The short life and startling works of Expressionist artist Egon Schiele 1890 1918 are examined within the cultural context of
early 20th century Vienna *Egon Schiele* Jane Kallir, 2003-04-29 Austrian Expressionist Egon Schiele produced a prolific
body of work before his early death at the age of twenty eight in 1918 The oeuvre is comprised of a few hundred oil paintings
and thousands of drawings and watercolors Schiele's oils have often been reproduced and are well recognized However
limited access to the fragile works on paper and dispersion among several collections have made for an unbalanced
representation of his work as a draftsman This book assembles drawings and watercolors from public and private collections

and reproduces work from every year of the artist's career beginning with the juvenilia and early academic studies. The focus means that work that is rarely reproduced is represented extensively providing a unique opportunity to study the rapid artistic development of Schiele over the course of his brief twelve year career. The book is organized chronologically and divided into year by year sections. Each section includes a text that discusses the major events in Schiele's life and the interrelation between the artist's drawing and developments in his oil painting. Features a previously unpublished Schiele watercolor and several works that have never been reproduced in color. *Coloring... Egon Schiele* The Secret Libraries, Egon Schiele, 2016-12-15.
