Effective Social Care For The Elderly:

Performance Indicators in Social Care for Older People David Challis, Paul Clarkson, 2017-03-02 The growing focus on performance review and monitoring means that awareness and use of performance indicators has increased throughout a number of public services Set within a national context this book reviews the historical development and measurement issues of performance indicators within social care and the public sector for older people It then provides an approach to effective local performance measurement in services for older people and an organizing framework within which organizations can arrange their performance appraisal for older people s services The development of performance review in social care of older people is examined as is the process of developing local performance measures and engaging staff in enquiry and quality management The book also reviews the process of developing performance indicators and their utilization at an agency level Performance Indicators in Social Care for Older People will be of particular interest in the UK for local service providers who are developing approaches for local performance review It will also be of interest internationally especially in countries where services for older people are currently developing in a similar direction

Effective Leadership, Management and Supervision in Health and Social Care Richard Field, Keith Brown, 2019-10-07 This book offers a practical introduction to the areas of leadership management and supervision for line managers supervisors and senior practitioners working in health and social care settings The authors explore different aspects of leadership and management including personal effectiveness supervision strategic thinking commissioning planning and budgeting and leading successful teams This third edition also includes new chapters on leading services and care for older people leading the workforce for health and social care services for older people and developing collaborative skills There is also increased coverage of healthcare leadership and asset based commissioning

Evaluating Social Work Effectiveness Cheetham, Juliet, Fuller, Roger, McIvor, Gill, 1992-10-01 Social work has an impact on large numbers of citizens through its services for children and families elderly people those with mental or physical health problems and offenders It also provokes much criticism its effectiveness is questioned and there are increasing demands for this to be demonstrated This text discusses how this task may be tackled and explores possibilities for evaluative research in contexts which are often not considered feasible for such enquiry Paying particular attention to the diverse and complex functions of social work the book reviews the implications for choosing and adapting research methodologies emphasizes the importance of identifying the process of social work as well as its outcomes and distinguishes between the identification of effectiveness and its evaluation It also describes the various means of dissemination which are necessary if research is to influence policy and practice The book which gives many examples of research in action draws on evaluative research in Britain and the US and also on the experience of the Social Work Research Centre It has been written for researchers managers practitioners and students with responsibilities to undertake or to understand the systematic evaluation of social work

Proceedings of the 2nd International Conference on

Culture, Design and Social Development (CDSD 2022) Mohd Fauzi bin Sedon M. Dom, Peter Thomas Zabielskis, Xudong Liu, Xiao Liu, 2023-03-02 This is an open access book Culture is the spiritual activity and product of human society relative to economy and politics The traditional concept of human beings believes that culture is a social phenomenon a product created by human beings for a long time and at the same time a historical phenomenon which is the accumulation of human society and history The technical economical and cultural nature of art design determines that only with high social and economic development can art and culture flourish Art design is the product of the combination of art and technology Art design is also a kind of productivity which promotes the development of social economy As a driving factor for social and economic development design art will also better serve the social economy with its own more perfect operating system The 2nd International Conference on Culture Design and Social Development CDSD 2022 was held in Nanjing from December 2 to 4 2022 The purpose of the conference is to provide an international platform for experts scholars engineers and technicians and technical R D personnel engaged in related fields such as culture design and social development to share scientific research results broaden research ideas collide with new ideas and strengthen academic research and to explore the key challenges and research directions faced by the development of this field and promote the industrialization cooperation of academic achievements Experts scholars business people and other relevant personnel from universities and research institutions at home and abroad are cordially invited to attend and exchange

An Introduction to Gerontology Ian Stuart-Hamilton, 2011-03-31 With the world's population getting increasingly older there has never been a more pressing need for the study of old age and ageing An Introduction to Gerontology provides a wide ranging introduction to this important topic By assuming no prior expert knowledge and avoiding jargon this book will guide students through all the main subjects in gerontology covering both traditional areas such as biological and social ageing and more contemporary areas such as technology the arts and sexuality An Introduction to Gerontology is written by a team of international authors with multidisciplinary backgrounds who draw evidence from a variety of different perspectives and traditions

