

THE DOVER POLITICAL

THE EGO AND HIS OWN

The Case of the Individual Against Authority

Max Stirner

Credited with influencing the philosophies of Nietzsche and Ayn Rand and the development of Objectivism and existentialism, this prophetic 1844 work challenges the very notion of a common good as the driving force of civilization. By examining the role of the human ego, author Max Stirner challenges the battle of the individual against the collective—showing how, throughout history, the latter inevitably leads to oppression.

Stirner begins with a study of the individual ego and then traces its subjugation from ancient times to the nineteenth century. Nothing escapes his discernment: the ancient philosophers, Christianity, monarchism, the bourgeois state, all have harmed individuals with laws, morality, and obligations. Revolutions expunge the evil only to replace it with another, and Stirner predicted—years before the publication of *Mein Kampf*—that socialism would climax in the ultimate totalitarian state.

For students of political science and philosophy, this book is essential reading. For those concerned about the encroachment of authority upon individual liberty, Stirner articulates a philosophy that remains unsurpassed in its scope.

Dover (2006) unabridged republication of the 1953 English edition. Annotations and an introduction by James J. Martin. Translated from the 1844 German edition by Steven E. Yrigoin. 384pp. 5 1/2 x 8 1/2. Paperbound.

Ego His Own The Case Of The Individual

L Cohen

Ego His Own The Case Of The Individual:

The Ego and His Own Max Stirner, 2014-05-02 The Ego and His Own was first published in Germany in 1845 and influenced the entire German culture Nearly every German author that I have translated was strongly influenced by Max Stirner This English translation by Steven T Byington appeared in 1907 and the book has been republished a few times since but has not been available in today's world Bandel Books is proud to offer this edition for those interested in a deeper study of this author and his ideas This is a straight reprint of the 1907 edition published as a low cost quality paperback edition

The Ego and His Own; the Case of the Individual Against Authority, by Max Stirner [pseud.] Translated from the German by Steven T. Byington. Edited, with Annotations and an Introd. by James J. Martin Max Stirner,

The Ego and His Own by Max Stirner Max Stirner, 1963 *The Ego and His Own* Max Stirner, 1989 **The Ego and His Own** Max Stirner, 2019-11-19 In *The Ego and His Own* Max Stirner presents a provocative exploration of individualism and the nature of the self challenging established philosophical doctrines Written in the mid 19th century this seminal work is characterized by its passionate rhetoric and unique style blending fierce critique with a muscular prose Stirner posits that the individual is the ultimate authority dismissing collective ideologies in favor of personal autonomy His existential philosophy resonates within the context of German idealism and Romanticism offering an alternative vision that positions the ego at the center of existence unrestrained by societal norms or moral imperatives Max Stirner born Johann Caspar Schmidt in 1806 was influenced by the intellectual currents of his time including Hegelianism and Feuerbach's humanism His provocative views were often met with criticism yet they paved the way for modern anarchist and existential thought Stirner's emphasis on the self as the primary concern reflects his own experiences in an era marked by political turmoil and social upheaval shaping his revolutionary approach to philosophy and life For readers seeking to deepen their understanding of individualist thought and its implications for modern society *The Ego and His Own* is a compelling and essential read Stirner's radical emphasis on self ownership and freedom invites profound introspection making this text not only a historical artifact but a contemporary manifesto for those advocating for personal liberation I Am the Truth Michel Henry, 2003 A part of the return to religion now evident in European philosophy this book represents the culmination of the career of a leading phenomenologist who investigates the multiple kinds of truth associated with Christianity **Anarchist Seeds Beneath the Snow** David Goodway, 2006-01-01 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history This work seeks to recover that indigenous anarchist tradition It argues that a recovered anarchist tradition could be a touchstone for contemporary political radicals *The Ego and His Own* Max Stirner, 1907 **Riddle of the Human 'I'** Sergei O. Prokofieff, 2017-04-24 Anyone who embarks upon the study of anthroposophy will soon recognise that the mystery of the human ego lies at its very heart This mystery is one of the central questions of anthroposophical Christology and at the same time forms one of the most difficult

cognitive challenges presented by anthroposophy Sergei O Prokofieff The question of the true nature of the human I or individuality is one of the key issues of our time but it is also one of the most complex riddles of existence This booklet doesn't give simple answers but adds perspectives that deepen the theme offering a picture of its manifold mysteries In three great panoramas the author develops central aspects of the topic beginning with the threefold nature of human individuality followed by an illumination of the cosmic dimension of the ego and finally an encapsulation of the significance of the earthly ego With his usual thoroughness and clarity Sergei O Prokofieff throws light on one of the fundamental questions of our time

