From Palm To Pine Rudyard Kipling Abroad And At Home:

From Palm to Pine Marghanita Laski, 1987 Recreates Kipling's life and his world as he viewed it and it reflected in his writing **From Palm to Pine** Marghanita Laski, 1987 Rudyard Kipling and Sir Henry Rider Haggard on Screen, Stage, Radio and Television Philip Leibfried, 2015-08-13 Rudyard Kipling and Sir Henry Rider Haggard close friends wrote about adventure and the exotic in very different ways Examined together their works illuminate each other The writings of both have been adapted to the screen stage television and radio numerous times with varying degrees of fidelity and this is a complete guide to those adaptations In the main section of the book each original literary work is summarized followed by a complete filmography and an analysis of each film based on that story or poem Additional sections provide information on adaptations for radio stage and television Photographs are included from films ranging from *The Jungle Book* Kipling to *King Solomon's Mines* Haggard **In Time's eye** Jan Montefiore, 2016-05-16 Challenging received opinion and breaking new ground in Kipling scholarship these essays on Kipling's attitudes to the First World War to the culture of Edwardian England to homosexuality and to Jewishness bring historical literary critical and postcolonial approaches to this perennially controversial writer The Introduction situates the book in the context of Kipling's changing reputation and of recent Kipling scholarship After the perspectives of Chesterton 1905 Orwell 1942 and Jarrell 1960 newer contributions address Kipling's approach to the Boer war his involvement with World War One his Englishness and the politics of literary quotation Different aspects of Kipling's relation to India are explored including the Mutiny Eastern religions his Indian travel writings and his knowledge of the vernacular This collection whose contributors include Hugh Brogan Dan Jacobson Daniel Karlin and Bryan Cheyette is essential reading for academics and students of Kipling Victorian and Edwardian English literature and cultural history The Long Recessional David Gilmour, 2003-06-11 A major new biography of Rudyard Kipling Rudyard Kipling 1865-1936 was a unique figure in British history a great writer as well as an imperial icon whose life trajectory matched that of the British Empire from its zenith to its final decades Kipling was in his early twenties when his first stories about Anglo Indian life vaulted him into celebrity He went on to be awarded the Nobel Prize and to add more phrases to the language than any man since Shakespeare but his conservative views and advocacy of imperialism damaged his critical reputation while at the same time making him all the more popular with a general readership By the time he died the man who incarnated an era for millions was almost forgotten and new generations must come to terms in their own way with his enduring but mysterious powers Previous works on Kipling have focused exclusively on his writing and on his domestic life Here the distinguished biographer David Gilmour not only explains how and why Kipling wrote but also explores the themes of his complicated life his ideas his relationships and his views on the Empire and the future Gilmour is the first writer to explore Kipling's public role his influence on the way Britons saw themselves and their Empire His fascinating new book based on extensive research especially in the underexplored archives of the United States is a groundbreaking study of a great and misunderstood writer

Kitty and Mr. Kipling, 2005 Writer Rudyard Kipling's ill-fated attempt to settle down in his American wife's small Vermont town gets a worshipful once-over through the eyes of fictional young Mary Sadie, dubbed Kitty by her father after the cat killed by curiosity. It's an appropriate moniker as Kitty is forever asking questions of her parents and other grownups, a device the author leans on heavily to describe and to explain events that take place largely offstage. Kipling's efforts to help out a never-do-well brother-in-law end in criminal charges and ultimately drive the writer back to England. Before he goes, though, he makes a big impression on Kitty as a sensitive observer with his own bottomless well of curiosity. Nothing she writes was just ordinary to Mr. Kipling. Occasional ink drawings place dignified characters in peaceful rural settings. Though weighed down by an excess of historical detail, not to mention a substantial afterword and bibliography, the tale does bring this great writer closer to his modern audience of *Best Beloveds* without idealizing either the man or his now-offensive politics. Brief Encounters Susannah Fullerton, 2009-06-01 Throughout the 19th and early 20th centuries, countless distinguished writers made the long and arduous voyage across the seas to Australia. They came to give lecture tours and make money, to sort out difficult children sent here to be out of the way, for health, for science, to escape demanding spouses back home, or simply to satisfy a sense of adventure. In 1890, for example, Robert Louis Stevenson and his wife Fanny arrived at Circular Quay after a dramatic sea voyage, only to be refused entry at the Victoria, one of Sydney's most elegant hotels. Stevenson threw a tantrum but was forced to go to a cheaper, less fussy establishment. Next day, the Victoria's manager, recognising the famous author from a picture in the paper, rushed to find Stevenson and beg him to return. He did not. In *Brief Encounters*, renowned author and speaker Susannah Fullerton examines a diverse array of writers, including Charles Darwin, Rudyard Kipling, Stevenson, Anthony Trollope, Mark Twain, Arthur Conan Doyle, D.H. Lawrence, Joseph Conrad, H.G. Wells, Agatha Christie, and Jack London, to discover what they did when they got here, what their opinion was of Australia and Australians, how the public and media reacted to them, and how their future works were shaped or influenced by this country.

