volume and clarify its broader significance for students of historiography

Shakespeare in the Theatre: The American Shakespeare Center Paul Menzer, 2017-02-23 The original Blackfriars closed its doors in the 1640s ending over half a century of performances by men and boys In 2001 in the Shenandoah Valley of Virginia it opened once again The reconstructed Blackfriars home to the American Shakespeare Center represents an old playhouse for the new millennium and therefore symbolically registers the permanent revolution in the performance of Shakespeare Time and again the industry refreshes its practices by rediscovering its own history This book assesses how one American company has capitalised on history and in so doing has forged one of its own to become a major influence in contemporary Shakespearean theatre