A Philosophy of the Christian Religion Edward J. Carnell, 2007-11-01 Introducing the Edward Carnell Library Nine Titles Listed Inside A Philosophy of the Christian Religion is not a defense of the Christian faith in the conventional sense The gamut of contending values and the systems of thought preoccupying the contemporary mind are analyzed here with admirable comprehension and lucidity These competing philosophies are severally evaluated by the whole perspective of the Christian system and demonstrated as partial here and now values incapable of satisfying the demands of the whole man Christianity is a coherent religion It never asks the heart to trust values which the reason is obliged to discard as contradictory No value commitment is completely satisfying until the complete man is satisfied from the preface *The Secret Doctrine (Vol. 1-3)* Helena Blavatsky, 2019-04-26 The Secret Doctrine is one of the most influential esoteric and occult books of all time In the first part of the book the author explains the origin and evolution of the universe itself in terms derived from the Hindu concept of cyclical development While in the second part she describes the origins of humanity through an account of Root Races said to date back millions of years **A Theory of Moral Objectivity** Robert M. Ellis, 2011-03-13 This book was originally written as an accredited Ph D thesis but one that broke all the usual rules Rather than focusing on a small area like most theses this is an interdisciplinary philosophical treatise that attempts to establish a new approach to the whole question of objectivity especially in ethics Inspired by the Buddhist Middle Way but argued in Western terms from first premises this book challenges widespread assumptions found in both analytic and continental traditions of philosophy It seeks to establish a Middle Way between absolutism and relativism using evidence from philosophy psychology religion and history The author Robert M Ellis is a philosopher and teacher and was also a Buddhist practitioner for many years However he has now withdrawn from any commitment to the Buddhist tradition to concentrate on developing a universal Middle Way philosophy promoted on his website www.moralobjectivity.net **Raskolnikov's Rebirth** İlham Dilman, 2000 Author İlham Dilman explains why a thoughtful psychology encompassing the varied modes of being experienced by humans is the best tool for investigating the nature of good and evil To illustrate he employs Raskolnikov Dostoyevsky's axe murdering protagonist in Crime and Punishment following his alienation from goodness his return to it and finally his ethical rebirth **Organizations in Depth** Yiannis Gabriel, 1999-10-19 This book is a comprehensive and systematic examination of the insights psychoanalysis can offer to the study of organizations and organizational behaviour

Richly illustrated with examples Yiannis Gabriel's exhaustive study provides fresh understandings of the role of creativity control mechanisms leadership culture and emotions in organizations Core theories are explained at length and there is a chapter on research strategies Extensive reference is made to practical cases and there is a review of the key debates

British Journal of Medical Psychology ,1927 Includes papers read before the Medical Section of the British Psychological Society **The Development of the Psycho-analytical Theory of the Psychoses, 1893-1926** John Rickman,1928

The International Journal of Psycho-analysis ... Official Organ of the International Psycho-analytical Association ... ,1920

Democracy and Dictatorship Zevedei Barbu,2013-10-15 First published in 1998 This is Volume VI of eighteen on a series of Political Sociology Written in 1956 it takes in the areas of the Psychology of Democracy of Nazism and of Communism

Mind! ,1883 Dionysus in Literature Branimir M. Rieger,2011-06-01 In this anthology outstanding authorities present their assessments of literary madness in a variety of topics and approaches The entire collection of essays presents intriguing aspects of the Dionysian element in literature

As recognized, adventure as well as experience nearly lesson, amusement, as skillfully as deal can be gotten by just checking out a book **Ego His Own The Case Of The Individual** with it is not directly done, you could allow even more in this area this life, something like the world.

We come up with the money for you this proper as skillfully as simple quirk to get those all. We have the funds for Ego His Own The Case Of The Individual and numerous books collections from fictions to scientific research in any way. among them is this Ego His Own The Case Of The Individual that can be your partner.