Reporting the First World War in the Liminal Zone Sara Prieto, 2018-02-28 This book deals with an aspect of the Great War that has been largely overlooked: the war reportage written based on British and American authors' experiences at the Western Front. It focuses on how the liminal experience of the First World War was

portrayed in a series of works of literary journalism at different stages of the conflict from the summer of 1914 to the Armistice in November 1918 Sara Prieto explores a number of representative texts written by a series of civilian eyewitness who have been passed over in earlier studies of literature and journalism in the Great War The texts under discussion are situated in the liminal zone as they were written in the middle of a transitional period half way between two radically different literary styles the romantic and idealising ante bellum tradition and the cynical and disillusioned modernist school of writing They are also the product of the various stages of a physical and moral journey which took several authors into the fantastic albeit nightmarish world of the Western Front where their understanding of reality was transformed beyond anything they could have anticipated *Encyclopedia of the British Novel* Virginia Brackett, Victoria Gaydosik, 2015-04-22

Fashioning the Canadian Landscape John Irvine Little, 2018-04-13 Interpretations of Canada's emerging identity have been largely based on a relatively small corpus of literary writing and landscape paintings overlooking the influence of the British and American travel writers who published hundreds of books and articles that did much to fix the image of Canada in the popular imagination In *Fashioning the Canadian Landscape* J I Little examines how Canada much like the United States came to be identified with its natural landscape Little argues that in contrast to the American identification with the wilderness sublime however Canada's image was strongly influenced by the picturesque convention favoured by British travel writers This amply illustrated volume includes chapters ranging from Labrador to British Columbia some of which focus on such notable British authors as Rupert Brooke and Rudyard Kipling and others on talented American writers such as Charles Dudley Warner Based not only on the views of the landscape but on the racist descriptions of the Indigenous peoples and the romanticization of the Canadian folk Little argues that the national image that emerged was colonialist as well as colonial in nature **The Peculiar Sanity of War** Celia Malone Kingsbury, 2002 During wartime paranoia gossip and rumor

become accepted forms of behavior and dominant literary tropes The Peculiar Sanity of War examines the impact of war hysteria on definitions of sanity and on standards of behavior during World War I Drawing upon Joseph Conrad s comprehensive understanding of war s impact on soldiers and civilians alike and extending Michel Foucault s construction of madness and reason Kingsbury expands the definition of war neurosis to include peculiar sanity at home as well as on the front lines While other investigations of World War I consider shell shock to be the only definable war madness Kingsbury is the first to build a powerful argument around the insanity of the home front s vilification of the enemy Ultimately Kingsbury s study establishes peculiar sanity among civilians and soldiers as an inevitable response to war s madness The Peculiar Sanity of War begins by locating the roots of war mania in Edwardian hypocrisy then moves on to examine the way propaganda operates in nontraditional texts such as housekeeping guides and in the novels of Joseph Conrad Ford Madox Ford H G Wells Rebecca West Edith Wharton Willa Cather Rudyard Kipling Virginia Woolf and H D Celia Kingsbury s eloquent and moving book brings together war and madness in unexpected ways Beginning with a phrase from Joseph Conrad she diagnoses the condition of a culture gone awry a peculiar sanity from Laurence Davies s foreword
