Eighteenth-century French Drawings in New York Collections Perrin Stein, Mary Tavener Holmes, Metropolitan Museum 15th-18th Century French Drawings in the Metropolitan Museum of Art Metropolitan of Art (New York, N.Y.),1999 Museum of Art (New York, N.Y.), Jacob Bean, 1986 Master Drawings from the Yale University Art Gallery Yale University (New Haven, Conn.). Art Gallery, Suzanne Boorsch, John Marciari, Nicole Bensoussan, Yale University. Art Gallery, Margaret E. Hadley, Elisabeth Hodermarsky, Rena Hoisington, Jan Leja, Edgar Munhall, 2006-01-01 This beautiful and important book highlights the collection of European drawings at the Yale University Art Gallery one of America's premier university museums From intimate studies to exquisite finished compositions this selection of works documents the history of European drawing practices beginning with late medieval model books and progressing to the verge of the modern period The accompanying text written by a team of scholars offers a unique introduction to various critical and technical aspects of the study of master drawings brought to life through drawings from a range of national schools and in a variety of media Among the drawings examined in this handsomely produced volume are an animated pen and ink sketch by Giulio Romano a pastoral landscape by Claude Lorrain a forceful and humorous caricature by Guercino a scene from the epic poem Orlando Furioso by Jean Honor Fragonard and a delicate portrait by Edgar Degas **Fragonard** Pierre Rosenberg, 1988 Aesthetics of Eighteenth-Century Porcelain Michael E. Yonan, 2017-07-05 During the eighteenth century porcelain held significant cultural and artistic importance This collection represents one of the first thorough scholarly attempts to explore the diversity of the medium's cultural meanings Among the volume's purposes is to expose porcelain objects to the analytical and theoretical rigor which is routinely applied to painting sculpture and architecture and thereby to reposition eighteenth century porcelain within new and more fruitful interpretative frameworks. The authors also analyze the aesthetics of porcelain and its physical characteristics particularly the way its tactile and visual qualities reinforced and challenged the social processes within which porcelain objects were viewed collected and used The essays in this volume treat objects such as figurines representing British theatrical celebrities a boxwood and ebony figural porcelain stand works of architecture meant to approximate porcelain visually porcelain flowers adorning objects such as candelabra and perfume burners and tea sets decorated with unusual designs The geographical areas covered in the collection include China North Africa Spain France Italy Britain America Japan Austria and Holland Architectural Space in Eighteenth-Century Europe Meredith Martin, 2017-07-05 Architectural Space in Eighteenth Century Europe Constructing Identities and Interiors explores how a diverse pan European group of eighteenth century patrons among them bankers bishops bluestockings and courtesans used architectural space and d cor to shape and express identity Eighteenth century European architects understood the client s instrumental role in giving form and meaning to architectural space In a treatise published in 1745 the French architect Germain Boffrand determined that a visitor could judge the character of the master for whom the house was built by the way

in which it is planned decorated and distributed This interdisciplinary volume addresses two key interests of contemporary historians working in a range of disciplines one the broad question of identity formation most notably as it relates to ideas of gender class and ethnicity and two the role played by different spatial environments in the production not merely the reflection of identity at defining historical and cultural moments By combining contemporary critical analysis with a historically specific approach the book s contributors situate ideas of space and the self within the visual and material remains of interiors in eighteenth century Europe In doing so they offer compelling new insight not only into this historical period but also into our own Nineteenth- and Twentieth-century European Drawings Richard R.
