What the Book Covers Contains a wealth of attractive and exciting photocopiable resources for able and talented pupils in both the primary and secondary sectors. Provides activities designed to inspire, motivate, challenge and stretch able children, encouraging them to enjoy their true potential. Begins with sections designed to help teachers build provision for able and talented children into the curriculum. The large bank of resources is organised according to areas of the National Curriculum and Scottish 5-14 Guidelines such as English, Science and Mathematics, each preceded by a commentary outlining key principles and giving general guidance for teachers. *Effective Provision for Able & Talented Children* Barry Teare, 1997 **Effective**
