Living in the Eighth Day Steven Underdown,2018-08-02 I came that you may have life and have it in all its fullness John 10 10 In this book Revd Dr Steven Underdown presents the paschal mystery the passion death and resurrection of Jesus as the means by which the Son first realized that utter fullness of life which God had always intended for humankind He also argues that it is only in and through the paschal mystery that human beings find their fulfillment Only insofar as someone is open to be given in love is that person open to receive fullness of new life The book explores some of the ways by which under God s grace the church can establish patterns of life and worship which will enable growth into the paschal mystery It focuses in particular on a weekly pattern of life established in various parish and monastic communities in which every week is celebrated as a kind of Holy Week in miniature This pattern termed the Pattern of the Week is seen as providing a context for life giving response to the divine initiative

Eighth-Day Discipleship Richard H. Bliese,2022-04-19 Richard H Bliese draws on historic architecture of eight sided churches to call attention to an important but often overlooked emphasis on the eighth day of creation Early Christians were focused on God s new creation that began in Christ s resurrection on Sunday the first day of the week But these Christians understood resurrection as the continuation of God s creative and redemptive activity So the first day of the week became the eighth day of creation and therefore the day of resurrection work and time to join with Christ in transforming the world Christian disciples do this work by living out their baptismal vocations especially in their daily work and through their ethical economic

choices The author turns to Martin Luther and the Reformation to outline an evangelical spirituality that invested in people and their vocations as worker priests Daily life work and family were underscored as the place where discipleship came alive Bliese describes this as an architectural design for faithful living He further draws on parts of Luther s Small Catechism Ten Commandments Apostles Creed and Lord s Prayer as keys to this evangelical design Five additional architectural designs for eighth day disciples are included The final chapter describes how eighth day disciples are called to live by faith in freedom and responsibility Making disciples today needs to revolve around a gospel story that links one s personal faith with one s work and economic life Such faith gives us ears to hear God s unfolding drama and eyes to see the needs of the neighbor The book includes a study guide for personal reflection and group conversation

Heaven on Earth: The Order and Meaning of Mass Ralph Barnett, 2024-03-26 The Catechism of the Catholic Church encourages parents to catechize their children Parents duty to educate their children is instinctive and inalienable Parents have the first responsibility for educating their children Parents role in education is so important it is near impossible to offer an adequate substitute By marriage parents receive the responsibility of evangelizing their children Parents educate their children to fulfill God s law As first heralds parents should initiate their children into the mysteries of the faith Education in the faith by parents should begin in the child s earliest years Family catechesis precedes other forms of religious instruction in the faith But catechize on what and how As a cradle Catholic father grandfather layperson and ardent student of our Faith I offer a suggestion based on common sense and a book series We re living through the greatest loss of faith in the history of the Catholic Church a refrain reverberating thru Catholic America Likely you are familiar with the statistics 25% percent decline in Mass attendance 15% of churches closed and or consolidated 65% of Catholics do not believe in the Real Presence Catholicism the largest Christian creed followed closely by fallen away Catholics America s religious decline is not new Experts claim Christianity has been on decline since the removal of prayer from public schools in 1962 Catholic school enrollment declined concurrently Yet prayer was not removed from Catholic schools Predictably Mass attendance followed What changed Catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified What changed was the equivalent of removing the pillar of prayer from public schools Mass was removed from Catholic catechesis school CCD RCIA adult formation ambo and domestic church A cursory look at a Baltimore Catechism the 1950 60s field manual for Catholics reveals a 30 page segment Catechism of the Mass immersing students in liturgical details A cursory look at current Catholic curricula reveals a paucity of information on Mass ranging from a few paragraphs in texts for schools and homeschool to take home trifolds for CCD RCIA etc Is Mass that important Did you know Mass Is the only sacrifice perfect pleasing and acceptable to God Is the most sacred function of the Church surpassing all others in efficacy Is the Church s greatest prayer Is the Church s 1 effort to save souls Is the same sacrifice Christ made on the Cross Is the perfect answer to prayer as it brings mercy and salvation Christ won for us Is required attendance every Sunday and six Holy

Days a year but Communion only once Is the Source and Summit of our Faith Is Heaven on Earth Seemingly Mass is the answer to everything integral to Catholicism Why is it not taught in Catholic education settings How do we reverse the tide Catholics must re assess school CCD RCIA adult formation school and homeschool catechesis to make space for a deep dive into Mass To fulfill the need I submit a book series Catechism Curriculum for Catholic Homeschool which includes a 163 page text accompanied by a workbook with fifty one lesson reviews containing 1 600 questions The series is not a theological or academic treatise but a user friendly step by step guide to Mass for homeschool catechesis unlike anything available elsewhere Author s Promise Your family will never ever go to church attend Mass or receive Communion the same way again

John: An Earth Bible Commentary Margaret Daly-Denton, 2017-07-13 This volume in the Earth Bible Commentary Series suggests how John's Gospel might motivate and resource a Christian response to the ecological crisis Margaret Daly Denton shows how aptly Mary Magdalene recognized the risen Jesus as the gardener Jn 20:15 completing his day's work in the garden of the Earth The Johannine story of Jesus offers his present day followers a paradigm with considerable potential to inspire Earth care sustainable living and commitment to eco justice The Fourth Evangelist believes that Jesus fulfills the Jewish hope for a restoration envisaged as a return of humankind to Eden Keeping this theme continually in mind Daly Denton reads the gospel with sensitivity to the role of the more than human world in the narrative and with particular attention to the scriptural underlay that repeatedly brings this world into the foreground The commentary begins with an exploration of the memories and associations that the garden setting would have evoked for the intended audience It then follows the gospel's spiral path that eventually leads to the garden of Mary's encounter Each chapter concludes by asking how believers might do God's work Jn 6:28 in today's ecologically damaged world and by offering practical suggestions indicative of the reflection that readers of the commentary will be able to do in their own setting