Aging Welfare and Social Policy Tian-kui Jing, Stein Kuhnle, Yi Pan, Sheying Chen, 2019-04-16 This perceptive volume presents conceptual theoretical and empirical approaches to social policy analysis comparing China and Nordic countries in their treatment of the elderly An international panel of experts offers valuable policy insights into issues of housing community care family care pensions and social security and mental health as China translates and adapts Western examples particularly those set by Norway Sweden and Finland The book contrasts shared issues in the contexts of economic history accountability and service improvements and sustainability while also examining specifically Chinese problems such as care gaps between urban and rural elders Coverage also considers the centrality of aging policy in China as the nation works toward its long term goal of eradicating poverty Included among the topics Building a welfare system with Chinese characteristics from a residual type to moderate universalism Aging in community historical and comparative study of aging

welfare and social policy Sweden aging welfare and social policy in the 21st century Policy responses to aging care services for the elderly in Norway China s elderly care policy and its future trends Aging Welfare and Social Policy will interest professionals and researchers addressing questions of Chinese and comparative social policy health psychologists and sociologists focused on family youth and aging **Successful Administration of Senior Housing** Nancy W.

Sheehan,1992-08-04 Responding to the growing population of older persons and the subsequent interest in providing progressive living environments Succcessful Administration of Senior Housing is a comprehensive resource offering an increased awareness of management strategies and tools to better respond to frailty among elderly tenants This insightful volume outlines ways of better serving elderly tenants and highlights the importance of collaboration among housing managers social service providers and health care professionals to more effectively and humanely serve the needs of elderly renters To date housing professionals have received little concrete help or assistance from experts public policymakers or gerontologists Successful Administration of Senior Housing is a welcome addition that will help fill this void by outlining ways to better manage the complex problems and issues that emerge as elderly tenants experience increased needs for supportive services This helpful volume was written for housing professionals social service providers and health care professionals who work with older persons living in age segregated housing It will also be useful in the academic setting for continuing education programs for housing managers and social service providers Sheehan addresses the issue of managing housing for the elderly from a care management perspective She provides a creditable orientation to the unique housing needs of the elderly and effectively incorporates relevant research in each of the book s chapters Advanced undergraduate graduate faculty professional Choice **International Perspectives on Health and Social Care** Jon Glasby,Helen Dickinson,2009-11-09 Partnership Working in Health and Social Care adopts a thematic approach to health and social care partnerships With chapters by leading international commentators the book covers key topics in partnership with a dual focus on both policy and practice *Integrating Social Services for Vulnerable Groups Bridging Sectors for Better Service Delivery* OECD,2015-07-07 All OECD countries have vulnerable populations in need of multiple social service supports This book looks at how services are integrated vulnerable groups are defined and populations compare and at the benefits of integrating services It identifies good practice and promising common approaches *Principles and Practice of Geriatric Medicine* M.S. John Pathy,Alan J. Sinclair,John E. Morley,2006-02-03 The fourth edition of the highly acclaimed Principles and Practice of Geriatric Medicine provides an account of the fundamental changes associated with ageing which are essential to our understanding and management of the elderly sick population The title has been extensively revised and updates to reflect the enormous changes in treatment options and medical conditions emerged since publication of the third edition Written by worldwide experts of international repute this is the most up to date and comprehensive single reference source currently available Principles Practice of Geriatric Medicine Fourth Edition incorporates More than 30 new chapters

including Preventive geriatrics Anorexia of Aging Managements of Weight Loss Dehydration Vitamins and Minerals in the Elderly Cancer and Aging Mild Cognitive Impairment Treatment of Behavioral Disorders The Older Patient with Down s Syndrome Drug Abuse in Older People Breast Cancer Women s health A truly global perspective including new chapter on Care of the elderly in Israel old age in a young land Geriatric Medicine in China Geriatric medicine education in Europe Geriatrics from the European Union Perspective India Day Hospitals Perspectives from Latin America The title will be indispensable for all those involved in the treatment of older patients Gerontologists to keep up to date with the latest developments in the field General practitioners and specialists in health policy and community care who increasingly have to deal with a significant number of older people Academic researchers in geriatric medicine who are in need for an all encompassing reference work Medical registrars UK residents US in order to pass their exams Teachers of Geriatric Medicine Hospital libraries with increasing budgets to spend on much needed resource in this growing field Professionals within the pharmaceutical industry in order to monitor treatment options and new prescription developments

Camberwell Assessment of Need for the Elderly Juanita Hoe, Martin Orrell, 2021-07 Fully updated the CANE is the recommended tool for assessing the mental health needs of older people *The Project Share Collection* , 1976 Cumulates abstracts which appeared in Journal of human services abstracts **The Project Share Collection, 1976-1979** Project Share, 1979 **Background Studies Prepared by State Committees for the White House Conference on Aging** United States.
